

## Belvedere Family Church: Special Service Celebrating our Community

Justin Okamoto  
June 9, 2022

Dear Brothers and Sisters

This coming Sunday will be our official start of weekly services. We want to start off with a special service where we will have a chance to introduce new members of the community including, spouses, new babies, people moving to the area and new members. Also we will be doing the Il Shim ring ceremony as a local community. So especially if your child is an Il Shim graduate please make sure they come dressed well.

Additionally, we will be blowing up the bouncy castle for the kids and after service Sunday School will be doing some fundraising by selling some food. Please come with some cash to support their great work.

Thank you!

Pastor Justin
