Out of the depths I cry to you, O Lord! O Lord, hear my voice! Let your ears be attentive to the voice of my pleas for mercy! If you, O Lord, should mark iniquities, O Lord, who could stand? But with you there is forgiveness, that you may be feared. I wait for the Lord, my soul waits, and in his word I hope; my soul waits for the Lord more than watchmen for the morning, more than watchmen for the morning. O Israel, hope in the Lord! For with the Lord there is steadfast love, and with him is plentiful redemption. And he will redeem Israel from all his iniquities. Psalm 130

Each time we elevate ourselves to a new level, there is always additional attack, additional persecution. It is inevitable. and without it we cannot progress. SMM, Untitled Address to Conference of U.S. and International Leaders, 9/20/76

Hello,

The Rod of Iron Freedom Festival this past weekend was a great success, but it DID start with a bit of controversy! National radio host Dana Loesch was the featured guest speaker, but after the festival, on her Monday talkshow, she confessed that an article about the festival in the *Daily Beast*, a leftist news site, had several friends and associates calling her to pressure her not to participate. Well, she did attend, and here is what she had to say on her Monday talkshow:

"The Daily Beast said it was an event of cultists. Are they burning down buildings or entire city blocks, or rioting? Some of the nicest people I've ever met. I met South Koreans and others who love freedom, the first and second amendments!

Do you want to be free, yes or no? If you're not bothering me, if you're a law-abiding citizen, I don't have a problem with you. You either support freedom or you don't. I had a great time. They were so nice. It was so well organized and so well run!

Everything I was told about "white supremacy" and "fascism" - I didn't see it!

I saw white teenagers and black teenagers together looking at stuff at a prepper booth. I saw Hispanic Americans and Asian Americans and Black Americans (having a good time).

I don't let media outlets, that have a record of impugning and smearing people, make the decision for me and judge the character of others for me. We were all there for self-defense. I had a great time!"

2021 ROI Freedom Festival, Day One

October 9, 2021 Rev. Hyung Jin Sean Moon

Good morning patriots and freedom-loving people made in the image of God!!! We are honored and pleased to have you at the beautiful Kahr arms property celebrating America, the 2A and the culture of armed responsible citizenry. I also want to acknowledge the sacred Korean War memorial and thank the combat veterans and the planning committee with all our friends and their families who made this event possible. Also, we are happy to be joined here, with other freedom fighters from around the world who are fighting in their respective countries for a Second Amendment that we enjoy and often take for granted here in the US. If the right to keep and bear arms is a natural right, like our framers stated, then it is a human right and all human beings should have that right of self-defense against tyranny.

We celebrate freedom this day because in 1950 my Father the Rev. Sun Myung Moon, who our tradition honors as the returning Jesus, was freed from a North Korean death camp, by US armed forces, where he was imprisoned and scheduled for execution for preaching the Gospel. God sent good men with guns that stopped bad men with guns that led to my father's freedom which without, myself, my brother or our worldwide church community would not be here today. Our True Father taught us to vigorously protect God's gift of liberty, to always be willing to die to fight Communism/socialism which he defined as political Satanism, and to build Godly marriages and family building a world of capable armed and trained citizens, known as the Peace Militia, whose motto is "Love God, Love your neighbor."

Today we face unprecedented big government overreach. Worldwide communist style lockdowns, for a virus with a 99.7% survival rate, are causing massive starvation and desperation in the third world causing massive migration to the first world. Europe is under total lockdown with military deployed to force vaccinate, Australia is experience Nazi style coercion as people are being violently assaulted on the beach for not wearing masks, and our southern border is wide open with tens of thousands pouring into our country every single day. In addition, China last Monday flew 52 warplanes over Taiwan forcing their Foreign Minister to publicly announce preparation for war with China and begging Australia to help. With China as a major importer of food, supplies, meds, and all other manner regular use items in America, China could further exterminate our supply chain as we already face automobile shortages, fossil fuel and gas shortages and massive spending by this usurpatious administration AND we are sitting on the greatest economic bubble in world history which could lead to the collapse of the dollar.

