Farewell UTS Sunday Service Aug 13th @ 11AM

Dear Brothers and Sisters,

Next week Sunday will be one of the last opportunities for members to gather at the UTS property before the new administration limits access to the property. We'll be gathering as a region at the conclusion of the Annual Sports Festival to spend one final time here and we invite you to join us.

There will be testimonies shared, a message from Pastor Naokimi, as well as a BBQ lunch courtesy of the Mid-Hudson Family Church.

This is made possible because of the Blessed Cultural Sports Festival happening on the property.

Thank you
