### **Prayer Breakfast - November 2nd, 2024**

Greetings Brothers and Sisters,

I received a call from a pastor in my area, Rockland County, asking me to help him create and execute a prayer breakfast for the local political candidates, Mike Lawler, Senator Bill Weber, and Assemblyman McGowen.

I wisely or unwisely accepted the challenge at such short notice.

Please take a look at the flyer below and see if you can support this event. The candidates are all Republicans, although the Pastor asking for my support is a lifelong Democrat

Mike Lawler is the Congressman for the 17 district which includes all of Rockland and Westchester from Tarrytown up Northern Westchester up to Ossining Mahopac on up to Hopewell Junction and more. It is a very important race for Lawler and will impact the house if he does not win. His opponent Mondaire Jones is a very far left guy who advocated defunding the police etc.

Any support you could give me by attending this event would be greatly appreciated. I have never done this kind of thing before so am feeling a tad nervous your prayers would also be appreciated.

Please feel free to pass the flyer on to anyone who may be interested.
