

WFWP USA: 1% Love Share - Q1 2025: Small Giving, Big Impact

Kaeleigh Moffitt
March 30, 2025

In the first quarter of 2025, the ripple of love grew stronger - thanks to you, our generous community. **Through the 1% Love Share Project, \$5,162 was raised and donated, proving once again that when we give together, even in small amounts, we create life-changing impact.**

This powerful campaign shows that love isn't measured by how much we give, but by the heart behind it. Your collective support is reaching across borders and into the lives of women and children who need it most.

What is the 1% Love Share Project?

The 1% Love Share Project is a global initiative by WFWP that invites people to contribute just 1% of their monthly income to support vulnerable populations - especially women and children in poverty-stricken regions. Since its launch in 2002, this humble yet mighty movement has raised over \$335,000, helping to fund emergency food relief, school construction, and vital humanitarian support.

And it's working. Every dollar counts. Every act of giving matters.

Who Are We Helping?

The funds raised this quarter are providing education, medical aid, and basic necessities for children and families - primarily in North Korea and among defectors integrating into South Korea. These efforts go beyond material needs. They aim to restore dignity, build resilience, and nurture a culture of love and character.

Your contributions are helping children:

- Access safe, quality education
- Receive emotional and social support as they adjust to new lives
- Grow with confidence and hope for a brighter future

It's about more than survival - it's about helping them thrive.

A Global Community of Compassion

What makes 1% Love Share so unique is the spirit behind it: people around the world - different cultures, different incomes - all choosing to give just a little, to make a big difference. It's a reminder that kindness knows no borders, and love can multiply when we act together.

Your giving this quarter has already planted seeds of hope. And as we look ahead, we are excited to continue this work with you - expanding our reach, deepening our impact, and building a global movement of love in action.

Want to Be Part of It?

Join the 1% Love Share Project today by signing up for a one-time or recurring donation. Share it with a friend. Talk about it in your circles. Because even 1% can change everything.

Together, we are building a world where compassion leads, love multiplies, and every child gets a chance to dream.

Thank you for being part of the story.
