*"But you trusted in your beauty and played the whore because of your renown and lavished your whorings on any passerby; your beauty became his. You took some of your garments and made for yourself colorful shrines, and on them played the whore. The like has never been, nor ever shall be. You also took your beautiful jewels of my gold and of my silver, which I had given you, and made for yourself images of men, and with them played the whore. And you took your embroidered garments to cover them, and set my oil and my incense before them. Also my bread that I gave you -- I fed you with fine flour and oil and honey -- you set before them for a pleasing aroma; and so it was, declares the Lord God. And you took your sons and your daughters, whom you had borne to me, and these you sacrificed to them to be devoured. Were your whorings so small a matter that you slaughtered my children and delivered them up as an offering by fire to them? And in all your abominations and your whorings you did not remember the days of your youth, when you were naked and bare, wallowing in your blood. Ezekiel 16:15-22*

*In such conditions, I meditated. I questioned myself if I could love God more than my physical desire for a piece of bread in this environment. I kept asking this question to myself. As a result, I decided to give a half of my daily ration to others in this environment. For three weeks, I shared a half of my meals with other prisoners. They were in shock. Why did I give a half of my food to them? I needed to teach them the fact that if they can eat even a half of the food ration, they could sustain their life. Therefore, I always felt that half of the food was given to me as a ration, and the other half was a blessing given by Heaven every day. Because it was grace, I ate with gratitude. With my gratitude for this half of the food, I could forget and let go of every hardship and suffering I faced. As proof, I always maintained my weight of 159 pounds in the prison. Man should not be influenced to the left and to the right by food.*

*On top of this, I volunteered to do the most difficult tasks among all tasks that were assigned to prisoners. I determined, saying to myself, "I will do the task that everyone in this prison hates the most." I thought if I refused and retreated from it, Heaven's suffering would begin. With this stance, I took responsibility for the task without stopping. Since I worked like this, I received the award there. Even today, I think that it was the best time of my life, because I could attend God, and always lived by His principles under the most miserable of situations. Hello,

During the announcements, Assistant Pastor Kyle Toffey explained that the Blessing is to coronate the couple as King/Queen and Priest/Evangelist. Tim Elder spoke about the Ancestor Liberation and Blessing

that will take place on May 30, which is the 60th Day of True All Things and 68th Anniversary of HSA-UWC.

Bob Bierle, the publisher of the NE PA "Our Town" magazine, who is running for a seat in the Pennsylvania House of Representatives, spoke about his and his wife Dorothy's motivation for serving. We had an election stolen in 2020. Where were the Republican officials and representatives in standing up against this fraud?

In his broadcast from Tennessee, Hyung Jin Nim said that Bob Bierle has been a true patriot. He read a passage from Ezekiel 16 which describes how Israel had fallen into whoredom, sacrificing their children to false gods like in Babylon.

Then Hyung Jin Nim explained about the Babylonian culture of sending young girls to be temple prostitutes.

American culture has become similar in many ways. We should be investing in our children, but many see children as only burdens. Now we teach children they can choose to be boys or girls. Women swimmers have to compete with biological males who identify as female.

Elites love the Babylonian values. For instance in Maryland, [a bill has been submitted to make it legal to kill a child up to 28 days AFTER birth.](#)

It was True Father who anointed Hyung Jin Nim, not himself. Father knew that Hyung Jin Nim and Kook Jin Nim would stand up for him. A father who can stand up is required to protect his wife and children. That is a key reason True Father denounced feminism and directed that billions be spent to oppose Communism through *The Washington Times* and other newspapers, VOC education and conferences, etc.

For 6 months Hyung Jin Nim begged his mother not to change Father's words, and to honor her husband, instead of calling herself God.

Jesus taught us to take up our cross and follow him. It's hard some times. Not one female in the True Family stood up against Hak Ja Han's agenda. As men of integrity, he and Kook Jin Nim had to stand up.

At the time of True Father's passing, everything was prepared for the victorious union of the Korean political, cultural and business leadership with True Parents. With one phone call the two brothers could call the Speaker of the House or the editor of the Korean *Wall Street Journal*.

Since then, Hak Ja Han gave awards to Ban Ki-Moon the pro-abortion former leftist Secretary General of the United Nations. Chung Pyung was supposed to be the new Geneva where freedom loving leaders could come as part of the "Abel UN." We pray every day for Hak Ja Han to repent.

Everyone on the planet has the right to self-defense. That is why we have shooting ranges for all to come and practice. The majority of our community is more prepared than most for the difficult times ahead.

We must have hope, but also a realistic strategy. [In the Hungnam prison camp](#), where prisoners were worked to death carrying bags of nitrogen fertilizer, True Father chose to sleep in the most humble place, next to the toilet. His crime was preaching the Word of God. Father divided the meager food ration he was given to eat in half and gave one half to other prisoners. When the UN forces under General MacArthur [bombed the fertilizer camp next to the prison camp](#) he told his

disciples to stay within 5 meters of him so they survived. He and others were able to escape.

In China they are already controlling people with social credit scores and disappearing people. In the "Free World," the goal is to have young people addicted to the metaverse, and to video games and porn. As in the Fall, the intent is to corrupt the youth.

That's why we need to get our children in the outdoors, teach them shooting and hunting skills. A husband who follows Christ must be the leader, King and priest in the home. Kingdom women are beautiful, powerful and dangerous. Such families give nightmares to the architects of the Deep State.

Show and pass on a culture of gratitude. Spend one on one time. Each tree must be watered individually. Teach them to resist the devil and he will flee.

Pray for the patriots to stand strong and invest in their children, to train and pray together. We must protect the rights given to us by God. Love God, who gives us freedom, and our neighbor.

May God bless you and your families!

Sincerely,

Richard
