Dear New Hope Family,

Our dear Brother Raymond J. Mas has transitioned to the eternal world as an entirely spiritual being. After suffering a seizure and stroke in 2010, Ray had fought triumphantly with a joyful heart to return to his strong self. He has been in a care facility near his home in Lanham, Maryland for the last year. Ray and Irma are a 2075 couple and National Messiah to Turkey. Let's pray for him and his family centered on Irma.

God Bless,

Andrew
