And the priest answered David, "I have no common bread on hand, but there is holy bread-if the young men have kept themselves from women." And David answered the priest, "Truly women have been kept from us as always when I go on an expedition. The vessels of the young men are holy even when it is an ordinary journey. How much more today will their vessels be holy?" So the priest gave him the holy bread, for there was no bread there but the bread of the Presence, which is removed from before the

Lord, to be replaced by hot bread on the day it is taken away. 1 Samuel 21:4-6

I am telling you that absolute rejection will bring absolute friends. The more dramatic the persecution you receive in your home church area, the better it is. If you are kicked and knocked unconscious, people may think you are dead and the headlines will proclaim that the Moonie was kicked to death. Then when you revive later the headlines will announce that you resurrected! If this happens two or three times then you will easily restore the whole area in the meantime.

On the outside I seem to be mean and ugly instead of handsome and nice, right? The entire world may say I am mean and ugly, but God will be the one person who will definitely veto that statement. Because the power of God is absolute, there is nothing to fear even when the American Government comes against us. I speak out strongly and without fear when the President does something wrong. God is stronger than any President. I don't care what the people say; I only care what God says. As long as God thinks I am His champion then I don't care what the world says. Dear

Hyung Jin Nim started the service by discussing the assassination of a Trump supporter in Portland. We need to be prepared for the possibility of a Civil War in the USA. Each of us should have a trauma kit and be ready to use it. We don't fear death, but we should be responsible to protect life.

The Vietnam Wall traveling memorial will be at the Freedom Festival. This is a sacred place, the blood of Americans sacrificed there. We should make those veterans feel deeply respected.

Then he spoke about the Covid 19 Lockdown. In 4 months they have turned USA into a socialist country. The same people who call us conspiracy theorists are riding bicycles or going swimming with a mask on!

In North Korean there are supermarkets, but they are all government-run. Small businesses in USA

impacted by the shut-down have been going out of business, while mega-corporations like Walmart and Amazon grow in their domination of the economy.

It has been said that you can vote yourselves into socialism, but you have to shoot your way out. George Soros has been funding the ANTIFA terrorism we see on the TV news. Many churches have been infiltrated by socialists who bring a Marxist ideology. There will have to be a separation of the sheep from the goats.

Sex has been used as a weapon and means of conquering. The Leftist Sexual Revolution leads to young men and women who are unable to distinguish between good and evil. In the Bible David started off good, but then had women issues that led him to commit sins. Sexual ethics are crucial to the success of the Kingdom.

Satan will use the harlot to destroy your kingdom. America's founding fathers knew that to keep a free republic you needed to have people with moral discipline.

Satanic nations promised their soldiers they could "rape, pillage and plunder." When conquering Jericho, God commanded the Israelites to refrain from taking any plunder. Anthropologists found burnt grain in the ruins of Jericho that had not been stolen. This was a huge advance in war ethics. Warriors should not become what they are fighting against.

But later, as shown in Numbers 25, the Moabites used sex to entrap Israelite men, who then began to worship Canaanite gods and become confused about uniqueness of Jehovah. The modern US army also follows rules of engagement that are Judeo-Christian. Our soldiers are required to abstain from rape, pillage and plunder. They are punished for not doing so. You have to fight for a larger purpose, not personal gain.

Patriots have to follow the same code. Otherwise you become evil. Our purpose is to free people from communism, but the warrior class will always need to overcome the temptation to use power for personal gain. David was not just praying when he had to face Goliath in battle and kill him. We must be united in opposing evil. Fighting on just the family level is not enough.

May God bless you and your families!

Sincerely,

Richard
