Community Gathering this Sunday

Join us on Sunday, April 6th, at 10:00 AM, to hear a message from Andrew Robertson on the theme "Return to the Origin."

After service, from 12:00 PM to 2:00 PM, we invite you to participate in Green House Part 2. We need your help to rebuild the Green House! This is a fantastic opportunity to get involved and make a positive impact. Bring your energy and enthusiasm, and let's work together to restore the Green House to its full potential.

Looking forward to seeing you on Sunday!
