Re: Support for Typhoon Yolanda Victims in Visayas  
Date: November 12, 2013

---

Dear Brothers and Sisters:

We are all shocked and saddened by the enormous damage brought to the lives of many of our brothers and sisters who were affected by Typhoon Yolanda in the Visayas. Our heart goes out to all of them especially to those whose lives had to be offered because of this tragedy.

Even our True Mother is now appealing to all the mission nations in the world to extend their help in order to provide emergency support to our brethren in the Philippines. Yesterday morning, our Continental Director spoke directly with our True Mother regarding this urgent concern. And now, our providential organizations are urgently working on how to get all the needed support sent to all the survivors in the affected areas.

Thus, we wish to appeal to all brothers and sisters in the Philippines to extend whatever amount you could offer to provide goods which we will bring to Eastern Visayas and to the other areas struck by Typhoon Yolanda.
