

## UPF Board of Directors Meeting

Robin Marsh  
January 28, 2017

Universal Peace Federation UK held a Board of Directors meeting at 43 Lancaster Gate, London. It was a very good opportunity to discuss priorities and review a wide range of activities. There is a working draft calendar of events and some potential for opening new branches of UPF within the UK.

Thank you for the support of the Directors. Steering the course for future development up until 2020.
