Dear Brothers in Sisters,

Can you believe it's already been almost 40 days since we started our condition?

Tomorrow morning we will finish with some testimonies about experiences through the 40 day condition.

We will also have a final meeting on Sunday the next day to hear more testimonies and do a final prayer for our offering of the 40 days.

Please fill out the reflection form as soon as you can and if you'd like to join on our last day feel free to!

All are welcome
