Belvedere Family Church: Vision Workshop This Sunday, No Sunday Service

October 7, 2022

Dear Brothers and Sisters,

To clarify a few points about this Sunday. There will be no standard Sunday Service this Sunday.

If you choose not to register you can still go in the room but you will need to pay in order to get a meal ticket and notebook.

Our vision workshop is coming up on Oct 9th. This will be an opportunity to take all that we have been talking about and experiencing during the sermon series and put it to action. By the end of the workshop you will leave with a clear vision for your life!

Please register beforehand so we know how many people to expect and how much lunch we should prepare.

If you do not register beforehand it is not guaranteed that there will be enough food and a notebook for you.

Vision Workshop

On October 9th Sunday we will be having a 2 hour workshop at Belvedere. This will be an opportunity to create your own personal vision! Come ready to dream big and put pen to paper. This will be the conclusion of our vision series.

The workshop will go from 10am - 12pm. There will be lunch served afterwards.

Note there will be Sunday School this Sunday! If you want to bring your kids but not join the workshop you may.
