Dear Ambassador for Peace and Friends,

We are excited to invite you to the Ambassador for Peace bimonthly meeting on Zoom Thursday, February 22, 2024, at 7:30 PM.

In an era marked by unprecedented challenges, the United States finds itself at a crossroads of internal conflict. A conflict in values, labeled by some as the "Cultural War", is now raging throughout all aspects of our society. Central to this conflict is the question of identity with a pivotal focus on the role of the Creator in the American experience from the nation's founding to present-day laws and policies. We will engage in a thoughtful discourse regarding the impact of family life assessing its influence on our national trajectory and collective identity, while examining crucial current societal trends.

God blessed America but not only for America's sake. Whenever God gives a blessing there is always a responsibility with it. A responsibility to use that blessing for the sake of others. The motto for UPF is "Live for the sake of others".

I sincerely hope you can join us for this webinar. So we can learn from each other and be more edified on the topic of How Healthy Families Can Contribute to a More Peaceful World.

Our guest speaker Dr. Robert Kittel, is a member of the Universal Peace Federation International and although born in the US, he has carried the message of UPF throughout SE Asia for many years teaching Character Education and Good Governance. He is a well-known and well-respected man, especially in the Philippines and Throughout India and Nepal.

We look forward to seeing you on the Zoom call on Thursday, February 22 at 7:30 pm EST.

Warm regards,

Julia Okamoto
