Dear Brothers and Sisters,

As promised we would like to let you know, The Belvedere Community Gathering will be hosting HJ Nuri Valentine's Day this Sunday on February 25th at 11am!

We are so excited to see the children and the youth performing a song and skit. We also have other amazing performers including a very special testimony from Pastor Bruce Grodner and many more!

Whether you have children performing or not, we would like to extend a warm invitation to all ages. As usual we will be selling lunch after service so feel free to stay after and enjoy a nice lunch!
