Hyung Jin Nim on Shinzo Abe, Japan Tour

After this I saw another angel coming down from heaven, having great authority, and the earth was made bright with his glory. And he called out with a mighty voice, "Fallen, fallen is Babylon the great! She has become a dwelling place for demons, a haunt for every unclean spirit, a haunt for every unclean bird, a haunt for every unclean and detestable beast. For all nations have drunk the wine of the passion of her sexual immorality, and the kings of the earth have committed immorality with her, and the merchants of the earth have grown rich from the power of her luxurious living." Then I heard another voice from heaven saying, "Come out of her, my people, lest you take part in her sins, lest you share in her plagues; for her sins are heaped high as heaven, and God has remembered her iniquities. Pay her back as she herself has paid back others, and repay her double for her deeds; mix a double portion for her in the cup she mixed. As she glorified herself and lived in luxury, so give her a like measure of torment and mourning, since in her heart she says, 'I sit as a queen, I am no widow, and mourning I shall never see.' For this reason her plagues will come in a single day, death and mourning and famine, and she will be burned up with fire; for mighty is the Lord God who has judged her." Revelation 18:1-8

It is far more dramatic and beautiful to God to bring yourself down to the humble way of life, having done nothing more but truly give for the sake of the world and humanity. The more you suffer for the highest position, the greater will be your honor and the greater will be the divine purpose you accomplish. SMM, Our Pride, 6-5-77

Hello,

At the beginning of Sunday's service, Gregg Noll spoke about importance of the 2nd King's Asian tour which is cracking open the fallen empire and also the creation of Cheongpyeong in Tennessee as a healing and training center. We also need for support of the Rod of Iron Freedom Festival coming up in October.

We then watched a recorded message from Hyung Jin Nim in Korea. He started by reading from Revelation 18 which describes the downfall of the queen of Babylon.

For nearly 10 years we were cursed and ostracized for not being "obedient" to Han Mother. But we as her sons love her and warned that she was going down a dark path by lifting herself up at Father's expense. He and Yeonah Nim were in the wilderness in Pennsylvania without the support of any of his brothers and sisters except for Kook Jin Nim. But we felt God's love and grace. God sent faithful brothers and

sisters to pray with us. We had no foundation, but we had the truth.

The Family Fed sued Sanctuary Church to stop us from using the Tongil mark, but the federal court suddenly ruled in April that FFWPU had no right to stop us from using that.

The morning after his arrival in Japan there he was doing his normal morning exercises. On his 40th push-up a muscle was torn in his back. He thought to himself that Father took away his strength, so that God would get the glory. At the Tokyo event, 7 FFWPU staff members tried to disrupt his talk by shouting. They chose money, power and status. We don't want them to go to hell.

Kook Jin Nim also spoke in Tokyo. He was there because of the victory in regaining control of SAEILO. He spoke about the oneness of Jesus and True Father, who was victorious in establishing the victory of love. The mother should uplift the lineage of the Father. When the younger and older brothers uplift the will of their Father, not their own, then the providence is fulfilled. This is the beginning of God's family and His continued presence on earth.

The Father is victorious when we love the Father more than ourselves. True Mother Kang filled the seat when the Han mother could not. She gave up her status and her position to do one thing- love the Father. The only way to love the Father is to love his son! The Lord at the Second Coming has fulfilled the purpose of creation and will now bring the Kingdom of God on earth. Because of the Han mother's failure it comes through judgment, as we can see all over world. Women are victorious in love when they lose themselves in uplifting their children.

Next, Hyung Jin Nim traveled Kyushu. He was given a delicacy of horsemeat that did not affect others, but led to a gastric infection and chronic diarrhea.

In Kyushu, 130 paid FFWPU staff showed up. Different Family Fed groups stood up every 15 minutes cursing him and kept on shouting when they were escorted outside of the meeting room. He told them, "you are not fighting against me, you are fighting against True Father." Afterward the Japanese headquarters sent a memo for no one to go because many were affected by his message.

In Tokyo one sister was hit by the holy ghost. She said that she felt paralyzed and could not move for hours. Her family even called an ambulance. She later reported that during her "paralysis" she saw Jesus and True Father!

At the Osaka rally, just a few FFWPU members who were wearing masks showed up. There was also a young Christian pastor who came. He saw the Holy Spirit during the healing and prayer time. He gave a \$400 donation and said "I want to work with you guys."

In Nagoya, he was bedridden from the gastric infection. He went to speak at the event anyway. It was a powerful healing service with many wailing and crying in repentance. One of the core FFWPU staff who attended repented and came back to True Father's authority.

On July 8, there were media reports that the former Prime Minister of Japan, Shinzo Abe, the courageous "Trump of Asia" who stood against Communism, was assassinated by a crazy man from a "minor religious organization." On July 9 as he was going to the airport it was reported that it was a Jacob child who had wanted to kill a Family Fed leader but couldn't get close enough, so he chose to attack Mr Abe instead.

Some FFWPU and Global Peace Foundation members were accusing Sanctuary Church because of our support for 2nd Amendment and self-defense. He decided to remain silent and wait for the facts. They were even making memes showing the shooter next to a photo of a young man at one of the healing services, saying that he had attended the Sanctuary meeting. It didn't matter that the man in the photo was a college student 20 years younger than the shooter. Later it was confirmed that his mother was a Family Fed member who had donated a large amount to FFWPU, causing her family to go bankrupt. It seems that the Japanese government is now investigating the finances of the FFWPU.

For several years critics have mocked Hyung Jin Nim's prophecies about the coming tribulation. But we have all seen that during the past 2 years the Covid 19 pandemic and lockdowns affected the entire world leading to the deaths of millions and massive poverty in many nations. And now there is a war between Russia and the Ukraine that has caused widespread destruction and suffering, while involving America and most of Europe.

None of Hak Ja Han's prophecies about world peace came true. The Unification Movement is now being judged. We should not view this in a humanistic way.

Revelation 19 talks of God's judgment as follows: "true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth." If God does not judge evil then it would violate his being a just God. Do you know how patient True Father has been? We should rejoice that God's judgment has come. We still pray that Hak Ja Han will repent for betraying True Father before she goes to the spirit world.

May God bless you and your families!

Sincerely,

Richard
