Greetings Belvedere Family Church!

Starting this week, Pastor Justin started, "Checking in with the Pastor!"

The purpose of this program is to let the members of the community know what's been happening locally and beyond in our community, to have members feel connected to the pastor, and to create a culture of love, honesty and transparency. Check out these videos every week on the newsletter!

Announcements:

BFC is looking for a new Sunday School Director! If you have a passion for raising our young people and working together with awesome volunteers this could be a great opportunity for you. If you are feeling called to serve our community in this way, please contact Pastor Justin.

Up and Coming will be having its first in person kick off on October 9th!

We are launching a new way to contribute to God's providence called Date Nght! All you have to do is go on a fun date with your spouse, we'll take care of the kids. We hope this is a way to promote the Blessing and investing in the most important relationship in our life, the one with our eternal spouse. If you are interested please fill out this form: forms.gle/fgSngFL9iE3BYmoA9

We are also looking for volunteers for child care and cooking. If you are interested please contact Pastor Justin.

We are looking for a new home for Griz, the White House cat. He is an aging but active cat with a prickly personality at times. He is currently ownerless and doesn't fit well with the purpose and function of the White House. He comes with an automatic feeding machine, litter box, and food. If no one responds we will most likely find an animal shelter for him. If you are interested contact Taka.

Community Stories:

In this segment we share stories and testimonies from the community. If you have a story that you'd like to share please send it to chiakihagiwara@gmail.com as well as pictures if you have them.