Meanwhile China, through the disgraceful Afghanistan-Biden debacle, has secured 85 billion dollars worth of taxpayer paid military equipment and secrets, through the Taliban, as they secure a direct land route into the middle east to become the main trading partner with the oil rich nations, creating hotbeds of terrorism and endless streams of radicals who want Death to America. Despite the fact that the heroes of journalism at Project Veritas has released video of Health and Human services Doctors on video admitting to not reporting side effects of the vaccine, Pfizer employees were caught on camera admitting that natural immunity is more effective than the shot, and a higher up exposing emails of the VP of Pfizer admitting that aborted fetus (that is murdered children's) kidney cells were used in the production of the "vaccine" nothing is being shown by the fake news media and the Biden administration. In fact, Facebook and Instagram have gone down this past week slowing the dissemination of these undercover videos. And in America to this day political prisoners of the Jan 6 protests are rotting in solitary confinement with no trial, or due process of law. These lawless DC bureaucrats are behaving like the Nazi leaders that committed crimes against humanity as they enact a Totalitarianism the likes of which our country has never seen. And they WILL push harder.

This is the reason why True Father created a worldwide anti-communist movement educating the youth around the world about the evils of communism and centralized government. He started The Washington Times, the Collegiate Association for the Research of Principles, Youth Federation for World Peace and newspapers and media across the globe to educate the public about the deceptive tactics of leftists, communists, and those who strive for power through the apparatus of government or namely the 666 anti-Christ Beast. For this fierce anti-communist

stance, he was labeled a "cult-leader," "radical," and "extremist" by the fake news media. The very same labels the radical left is using to call Trump supporters and conservatives today.

This usurpatious administration is claiming that the greatest threat to America is not ISIS, or the Taliban, or Communist China, but freedom-loving Americans and even parents opposing CRT, have been designated the new "domestic, white supremacist, terrorists." This reckless and dangerous language identifies and green lights the deep state corrupt organizations to trace and track and frame honest, law abiding, hard-working, tax-paying citizens to become criminals and outlaws.

Meanwhile deep state operatives continue to allow total lawlessness if it profits their power—sex trafficking across the southern border has grown into a multi-billion dollar enterprise, pedophiles are allowed out of prisons while citizens are being forced to show health papers or "vaccine passports" to enter into shops and restaurants and illegal and dangerous human-animal genetic experiments are coming to the surface. The Chinese Communist party is producing fentanyl and drug smuggling through our southern border to inebriate American youth. Young people who express alternative conservative views are being censored, black balled and now not allowed to go to school without a vaccine passport!

Within a span of less than 2 years, the Tech giants, Central Banks, Mega corporations, media, Hollywood, Soros, Bill Gates, Klaus Schwab and the Rothschilds along with the CCP, have been able to decimate the world economy and are aiming to utterly KILL America and eradicate Freedom from the face of the earth! If the torch of liberty is snuffed out in America, the world will enter a Kingdom of Hell on Earth, dystopian, Kafka-esque, 1984-like world that will enforce social credit scores, tracing and tracking of all citizens, centralized digital currency, climate change carbon taxes, and totalitarian governments ruling over the people as evil gods who make laws for you but will not follow any laws themselves.

Their Satanic Cult of power and pedophilia, sex-trafficking and infanticide will have utter control over every aspect of society. The most evil, vile and wicked psychopaths will rule with cruelty, despotism and the crushing of every freedom protected by the Constitution and given to us by Almighty God! It is a bitter reality that we can no longer ignore.

A United Federation of Constitutional States must begin the dialogue and discussion on the rampant abuse of power of DC and the steps that we must take to stop this every increasing tyranny. Texas and New Hampshire have already started the process of discussing secession from DC. Other states in the south are moving in such a direction given the criminal lawlessness and outright contempt for America by DC. As we are expanding the Freedom Festival to include Tennessee this year we are talking with thought leaders, Second Amendment advocates, politicians, constitutional historians and legal scholars about the need to help patriots explore the path that our founders walked and established for us. We must explore more deeply the 2nd Amendment and the Revolutionary period, as we are facing a time of worldwide Revolutions.

Controversial topics of State Secessions, alliances between Conservative states, and how to navigate the political landscape in a time of increasing tyranny, potential civil war and worldwide lockdowns must be brought to the surface. God is calling for a United Federation of Constitutional States to defend God's gift of liberty and to explore the most pressing issue of the day, namely how America can survive this most uncertain time.

Today's Freedom Festival is named the Rod of Iron Freedom Festival because in the bible, the Rod of Iron symbolizes God's reign over evil and dominion of the Earth. When we look at the story of Genesis and Adam and Eve in the Garden of Eden, God commands Adam and Eve (or humanity) to "be fruitful, multiply and have dominion [or subdue] the earth." We can see that God, the Creator of the entire universe, gave dominion and the blessing of dominion over the earth to his children Adam and Eve. The powerful Archangel Lucifer, who aided God in the creation of the world, was not given this inheritance. He was to be the servant of God's children and not the master. However, through the Fall of Eve and then Adam, God's children lost their dominion, their purity and their blessings. Lucifer reversed dominion and 1/3 of the angels followed him (Satan), leaving their proper position as servants and became the masters of humanity.

