Now the Lord spoke to Moses, saying, "Speak to Aaron and say to him, When you set up the lamps, the seven lamps shall give light in front of the lampstand." And Aaron did so: he set up its lamps in front of the lampstand, as the Lord commanded Moses. And this was the workmanship of the lampstand, hammered work of gold. From its base to its flowers, it was hammered work; according to the pattern that the Lord had shown Moses, so he made the lampstand. And the Lord spoke to Moses, saying, "Take the Levites from among the people of Israel and cleanse them. Numbers 8:1-6

Even to those people who try to kill me, when I love them, when I pray for them, I am showing them the heart of God, the heart of True Parents. That's the love of any parents. Parents are like that; no matter how bad their sons and daughters are, they still pray for them. SMM, On Approaching God, 3-3-75

Hello,

Hyung Jin Nim started the service by playing the video of the "We the People" rally which was held on Friday in Honesdale. Next, he spoke about the passage in Numbers 8 where God instructed Moses to set the seven lamps in front of the lampstand. Afterwards He instructed Moses to separate the Levites from among the people of Israel and cleanse them as the priests of their nation.

He spoke about Hannukah, also known as the Festival of Lights or the Feast of Dedication, the holiday celebrates the rededication of the Holy Temple in Jerusalem following the Maccabean revolt against the Syrian-Greek army. The holiday takes place for eight nights and days, commemorating the rededication of the Holy Temple. Each night for 8 days, a candle on a lampstand is lit to remind believers of the miracle of the oil that lasted for 8 days.

The Maccabees who were the Jewish militia resisted the Hasmonean tyranny led by Antiochus Epiphanes, the King of Syria. In 167 BC he ordered that desecration of the temple in Jerusalem removing the holy things from the temple and sacrificing a pig on an altar of Zeus. In our time, we need to cleanse ourselves and resist the pagan culture that desecrates the things of God.

Lampstands are equivalent to churches which are to contain and shine with the light of Christ. Young men shouldn't just date for pleasure since they are called to be priests and kings in our families, who rule with justice, not tyranny.

Sanctuary Service 6/27/2021

Last year we traveled to Honesdale when 3 buses of BLM/Antifa were on the way to cause havoc, but they turned around. We have to stand up and show our determination to defend our families and communities.

Martin Luther King and the Civil Rights activists didn't end segregation by just complaining about it. They had to show up in public and encounter the hatred and violence of the segregationists.

God didn't place Adam and Eve in a garden, not in the wilderness or in a populated city. The covenant of marriage is like a garden, a place of stability and unity with access to the power of nature.

Asian moms are Tiger Moms pushing their children to study. Their children excel in education and in obtaining high-paying careers, but have higher rates of depression and even attempting suicide. There needs to be a balance between discipline and time to explore the creation.

True Father would catch eels with his mouth as a child. It's important to develop a love for creation. Nature is the true magical kingdom. A garden keeps out the predators. It's important for fathers to do more than work. Get outside with your children!

The church is a type of a garden with protections against predators and allow flourishing. But many churches become too centralized. In the beginning, churches were decentralized. True Father said families should be the locus of priesthood and kingship. Before marriage we should be taught and preparing for our future roles. Marriage is a special place for intimacy.

It is a sad reality that American youth are exposed to pornography as young as age 7. Parents should not be silent to talk about this. They should be able to share about their powerful marriage of intimacy with their children, where we become fulfilled, more like the image of God, not worse.

As Jordan Peterson explained, it's important to guide our children to pursue a noble aim attached to a powerful transcendental purpose.

Human desire is endless. That is why there needs to be limits so that every relationship is not sexualized,

ending with pedophilia. The American Psychological Association is trying to normalize adult-child sex as "minor attraction syndrome. " The Divine Principle teaches that the Fall involved the misuse of sexual intimacy. A husband should be the representative of Christ as a family's priest and king who rules with justice.

At 6 months old children can discern between good and evil. 80% of babies will choose the nice puppet instead of the bad one. It's important to parent a child with justice, not just through force or arbitrary rules. Or the opposite, with no rules or boundaries. Children who are ruled with arbitrary force learn that pursuing power is most important. So we must teach them right and wrong, not just to seek power.

Why is the process of holding THEM to account taking so long? A spiritual perspective

A friend: "Unfortunately Trump and the patriots are still fighting by the rules even though the deep state has released a bio weapon against society and have broken every rule imaginable and some rules that we can't even imagine. Hopefully now that the kid gloves come off the patriots will stop following the rules as this is war and the rules are hindering affirmative action."

For me, the key to understanding this is the spiritual perspective:

They (the patriots, DJ Trump, who actually = God's side) are fighting by the rules, but this is the rule:

God's side cannot move until the Devil's side does what it does. That's because what God's side uses to destroy evil is the law, the order and God's own principles. It's like a rock. Evil attacks the rock, tries to destroy the rock. Evil has to have its go.

THIS is why good people have suffered throughout history. This is why it takes so much time.

Why? The evil side has a hold, a claim, a foundation.

In scriptural (religious terms) this is explained by the Garden of Eden story. Adam was supposed to be God's representative on Earth. He was the one who, as the ruler of the universe, was meant to return that rule (sovereignty) to God to complete the circle (starts from God, goes to Adam, then goes back to God).

Instead, Adam handed that rule (sovereignty) over to the fallen angel, the linchpin of evil who became Satan. From that point on, both God and the Devil have a claim: God's claim, because He is the creator and rightful ruler, and the devil, because Adam handed it over to him as a result of the devil's manipulation, deceit, lies and spiritual murder.

