Transition to Kingship Authority

Now when they drew near to Jerusalem, to Bethpage and Bethany, at the Mount of Olives, Jesus sent two of his disciples and said to them, "Go into the village in front of you, and immediately as you enter it you will find a colt tied, on which no one has ever sat. Untie it and bring it. If anyone says to you, 'Why are you doing this?' say, 'The Lord has need of it and will send it back here immediately.'" And they went away and found a colt tied at a door outside in the street, and they untied it. And some of those standing there said to them, "What are you doing, untying the colt?" And they told them what Jesus had said, and they let them go. And they brought the colt to Jesus and threw their cloaks on it, and he sat on it. And many spread their cloaks on the road, and others spread leafy branches that they had cut from the fields. And those who went before and those who followed were shouting, "Hosanna! Blessed is he who comes in the name of the Lord! Blessed is the coming kingdom of our father David! Hosanna in the highest!"

And he entered Jerusalem and went into the temple. And when he had looked around at everything, as it was already late, he went out to Bethany with the twelve. Mark 11:1-11

One spiritualist wept profusely after praying about whether I was real or fake. He was crying so bitterly in spite of himself. He cried for a day, two days – every day. Why is that so? To know me, means to know the heart of weeping bitterly. Without this, you cannot know me. Who can know the circumstances in which I cry with sorrow, embracing the bitter historical pain of a thousand years when I hear someone saying something about my life? If I had not known God I would not have been slandered in that way. It was because of my "crime" of knowing God too well... How sad it is for God who can only place His trust in me? In twenty years I had to restore through indemnity the history that was entangled for two thousand years. SMM, CSG Book 6: Our Life and the Spiritual Realm, p. 978

Hello,

Because of technical difficulties in the broadcast from Tennessee, we listened to Hyung Jin Nim's sermon from 2/13/22. In that message, he urged us to pray for Frank Scavo who entered federal prison for protesting the stolen 2020 election at the U.S. Capitol. If our elections are not legitimate and millions of migrants flooding across the Southern border, then we must speak out before our nation is destroyed. There are several videos of [FBI provocateurs like Ray Epps](#) inciting the destruction of the U.S. Capitol fences and urging people to enter. Tucker Carlson at Fox News did a 3 part series about the January 6 exposing government manipulation.

We have to do our 5%, but only God can solve the Deep State takeover of America and the world. Meanwhile we have to develop strong communities centered on God.

Jesus explained there is a difference between earthly kings and God, the King of the Universe. Spiritual warfare is ongoing, so we have to be guided by the Holy Spirit. God will guide the human race in a decentralized way.

The more the government acts to stop the patriots, imprison, or kill them, the more the people will wake up. The freedom we enjoy was gained through the willingness of the colonial revolutionaries to fight and

die.

Communists always talk about protecting the workers, but when the truckers who are laborers came to Ottawa, they were slandered and arrested.

Starting in the 1990s the [Young Leaders program of the WEF trained Bill Gates, Andrea Merkel, Justin Trudeau, Macron](#) and many in their cabinets.

A cornerstone of Christian values is the distinction between the earthly kingdoms and God's Kingdom. Our responsibility to follow God's will, the truth, not just earthly rulers. We don't live for government, we live for God. When we are obedient to Him, we come into His royal priesthood, lineage and family.

Christianity protects individual sovereignty. We are not just animals to be jabbed with unknown, untested substances by the order of bureaucrats. We are made in the image of God. Our bodies are the temples of God.

The state police model from Europe the head of the police force is selected by the political leader, not the local people. In the sheriff model in the U.S. the sheriff is elected and therefore accountable to the community.

Mark 11 describes Jesus' entering Jerusalem on a "royal procession," in reality on a humble, dirty donkey and went into the temple. He had no Hollywood glamour or bling-bling, no white horse, but his identity was given to him by his Father. He had royalty was not based on poll numbers or popularity.

True Father anointed Hyung Jin Nim in 2009. He didn't seek or even want it, but when the Han mother rebelled against Father's will and stole the inheritance, Hyung Jin Nim had to make a choice, to follow what was promoted by church leaders or to follow True Father and God.

Hak Ja Han predicted the advent of worldwide peace, but her prophecy was proved to be false. Hyung Jin Nim predicted a worldwide tribulation which we are seeing in front of our eyes.

The whole world is being asked a question – who owns you? Governments say, "the State owns you. You'd better do what we say, even if what we mandate changes from day to day."

Buddhism, Confucianism, Hinduism do not have a worldview that promote human rights. Christianity alone declares that all humans have inherent, equal value. The Satanists hate that Christians are emerging from a servant mentality to a Kingship authority.

May God bless you and your families!

Sincerely,

Richard