In the Book of Revelation, we see the final battle between good and evil. Believers in Christ are scorned, mocked, killed and beheaded as they are in Syria, Afghanistan and China as we speak. One world government rules over the world and there is great groaning and suffering in the land. However, in the word of God we see a hope and a promise. A promise that when Christ returns, he will return with a new name (Rev 3:12), and that he will give believers 2 accouterments that will be required in the last days.

The first accouterment is the crown, which symbolizes our sovereignty, our royal lineage and our inheritance that our Father in Heaven has promised—Psalm 2:8-9 states that "I shall give thee the nations for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel." Jesus states,

in Rev 3:11, therefore "hold fast to which thou hast, let no man take thy crown." The world may recognize the queen of England or the kings of Europe, Africa and Asia, but it does not realize that you and I, whom they deem to be peasants and slaves, are co-heirs with Christ, the King of Kings (Rom 8:17). We are the real kings and priests as our Father in Heaven is the Creator of all! If we claim OUR kingship and OUR royal lineage we are made to feel illegitimate, crazy and called members of a cult.

God gets to decide how his Kingdom will be ruled. As Rev. 2:26-7 states, "And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations and he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father." In Rev. 12:5 the bible states, "And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne." Again in Rev. 19:15 "And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God."

The rod of iron is the accouterment that Christ uses, demands and bestows upon the inheritors of His eternal Kingdom. As children of God, it is incumbent upon every man and woman, to embrace the shepherding rule of the Rod of Iron and to have a crown of royalty and a rod of iron, which is the modern day musket, the AR-15. When we think of the biblical God we may not think of arms and weapons. But Jehovah God himself in Genesis is the creator of the first weapon in the bible as He arms the cherubim to defend the east side of the Garden of Eden from fallen man and their new master Lucifer. In John chapter 2 we see that Jesus Christ, who is God in the flesh, is an assault weapons manufacture, as he "manufactures" the scourge (a nine-tailed whip with blades on the end) for the express purpose of "assaulting" the money changers in the temple. In Luke chapter 22 Jesus, God in the flesh, states to his disciples, "sell your cloak and buy a sword" (a military grade weapon which civilians could not own). This is the Jesus of the founding fathers and this is the Jesus that saved and secured America from tyranny

Only when the good citizens of the world, as co-heirs in God's Kingdom control the power of the rod of iron, will the cancer of criminality, tyrannical governments and dictators cease to flourish and be "broken into shivers." Could China, Europe, Australia do what they are doing if all their citizens had AR15s? Wolves fear the shepherd that carries the Rod of Iron. The simple act of owning a physical Rod of Iron puts fear into the predator class. But the sheep are comforted by its presence. As Psalm 23 states, "Though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."

When a good and free people with the Christian ethic of "Love God, Love thy neighbor," have the dominion of the use of force there is peace. When good, God-fearing people can exercise their right to keep and bear arms freely, evil cannot prevail. When the power of the Rod of Iron is in the hands of the right people and not monopolized by government, the people can flourish, prosper and protect one another, creating win-win enterprise and human flourishing. The kingdom of God is a Kingdom where the God of love, justice and mercy rules and shepherds the world with the reign of the Rod of Iron. This is not a tyrannical rule of Christ, as that would contradict the Word of God, which says that God is the same yesterday, today and forever.

The God of Adam and Eve gave humanity free will and respected their free will so much as to let them decide to hate and disobey God. God who was grieving, called his people to repent and to return to Him through the prophets of the Old Testament. God, so loved the world that he gave his only Begotten Son, Jesus Christ, "that whosoever believed on him would not perish and have eternal life" John 3:16. God so loves the world that when Christ's Kingdom comes, it will be ruled with him and his co-heirs with the rod of iron. In Matt 19 he says that "when the Son of man shall sit in the throne of his glory, YE ALSO shall sit upon twelve thrones, judging the twelve tribes of Israel."

In Rev 20:4,6 he says that the co-heirs with Christ will "live and RULE with Christ 1000 years." In Matt 25 he states that the sheep and the goats will be divided and that the sheep will be given authority. God's Eternal Kingdom will NOT be a socialist welfare state for believers. God's Kingdom will be a Kingdom of Kings/Queens that CO-RULE with Christ, have authority and responsibilities given to them by Christ and who will co-reign with Christ with the Rod of IRON.

