The Chanyang session held next in conjunction with the Ancestor Liberation Ceremony. Twenty (20) participants applied the Ancestors Blessings and joined the ceremony in the afternoon. The event was even more successful because of the support and continuous jeongseong of leaders, brothers, and sisters.

This 2-Day Hyojeong CheonBo Asia Pacific Special Philippines Event is a physical and spiritual wellness program which gave participants a life-changing experience to remove negative energy, invite good fortune, health, and happiness, and improve relationships through the ancestor's liberation and blessing, chanyang yeoksa (healthy clapping) session, and offering wish fulfillment paper. We are beyond grateful to Heavenly Parent and True Parents for the opportunity that this event can be held in the Philippines.
