A Time to DEFEND the Republic!

You yourselves like living stones are being built up as a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ. 1 Peter 2:5

One thing is true; if you are truly a slave of the love of God then you are the happiest person under the sun. That has been my own goal. Whether you are a laborer, merchant or dockworker doesn't make any difference. Ultimately men's hearts crave being slaves of God's love. I am pursuing the same goal, and I want to be the number one slave of God's love.

Even though your hands are raising funds with flowers, they are working for the noble purpose of God's love, to save this world. Your arm is God's arm, and God is using it to recreate this world. There is no value in paying attention to my antagonists, and thus there is no fight. I want you to take pride in that position. It is our joy to be champions and stand for this cause, fighting every day against resistance.

We have already reached for the highest possible value. Are you happy? Do you think I am unhappy? No, I am proud. I am a fighter who has no reservations about his job. I am a tough man because I have the strongest power under the sun: the love of God. What should I fear? SMM, "The Will Of God And Thanksgiving," Feb. 12, 1978, Manhattan Center

Hello,

Hyung Jin Nim started the Sunday Service by discussing how many patriots will be going to Washington DC on December 12 to demonstrate for fair elections. We have to be ready to protect each other from violent attacks from leftwing groups. Prayer has power. The J-team and K-team left their countries to come here to show their love for this country in this urgent moment.

The Rod of Iron Patriot Class is starting again with 6-7 instructors ready to lead classes, which include range time to practice pistol and rifle accuracy and safe practices. Go to www.RodofIronMinistries.org/training for more info.

Solomon intended to create a righteous kingdom, but his marriage to 700 wives plus 300 concubines degraded his kingdom with the foreign beliefs and values they brought with them.

The popular culture constantly criticizes "toxic masculinity" and people who cling to their Bibles and guns. When good strong alpha men are destroyed, they will be replaced by evil alpha men. Islam, which permits marriage to 6 year old girls, creates a very different civilization than does Christianity.

Feminists do not defend conservative women since their main objective is to promote a leftist agenda.

They say that men cannot be trusted, but don't worry, the government will take care of you, as long as you are not married. Lucifer seduced Eve but his main goal was to take Adam's position of power. He brings in fear and distrust of men, so that women become married to the state.

The culture has replaced heroes like Superman with Harry Potter. Physical strength is replaced with "magical" powers. It encourages a culture of deception and self-delusion, where you don't have to train hard.

You can't have liberty and licentiousness. When a population embraces hedonism, the pursuit of pleasure, it is less able to strive for higher values or to defend itself. The joy of accomplishment comes on the foundation of pain and working hard.

In Communist China Mao Tse Tung's government funded nightclubs to promote drugs and alcohol so the population could be controlled. Prisons provide free food, housing and healthcare, but you are not free.

Through the Covid 19 lockdowns most countries have become open-air prisons. Many states are preparing for a second lockdown. European countries are planning to require papers to prove you've taken a Covid 19 vaccine.

Lucifer was supposed to be a servant helping Adam and Eve, not controlling them.

Pastor Sean's Prayer at Gettysburg PA 11/25/20

We are the living stones of God's Kingdom. The founders of America chose liberty, not licentiousness. The blooming of sexuality in marriage desexualizes other relationships.

In Leviticus God had to forbid having sex with animals, children, and relatives, which other ancient religions permitted. Post-Christian culture is merely reviving such ancient satanic practices. Lucifer is called the "prince of the air," so communication, much of it fallen, takes place through the air waves.

President Trump is not perfect, but he is saying "no" to the degradation of our culture, with open borders for people expecting socialist benefits, sexualized education for our children, etc. God used the pagan King Cyrus to liberate the Israelites from Babylonian captivity so He can use whomever He chooses.

The public hearing on Election Fraud that took place in Gettysburg last Wednesday was a turning point, giving hope to patriots. Don't be demoralized. Resist the devil and he will flee!

May God bless you and your families!

Sincerely,

Richard