By decentralizing the power of the Rod of Iron to all the citizens of the Kingdom of God, God vanquishes evil and smites them into shivers by the collective power that is entrusted to us as His royal and divine children and as his co-inheritors. In Matt 25 the Bible states, "And he shall set the sheep on his right hand, but the goats on the left. Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."

We implore the body of Christ and good citizens of this world to stop teaching the false doctrine of liberation theology where a socialist "Castro-esque" Jesus will rule as a dictatorial tyrant centralizing all power to Himself. God is not like the dictators of political Satanism and the false

monarchies of the past. The United Federation of Constitutional States must stand to defend God's gifts of liberty enshrined and protected by the Constitution. The true King of Heaven and Earth is calling us to be co-heirs and co-inheritors and to stand with him to defend life, liberty, love and goodness by realizing our royal lineage from the King of Kings, Lord of Lords, and to accept the Rod of Iron as the protective accouterment that will defend the Kingdom of God, His people, His culture and His civilization forever.

Jesus is not the effeminate, castrated Jesus that we usually learn of in Sunday School. He is the perfect man, God himself in the flesh that as a loyal son and soldier who gave his life for you and me and we ask that you make him the Lord of your life and be forever transformed!!! For the bible says that Jesus Christ, who is the faithful witness and the first begotten of the dead and the prince of the kings of the earth, has loved us and washed us from our sins by his own blood and hath made us **KINGS** and **Priests** unto God and to His Father, to him be glory and dominion forever Amen! Once again, we welcome you to the Rod of Iron Freedom Festival! God bless you and God bless America!!!

2021 ROI Freedom Festival, Day Two

October 10, 2021 Rev. Hyung Jin Sean Moon

Good morning patriots, supporters of the 2nd Amendment, responsible gun owners and believers made in the image of God, Jesus Christ, who is the way the truth and the life!!!

Welcome for the 2nd day here at the beautiful Kahr Arms property, for the Rod of Iron Freedom Festival! We are honored to have you all here and hope you are enjoying the incredible God-given gifts of FREEDOM that we here in America can still enjoy!!! We encourage you to visit the Korean War Memorial here to pay respect to all our fallen heroes who bled and died so that we can be free.

Again, I also want to acknowledge the planning committee and all our friends, sponsors, volunteers and their families who make this event possible. Also again, we are happy to be joined here, with other freedom fighters from around the world who are fighting in their respective countries for a Second Amendment that we enjoy and often take for granted here in the US. If the right to keep and bear arms is a natural right, like our framers stated, then it is a human right and all human beings should have that right of self-defense against tyranny.

Our church celebrates this day as a day of freedom as My father, the Rev. Sun Myung Moon, who our tradition honors as the returning Jesus, suffered and was imprisoned at Heungnam death camp for preaching the gospel under N. Korean Communism. He launched the world's largest faith-based, anti-communist churches in the world. He started major newspapers like The Washington Times, and Segye Ilbo in Korea to educate and warn the public of the dangers of Communism.

This awareness of the deadly nature of Communism did not simply arise out of a reactionary response to Communist oppression. It stemmed from his immense biblical knowledge and prayer life. He always taught his church that Communism was Satanism and that Satan was using what seemed to be a political ideology to spread the Kingdom of Satan over this world.

He exposed the fact that in Genesis chapter 3 Satan was the first sexual groomer and pedophile weaponizing sex to destroy Adam and Eve's future marriage. This Satanic strategy is exactly the same strategy that Satan employs through Communism on the national level. The Communist party under Mao in China funded the destruction of traditional marriage through bars and strip clubs. In Germany the Nazis created the first Homosexual rights organization and groomed all soldiers into abominable practices. In America the Communist forces funded "sexual liberation" to destroy the American Christian family, marriage and morals.

Through Communism Satan employs sexual liberation ideologies, homosexual agendas and immorality as the basis of collapsing marriage and pulling people away from a Holy God, reducing morality and virtue in the nation as a whole destroying the population's ability to discern between good and evil. If a nation's population becomes numb to evil, the evil will take over. If a nation falls into the lusts of the flesh, it will eventually end up preying on the children with sexual licentiousness and pedophilia, which is the root of Satan's religion.

