**Building the Capitol for a Nation of Peace**

True Parents presided over the Opening Ceremony for the Cheon Jeong Gung Museum on Cheonseong Mountain near Chung Pyung Lake. Approximately 5,000 people participated in the main ceremony, and another 25,000 people watched the event through screens set up in different areas throughout the Chung Pyung Heaven and Earth Training Center. columns, built into the side of Cheonseong Mountain. Situated midway between Seoul, South Korea, and Pyongyang, North Korea, it was to be the “capitol building” of Cheon Il Guk. The Cheon Jeong Gung is home to a museum housing artwork and objects that hold historical importance or express Unification Thought and the ideals of peace. It is seen as a holy place, and many have made pilgrimages there because of its spiritual significance.

True Father granted an interview to *Newsweek International*’s executive and general editors. Excerpts from their three-hour conversation were published as part of a cover story on the Unification Church. [<http://www.tparents.org/Moon-Talks/SunMyungMoon76/SunMyungMoon-760614.htm>]

In the interview, True Father explained the origins of the Unification Church and its mission, saying: “My new revelation has made the Will of God crystal clear. And what is that Will? It is to save the world. So the Unification Church is not another denomination—it’s a movement to save the world, and through the teaching of the word of God, each individual in our movement becomes absolutely clear about the concept of the God-centered individual, the God-centered family, the God-centered nation and the God-centered world.”
