White House Clubs

Dear Brothers and Sisters,

We would like to invite you to join our Chess Club and Volleyball Club. The Chess Club is open to everyone and the Volleyball Club is open to all youth and young adults who are interested in learning, playing and competing in these sports.

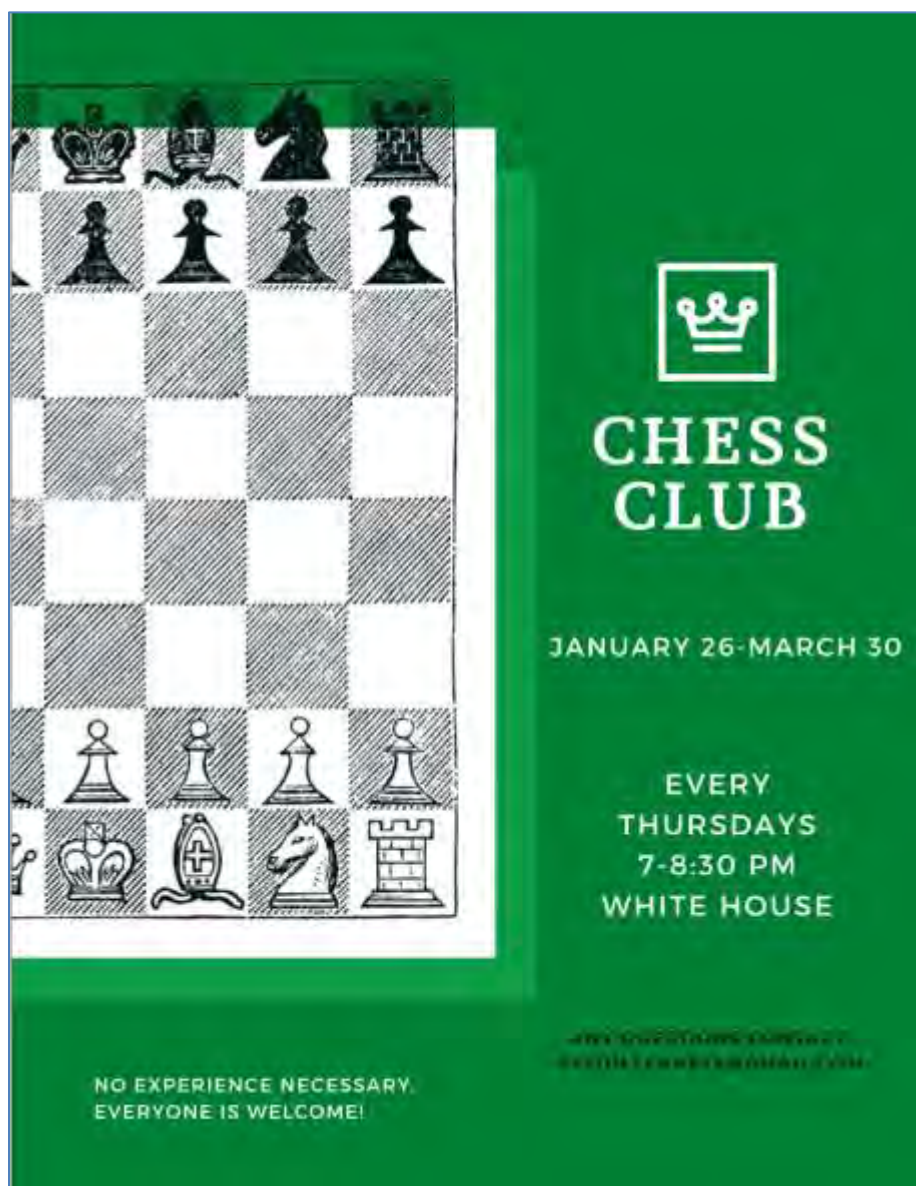

The Chess Club meets every Thursdays at 7pm in the White House.

The Volleyball Club meets every Sunday at 12pm in the Agora House.

If you are interested in joining either or both of these clubs, please contact eritin.learey5@gmail.com. We would be happy to provide you with more information and answer any questions you may have.

We look forward to seeing you in the clubs.

Thank you.
