REBUKE Your Demons!

Then a demon-possessed man who was blind and mute was brought to him, and he healed him, so that the man spoke and saw. And all the people were amazed, and said, "Can this be the Son of David?" But when the Pharisees heard it, they said, "It is only by Beelzebul, the prince of demons, that this man casts out demons." Knowing their thoughts, he said to them, "Every kingdom divided against itself is laid waste, and no city or house divided against itself will stand. And if Satan casts out Satan, he is divided against himself. How then will his kingdom stand? And if I cast out demons by Beelzebul, by whom do your sons cast them out? Therefore they will be your judges. But if it is by the Spirit of God that I cast out demons, then the kingdom of God has come upon you. Or how can someone enter a strong man's house and plunder his goods, unless he first binds the strong man? Then indeed he may plunder his house. Matt 12:22-29

We are the champions and soldiers of God, and we are here to truly give ourselves to liberate the world, mankind, and God Himself.

SMM, The Way of God's Will

Hello,

Hyung Jin Nim started Sunday's service by urging us to keep on praying for President Donald Trump. He has been studying a book on Demons and Angels. In the Old Testament, there are many references to angels and demons in a celestial realm. Most Christians today have adopted modernist thinking that focuses on the measurable, visible world, but the ancients believed that different lands were under the dominion of angels, demons, etc.

Their view was akin to augmented reality. In the New Testament, there are numerous references to people who are demon-possessed by a spirit of tyranny and oppression. We should rebuke the demonic realm just like Jesus did.

The Atheist worldview allows people to do whatever they want. In a God-centered world we have to obey His commandments. God chooses His champions and protagonists without seeking our advice.

The next 300 days until the Midterm elections will determine the direction of the world, whether it's toward a new "reset" of tyranny or toward the liberty sought by America's founders.

Dr. Malone, Dr. McCullough and others are warning against the dangers of the Covid vaccines, but they are censored by Twitter, Youtube, Big Tech which benefits big pharmaceutical companies like Pfizer and Moderna. Many countries, including Germany, Austria, and Australia, have implemented lockdowns and vaccine mandates, ruling through intimidation and force. America is the last bastion of hope to resist. More variants to come will be used to justify more oppression.

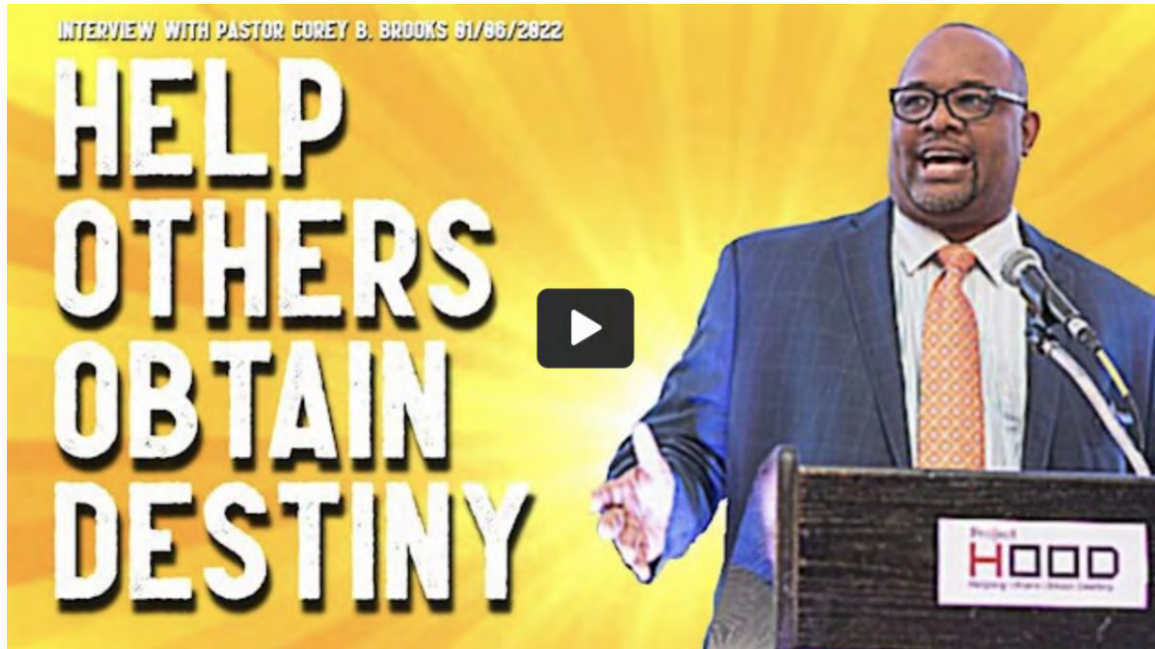

Freely giving love and beauty
To them from our Parents' heart
Spreading the word over the
world
Rescuing the family of God

A small inset image in the bottom right corner shows a man speaking at a podium. An American flag is visible in the background.

Holocaust survivor Elie Wiesel warned against being overly hopeful for a quick solution or rescue. He advocated "realistic hope," finding meaning in small steps and victories.

People who give themselves over to the authoritarian control of big governments aka socialism are influenced by demonic forces most have no awareness of. For those in charge, the attraction of political power is like cocaine addiction. That is why those who dissent must be vilified and portrayed as enemies or "domestic terrorists."

Jesus fought to liberate people from demons so that they could see, with blinders falling off their eyes. Even some liberals are waking up, seeing the need for ethics, police enforcement of laws and arrest of criminals, and a strong border. This is a spiritual battle. When we practice our Rod of Iron skills in the ROI Kingdom, the spiritual realm is standing with us. Hitting the intended target is a spiritual declaration.

True Father spoke about a time when we won't have to pray to God, because we will live with God each day. That is why he spoke about "reporting" to God, not "praying" to God.

It is not only a physical battle. It is a spiritual one. The angelic realm and our ancestors are standing with us. Rebuke the devils afflicting the nation and threatening our lives. Their plots will end in failure.

Behold God's Kingdom is at hand. Jesus warned the pharisees that they had blasphemed the Holy Spirit when they accused him of curing people through the power of devils.

Patriots are the strong man in the house, whom totalitarians want to tie up, so he cannot defend his home. There are millions now in Europe, Asia, etc. who are literally bound in their homes because of Covid lockdown rules.

It is for freedom to know the truth that Jesus set us free. We need to stand firm with God and be ready to risk our lives. That is why gunshots can be called the "sounds of freedom." The Rod of Iron is a gift to protect the freedom of God's Kingdom.

May God bless you and your families!

Sincerely,

Richard
