

Belvedere Family Church: Host Families In Your Home for the CheonBo Event

Dear Brothers and Sisters

As many of you know, the HJ CheonBo event is coming to Belvedere July 23-24. There will be families coming from all over America to attend this event.

To help out I'd like to see if there are any members who have a spare room or even a coach to host families for a night or two.

If you are interested and willing to open up your home to another blessed family for the event please let me know so I can help work out the connections.

Thank you!

Pastor Justin
