**PROJECTS**

**WHOLE GOAL JOURNAL**

**Co-founded by**

***Rafaël Guignard*** (France) & ***Andrew Love*** (America)

After years of studying personal development and working with people to help them reach their goals and overcome issues that were blocking their potential, Rafaël and Andrew co-founded the Whole Goals Journal to empower everyone with a journal that

---

will help ensure that what truly matters to them gets done.

**WANT TO SUPPORT?**

*Give them love, down there.*

You might already know, but that is a quick reminder.

The existence of the group on facebook:

***"The UC Connection - Post or Find a Job"***

*"This site is for people who find common ground in the Unification Church/Movement, who are looking for work, or who are offering employment and would like to hire someone who shares this experience in their past."*

The group has now more than **1000 members around the world!**

It can be a powerful tool that can be used as a shortcut for our

---

career and financial life. Let us not forget our gift of being in this community that is connected all around the globe.

Time to unite and make an impact.

### Youngil Ely Loew

Ely Loew has been working professionally in digital advertising over the past seven years, specializing in YouTube strategy for large international brands. He is currently also the National Pastor for FFWPU Ireland, and in 2016, Ely served as the General Manager of Cranes Club Europe. In his free time, he enjoys being a father, reading, and playing chess.

### Ceri Jones

Ceri Jones is a Paraplanner training to be a Financial Adviser & eventually take over the family business from her father. She has a degree in International Business, Finance & Economics from the University of Manchester. Her work mainly consists of advising individuals & businesses on life insurance, pensions & investments.

She is passionate about the Cranes Club as a means of

connecting people of similar or complementary aspirations in order to share the wealth of talent, skills & ideas within our community to build inspiring & successful ventures.

### **Inoë André**

Inoë André is a software engineer since November 2017. He graduated from Grenoble Institute of Technology with honours in Signal and Image processing. His work in Paris consists of developing programs and applications to improve electricity consumption management. As a director of Cranes Club, he wants to help CC members develop inspiring professional career and provide networking support so that they can harmoniously contribute to society.

### **Veronica Dostilio**

Veronica Dostilio is currently studying International Business Administration at BSP university in Berlin. She has been active with service projects and volunteering in Europe and in the Philippines over the past few years. And now she is focused on getting her Bachelor and studying German.

She joined CC with the desire and motivation to encourage and support networking in our communities, to maintain a connection and awareness of how much we can achieve when we unite, share and inspire each other.

### **Samuel H. Muruzábal**

Samuel H. Muruzábal actually is an IT consultant and programmer at Everis for the NATO implementing ERPs in their agencies. He graduated in Business Management at UAM, passing through other universities as UPNA, Carlos III and Harvard.

He has experience in different sectors as accounting and finance, international marketing in Shanghai, retail manager and programmer.

He would like to help CC members to achieve their goals, such as their professional careers or starting their own projects. Helping creating solid networking and guidance with the experience, knowledge and talent of our members.
