Dear Brothers and Sisters,

Belvedere has always been a place where members come to pray, reflect, and feel God's presence. Now we have an opportunity to renew that spirit through Phase 1 of the Belvedere Peace Meditation Garden, dedicated to True Mother.

The centerpiece - the Mother of Pearl marble wall - is already complete. We are now raising funds to finish the surrounding garden.

**Goal:** \$12,000

### **Your support will help complete:**

- Landscaping and finishing touches
- Planter boxes with herbs and flowers
- Seating areas for prayer
- A custom bird bath
- Peaceful lighting and details

This project is a heartfelt offering - a space for members, guests, and future generations to experience peace and spiritual beauty.

### **How you can help:**

- Give - every offering moves us closer
- Share - spread the word with others
- Pray - for this garden to become a place where Heaven can dwell
