March 25, 2022

Dear Parents, applicants and candidates,

We have continued the Matching Handbook book club since last September. Now we are so excited to announce that the book club will be renamed as "Matching Supporters Office Hours" starting tomorrow, Saturday 26th.

Since this month is transition time there will only be 2 sessions.

For parents

Saturday, March 26th @ Belvedere Training Center (in person) 6pm-7pm

For applicants and candidates

Sunday 27th 8am-9am virtual meeting

us02web.zoom.us/j/7634345697

This is the support group for the matching and blessing journey and it will be held every month. More detail hours and dates will be followed.

You can share your testimony, concerns and questions, and matchnet technical support, etc.

Feel free to bring anything to the table as this is a safe place for any type of discussion to take place.

Thank you so much!

Sincerely,

Masae Joseph
