Embracing TRAGEDY and True SALVATION

Now when they saw the boldness of Peter and John, and perceived that they were uneducated, common men, they were astonished. And they recognized that they had been with Jesus. But seeing the man who was healed standing beside them, they had nothing to say in opposition. But when they had commanded them to leave the council, they conferred with one another, saying, "What shall we do with these men? For that a notable sign has been performed through them is evident to all the inhabitants of Jerusalem, and we cannot deny it. But in order that it may spread no further among the people, let us warn them to speak no more to anyone in this name." So they called them and charged them not to speak or teach at all in the name of Jesus. But Peter and John

answered them, "Whether it is right in the sight of God to listen to you rather than to God, you must judge, for we cannot but speak of what we have seen and heard." Acts 4:13-20

I have no time to pay attention to persecution and I am not bothered by it. I pay as much attention to it as I would to a neighbor's fly coming into my house. Eternal righteousness is on our side. SMM, The Age of Judgment and Ourselves, 11-21-76

Hello,

In Sunday's Sanctuary Service, we watched Hyung Jin Nim's recorded message from South Korea. He started by reading Acts 4. The religious authorities warned Peter and the other Christians to keep silent about Jesus, but they could not remain silent and spoke out boldly.

That is what we are seeing here in Korea, amazing acts of the Holy Spirit. Even though the Family Fed warns brothers and sisters not to attend, many are coming. Why? Because they know that no one came to the Unification Movement because of the Only Begotten Daughter teaching.

Studies show that women have higher rates of anxiety/neuroticism and agreeableness. The neuroticism of women is useful in taking care of babies and young children who can easily die due to infections, etc. Also, from a spiritual point of view, if the anxiousness is centered on Christ, instead of being anxious about their problems they can focus *on what God wants*. Christianity grew to a great extent due to the efforts and heartistic nature of women, unlocking their power as the "brides of Christ."

The Han mother says that Father failed and that he has a "tag on his tail," but we need to understand from a providential perspective. Father came to establish God's lineage. The world's population has grown to more than 6 billion, with half of those as women. Through the painful 6 Mary's providence Father

established the condition to restore all women as brides of Christ.

God is the owner of humanity. Our wives are not our own property, but given to us as brides of Christ to love, protect, guide as kings and priests. Father had to carry the cross of these relationships.

He spoke about the importance of spousal "date training," even among elders. For some couples they started this the first time at 70 or 80 years old. We must invest in these relationships.

In the 4th city of the tour, more than 250 came up for prayer after the sermon. One was a retired combat instructor and police detective who initially did not want to even come to the event, but reluctantly did so. He was captivated by the message. He tried to resist the Holy Ghost, but was "slain in the spirit" as well.

Others were weeping and wailing. Another woman was shaking with the "holy fire." She said that 2 weeks before she had been criticizing Hyung Jin Nim as an unfilial child, but after hearing him speak completely changed her viewpoint.

Now Hak Ja Han has ordered the Divine Principle to be rewritten. She and the Family Fed pretend to be victims while suing True Father's anointed heir. It is significant that just 2 days before the True Parent's holy day in April, we saw the victory of the federal judge dismissing the Family Fed lawsuit. We have received so many phone calls from FFWPU brothers and sisters asking questions.

I wear this bullet crown, which I know is very controversial, because it represents defense of God's Kingdom, defense of our communities and blessed families. It represents the defense of the sovereignty which is with God's people and their God-given rights.

I did not choose myself as True Father's heir. In 2010 True Father, with the Han mother at his side, wrote in his decree that anyone else claiming that position would be a heretic and destroyer. Who knew that the Han mother herself would claim what was not hers? You cannot start a new civilization based on robbery. The heretic and destroyer and her team are collapsing.

The foundation of Western civilization is based on the incredible tragedy of Jesus' death and resurrection. He was the "best" good person killed for crimes he did not commit by the very people who were supposed to receive him.

As Jordan Peterson says, we will all be exposed to suffering in this world. We will get attacked for doing something important. We will be attacked by external and internal "serpents." But it is through embracing

the tragedy we find salvation. By running towards suffering, as Jesus taught, is where we overcome our demons and discover God and our true selves.

Thank you for all you are doing to spread the Gospel of the perfection stage True Parents and to empower people to become blessed Rod of Iron kings/queens, priests and evangelists.

May God bless you and your families!

Richard
