

WFWP USA: Help Us Continue to Bridge Hearts and Awaken Peace

"To build peace, we really have to become selfless. We have to not only think of building my own life, but we also have to be concerned about your life, your family's life, and making sure we can all prosper." — Bridge of Peace Participant

The power of the Bridge of Peace lies not just in the ceremony itself, but in the deep personal transformation that happens within the heart of each participant. Two individuals stand on opposite sides, bowing in both repentance for the pain caused—whether by them or their ancestors—and in forgiveness to the other.

"Crossing this bridge is showing our willingness to actually build a bridge and go through the process of resolving those pains of the past. It symbolizes my promise that we will continue to build bonds and close the distance between us and our different races and religions that we represent." — Bridge of Peace Participant

As they cross the bridge to meet in the middle, they leave behind fear, prejudice,

resentment, and pain. What remains is a renewed commitment to peace and understanding. The Bridge is more than a symbolic crossing; it is a reflection of our willingness to embrace someone different and heal the divisions within our own hearts.

Your support will allow us to build bridges of peace with more women and give them the opportunity to walk across this bridge, reconcile with their sisters, and help awaken peace in their communities. Every dollar you contribute is a step closer to breaking the chains of division and hatred.

Will you help us continue building these bridges of peace?

A year of

Awakening

THIS YEAR, WE'VE SEEN THE POWER OF WOMEN COMING TOGETHER TO CREATE LASTING CHANGE, AWAKENING HEARTS AND INSPIRING PEACE ACROSS COMMUNITIES.

Thanks to your friendship and support, we've achieved extraordinary milestones this year. Looking ahead, we are filled with renewed purpose and hope to raise \$25,000 during our Giving Season Appeal to carry our vision forward into 2025. Every gift brings us closer to expanding our programs and amplifying our impact in three key areas:

BUILDING TRIBES FOR WOMEN

With over 25 [HerTribe](#) communities launched this year, we are nurturing true womanhood, sisterhood, and fostering an environment that engages the next generation.

EMPOWERING WOMEN LEADERS

This year, we partnered in over 70 community initiatives, including [HerStory Awards](#), [Bridge of Peace](#) ceremonies, and outreach programs with women leaders.

GLOBAL GIVING

We contributed over \$100,000 to support international humanitarian projects and local chapter initiatives, bringing hope and resilience to communities both near and far.
