The Belvedere Community Gathering will be hosting a HJ Nuri Valentine's Day this Sunday in celebration of True Parents Birthday and for the couples going to the Blessing this year.

This Gathering will be held on the 18th of February, starting at 11am. Children and the Youth will be performing songs and a skit. We also have other amazing performers including a very special testimony by Bruce Grodner and many more!

Whether you have children participating or not, we would like to extend a warm invitation to all ages. As usual we will be selling lunch after service so feel free to stay after and enjoy a nice lunch!