There is a reason why the Satanic ideology of Marxism has created socialist and communist regimes all over the world that have had as their primary blackmailing apparatus, sex trafficking to entrap and control the political class and to make them obey. These types of centralized governments collectively have killed and murdered over 220 million of their own citizens in the 20th century alone. If you killed one person every minute, it would take you 418 years to kill 220 million people. The blood of those people is screaming for liberty and freedom cries out from the earth till this day and we must never, never forget the truth of Marxism/socialism/communism as political Satanism.

Another critical aspect of Communism is the abolition of private property. Why does Satan and his workers hate private property so much? Because Satan desires to abolish the vertical transmission of God's blessing of dominion from one generation to the next. In Genesis chapter 2, God blesses Adam and Eve saying, "Be fruitful and multiply and have dominion over the earth." A central pillar of the God of the Bible is that God desires to have man inherit the Creation. Satan

was opposed to God's desire and stole the inheritance of Adam and Eve (humanity) and became the ruler of the earth. Even many generations after the fall of man, God expresses the same desire of inheritance to his chosen providential figures.

In Gen 12:7 the Lord appeared to Abram and said, "To your offspring I will give this land." So he built there an altar to the Lord, who had appeared to him.

In Numbers 36:9 the bible says, "each of the tribes of the people of Israel shall hold on to its own inheritance."

In Psalm 2:8 God affirms his desire to bequeath creation to His people saying, "Ask of me and I will give thee the heathen nations for thy inheritance and the ends of the earth for thy possession and you shall rule them with the rod of iron and dash them to pieces like the potter's vessel."

Galatians 4:7 states to the believer, "you are no longer a slave, but a son, and if a son, then an heir through God."

God frees us from sin and Satan and we are no longer servants of the powers of this world, but sons and daughters of Almighty God where we become heirs to His Kingdom of Heaven ON EARTH through Christ.

Now Marx argued for abolition of private property in terms of the means of production. He argued that factories and industrialized businesses are built and sustained by the "usurper" or owner having full control of the means of production like the building, the machines, manufacturing lines etc. exploiting the work of the laborer and thus the government must be able to gain control over the factory, machines or means of production.

This is robbery, as the owner had to start the business at total risk to himself and family. The owner had to grow the business assuming total risk for failure. The owner had to grow it enough, in free interaction with customers, with no coercion, to create profits for reinvestments to buy better "means of productions" and so he owns those means of production.

Exodus 20:15 - You shall not steal.

Matthew 15:19,20 - Theft is one of many acts that come from the heart and defile a man.

1 Corinthians 6:9,10 - Thieves will not enter the kingdom of God.

Socialism takes the factory and "means of production" over by the force of Government and MUST DISARM THE POPULATION. In reality this means the government becomes a criminal agency of disarmament, theft and robbery. This immoral system fundamentally based on coercive theft is not of God but of Satan.

Communism, as political Satanism, also demands a Heavy Progressive or Graduated Income Tax. Communist churches quote "render unto Caesar what is unto Caesar and unto God what is God's." But Caesar means "king," and our Constitution makes "we the people" the King or Caesar of this land, which is in line with Scripture Rev. 1:5, where Christ makes us Kings and Priests unto God unto His Father,

So the government should render unto the people as the Caesar all that is ours, our freedom and 100% of what we produce!!!

What we charitably choose to do with that is up to us to freely choose, gov't cannot coerce charity. Income tax is enforced by coercion and ALWAYS and unequivocally leads to disarmament of the people. But governments cannot forcibly take from a person because the person is not created by Gov't, but by God. Thus, stealing from a person is stealing from the Maker who endowed that person with gifts to produce the fruits of his labor.

In Romans 13:1-2 the bible states, "Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation." Communist churches use this scripture to enslave their congregations to centralized government or the Anti-Christ Beast. But the bible states "let every soul be subject unto the higher powers", and in the US the higher powers are not government officials but the Constitution of the USA. So thus the bible commands that all be subject to the higher powers of the Constitution of the US and all government officials not submitting themselves to the Constitution are committing an act of sin as it states, "and they that resist shall receive to themselves damnation."

As political Satanism, Communism calls for Centralization of Credit in the Hands of the State, by Means of a National Bank with State Capital and an Exclusive Monopoly.

Luke 16:13 No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to one, and despise the other. You cannot serve God and mammon." Here Mammon means, "materialism and worldly gain."

Mayer Amschel Rothschild, International Banker, said "Permit me to issue and control the money of a nation, and I care not who makes its laws."

James Madison and Thomas Jefferson warned that "the greatest threat to be feared" was the "public curse" of "public debt", and that "banking establishments are more dangerous than standing armies."

