

## UPF and FFWPU UK's Hadrian's Wall Peace Road 2021 Activity

Robin Marsh  
October 15, 2021

In partnership with FFWPU UK, UPF UK joined the Peace Road activities walking the length of Hadrian's Wall.

There were programmes at the beginning and end of the walk, in Carlisle and Newcastle involving the local Mayor and the presence of a number of Ambassadors for Peace.

The purpose was to bring both Scottish and English people to walk the wall together that once was built to divide their ancestors.