Thus, for God's side to work fully, that evil claim needs to be liquidated. Do you see? Isn't that where we are today? We (that is, humanity, including the US, including other nations) gradually handed over control to the Luciferian Cabal. They gained this control via deceit, via manipulation, via lies, and spiritual murder (killing our souls and the souls of our children, etc). But they have that claim because (we) handed it over to them. We are responsible, in that sense.

But once that claim, that spiritual foundation, is liquidated, by enough of us rejecting it and saying "no, damn it, our rights come from God, the truth comes from God, and it is our right, as God's children, to live free under HIM, not under you," then the battle ensues and the Luciferian claim is reduced until liquidated.

Why is the process of holding THEM to account taking so long?

A spiritual perspective

A friend: "Unfortunately Trump and the patriots are still fighting by the rules even though the deep state has released a bio weapon against society and have broken every rule imaginable and some rules that we can't even imagine. Hopefully now that the kid gloves come off the patriots will stop following the rules as this is war and the rules are hindering affirmative action."

For me, the key to understanding this is the spiritual perspective:

They (the patriots, DJ Trump, who actually = God's side) are fighting by the rules, but this is the rule:

God's side cannot move until the Devil's side does what it does. That's because what God's side uses to destroy evil is the law, the order and God's own principles. It's like a rock. Evil attacks the rock, tries to destroy the rock. Evil has to have its go.

THIS is why good people have suffered throughout history. This is why it takes so much time.

Why? The evil side has a hold, a claim, a foundation.

In scriptural (religious terms) this is explained by the Garden of Eden story. Adam was supposed to be God's representative on Earth. He was the one who, as the ruler of the universe, was meant to return that rule (sovereignty) to God to complete the circle (starts from God, goes to Adam, then goes back to God).

Instead, Adam handed that rule (sovereignty) over to the fallen angel, the linchpin of evil who became Satan. From that point on, both God and the Devil have a claim: God's claim, because He is the creator and rightful ruler, and the devil, because Adam handed it over to him as a result of the devil's manipulation, deceit, lies and spiritual murder.

Thus, for God's side to work fully, that evil claim needs to be liquidated. Do you see? Isn't that where we are today? We (that is, humanity, including the US, including other nations) gradually handed over control to the Luciferian Cabal. They gained this control via deceit, via manipulation, via lies, and spiritual murder (killing our souls and the souls of our children, etc). But they have that claim because (we) handed it over to them. We are responsible, in that sense.

But once that claim, that spiritual foundation, is liquidated, by enough of us rejecting it and saying "no, damn it, our rights come from God, the truth comes from God, and it is our right, as God's children, to live free under HIM, not under you," then the battle ensues and the Luciferian claim is reduced until liquidated.

Think about it. This is why Christ on the cross did what he did. He paid the price to WIN us back from Satanic dominion, but to access that liberation, we have to believe, we have to embrace, we have to unite with Him. Only then is the Devil's claim over us broken.

It started with individuals: those that united with Christ, and it expanded to families, to clans, to societies, and eventually, to nations. But it really happened on the national level only when the U.S. was born, when the representatives of the people of American said: "no, damn it, our rights come from God, the truth comes from God, and it is our right, as God's children, to live free under HIM, not under you (the British or ANY monarch)"

Now, it has to be completed, first in America, and then, in every nation around the world.

But believe me, when the Claim that the Luciferians have is completely liquidated (by enough of us uniting with Christ, in practice - i.e. standing up to be free of THEM)** then the hammer WILL drop, and judgment will be exacted. Judgment means the correct application of the Law - the Law of Heaven - and it is a judgment that God has been holding off for thousands and thousands of years.

It will not be by applying the completely illegal and illegitimate measures they use against us. No, God's measures - via the Patriots, DJT, and etc. - will be fully legitimate. And it will be hard, hard, hard.

**** Note: Unity with Christ in this era is a non-doctrinal thing, not a religious thing. The era of religion is passed. Now, its HOW you live and WHAT you stand for. Some people are in unity with Christ, even if they don't actually know it or even if they haven't yet come to believe in Christ partially or fully. Because in this era, it is the proverbial dividing of the sheep and the goats, the wheat and the chaff.**

If you go with God's direction, then you are in unity with Christ. Even if you profess to believe in Christ, or God, but you align yourself with THEIR (the Luciferian) direction, well, you are NOT in unity with Christ. Obviously.

My point here is simply this: There is a spiritual reason why Good cannot use the methods, tactics and actions of Evil. But also, once the correct liquidation of the spiritual claim of Evil is removed by enough unity of the People with God's direction, then BANG, hammer drops. They don't call it the Last Judgment for nothing.

Note: the deciding point of the value of an action (legitimate, good or illegitimate, evil) is not the external action, but by the spiritual justification.

Example: Just like God told the Israelites "Do not Murder" but then instructed them to slaughter the Canaanites. Why? Because God HAD the justification to cleanse the land. The claim of the devil was removed to the extent it was by the suffering, choice and efforts of all who preceded them: Noah, Abraham's lineage, etc. The Israelites CHOSE to leave Egypt and unite with God (via Moses). That liquidated the devil's claim in the land enough that God COULD execute judgment and cleansing.

In my view, it has to be this way. At least, that's what I think is the spiritual reason why so far "the kid gloves" have not come off. But when they do, well, "Nothing Can Stop What Is Coming." To the max.
