### **Zoom Event Today**

**10am - 12pm**

Dear brothers and sisters,

This year marks the 40th anniversary of Father's release from Danbury Prison.

Father referred to the period from his trial in 1982 to his release in 1985 as "the cross of the 20th century." The more we study Jesus' trial, the more similarities we find with Father's trial.

Forty years after Jesus ascended to heaven on the cross, Israel was destroyed.

Forty years after Father was found guilty, a lawsuit in Japan was filed that stripped them of their status as religious organizations.

Father likened his crucifixion on Mount Danbury to Jesus' crucifixion on Mount Calvary.

Forty years after True Father's release from Danbury Prison, Mother was indicted in Korea.

Neither Jesus nor True Parents were judged as religious figures. Jesus was convicted as a political criminal, and Father was convicted as a businessman.

On October 10th, Mother was also indicted for violating the Political Funds Act and the Prohibition of Solicitation Act.

I will be explaining the historical background of True Parents' prosecutions and legally proving Father's innocence in English on Saturday, October 25th.

If you have attended a previous lecture, please recommend it to those who have not yet attended.

Looking forward to seeing you at the ZOOM meeting.
