

Letter honoring Bo Hi Pak on the occasion of Dr. Pak's ascension

January 2019

When I heard of Dr. Bo Hi Pak's ascension, I thought of his life spent testifying to True Parents I remember him as a courageous, heavenly general who attended True Parents as they paved the way for the providence of restoration in America. I give thanks to Dr. Pak for his investment and relentless work ethic over a great period of time. All the American members firmly believe that Dr. Pak will continue working with True Father in the spiritual world to ensure the victorious completion of the providence, which True Mother is now guiding as she ceaselessly invests and offers devotions for the providence of Cheon Il Guk.

We all know something about the path forged by Dr. Pak for the providence in the United States. To mention all his accomplishments is not easy. He did so much, and—as a parent, father, and teacher—he loved all the American members who walked shoulder to shoulder with him on his course. Together with the members,

he testified about the core teachings of True Parents and developed the providence in America. As one of the very first missionaries to the United States, as one who both witnessed and took positions such as chairman of The Washington Times, he invested his heart and soul on the front line of the U.S. providence alongside True Parents every single day.

Dr. Pak, thank you so much for all you have done!

May you always be with True Parents, and just as you stood with us, becoming the center of many heart-moving testimonies, please guide us and continue to take the lead in True Parents' providence, even from the spiritual world.

We would like to take this time, through this Seonghwa ceremony being conducted in Washington, D.C., New York and Las Vegas at the same time as Korea, to reflect and reminisce on your work, and to offer our prayers and blessings as you ascend to the heavenly realm. All our churches across the United States will join us in prayer this coming Sunday.

Dr. Pak, you invested your extraordinary efforts without reserve.

All members will remember you and will join the Victorious course of True Parents that you walked. I sincerely pray that you will now be reunited eternally with your dearly departed wife amid the blessings and grace of Heavenly Parent and True Parents.