Proverbs 22:7 The rich ruleth over the poor, and the borrower is servant to the lender.

Believers are to avoid debt as one becomes a slave to the lender and may have to compromise their ethics as a means of paying off the debt.

Once inside a host country, a Central Bank begins to take over the process of money regulation and lending. Having achieved this, corporations and governments are encouraged to take out large amounts of debt to stimulate industry. After many years of free access to money, corporate and governmental organizations have developed products, manufacturing, infrastructure, and housing and commercial centers within the nation with this influx of cash. At a predetermined time set by the banking elite, the Central bank begins to dry up credit by artificial means. This throws whole sectors into financial ruin causing layoffs, down-sizing, and bankruptcy of vital institutions within the nation. The Bankers can then use their vast wealth to buy up, consolidate and merge their own entities with that of the state further increasing their stranglehold on the nation. In this way countless 3rd world countries have been enslaved, and now with the global financial meltdown of the western nations the World Bank collective is bailing out and collapsing nation states as a means of forcing the entire world onto a centralized monetary system.

Deut 23: 19 warns against usury, or the charging of interest for the sake of exploitative profits which central banks employ to lend out fiat currency and collect on real collateral assets.

This system of Central Banking goes against God's desire for humanity to be sovereign owners of Creation and thus perpetuates an arrangement that fosters usury and centralization of real assets to the international shareholders of the central bank. Thus, it is founded on the sin of usury and debt enslavement of the population, which would represent the capturing of a populace under political Satanism.

Communism also Centralizes Media and Communications and creates an environment where the political class will be able to control the messaging that the population consumes. Communism implements "Free Education" for All Children in Public Schools, but really gives "free INDOCTRINATION." Centralized Education through government schools always leads to the justification of State coercion, power and theft. It forces an atheist ideology because belief in God and thus obedience to God would supersede obedience to the State. This has resulted in the youth being indoctrinated to scoff at God as mythology, to hate morality, and to hate meritocracy thus creating a culture of victimology and perpetual envy and entitlement against those who are more productive.

Government indoctrination shapes the landscape of people's minds and we see this today with the government control of the internet, resulting in censorship, banning of accounts and arrests (in some countries) for dissenting views against the infallibility of gov't. We see media being utilized to promote illegal, unscientific, and unconstitutional facemask muzzling and forced vaccination orders. This diminution of human sovereignty and increase in central governmental power displays the will of Satan, not God.

For the Word of God states in Galatians 5, "It is for freedom that Christ has set us free, stand firm and do not be entangled by a yoke of slavery."

Communism/Marxism/socialism is political Satanism. Like a plague, or cancer, it strengthens the power of centralized Government, (which in the words of George Washington is "force—a dangerous servant and a fearful master"), to create a culture where actual immorality, licentiousness, killing and profiteering off of government power thrives. Marxism, socialism, communism, creates an atheistic, Christian-hating culture, which seeks to destroy the hetero-nuclear family, weaken marriage bonds, promotes sexual immorality, promotes genocide of unborn babies and promotes robbery through taxation, pillaging and plundering through confiscating private property and the rabidly cruel disarmament of the population.

The totalitarians of the world cannot have the example of America, the most prosperous and powerful superpower in the world the foundations of which are the Judeo-Christian worldview. A flourishing America will continue to undermine their communist systems. This world cabal of elites are through the worldwide Covid lockdowns establishing international Communism. We as Americans must stand against this scourge of Evil. If not the Christian patriots and the gun owners and every responsible person then who? If the torch of liberty is snuffed out at this darkest hour, we will fade into oblivion and the world will enter into a Kingdom of Hell like existence under the rule of Satanic powers like the CCP, radical Islam, and atheistic Medical

tyranny.

God is calling America and the body of Christ to become his co-heirs (Rom 8:17) and kings and priests (rev. 1:5) and to accept the Rod of Iron (Rev 2:27) that is bestowed upon us to “rule the nations” and shepherd this country to shepherd all other countries to follow God and to defend His gifts of liberty at all costs. God is calling us to rise up and spread the gospel that protects freedom, liberty, and the right of self-defense with a morality rooted in God and Christ to the ends of the earth. Only when the world has the love of Christ, the ethics of Christ “to love God and love your neighbor,” and is responsibly armed can humanity finally keep government in its proper place—the servant and not the master.

We thank you and salute you all for your patriotism and love of God and all things good. Welcome to the 2nd day of the Rod of Iron Freedom Festival!!! God bless you and God bless America!!
