#### Hak Ja Han's Beliefs as Revealed Under Oath

Richard A. Panzer August 2, 2022 World Peace and Unification Sanctuary - USA

#### You are not fighting me, you're fighting Father!

"Hear another parable. There was a master of a house who planted a vineyard and put a fence around it and dug a winepress in it and built a tower and leased it to tenants, and went into another country. When the season for fruit drew near, he sent his servants to the tenants to get his fruit. And the tenants took his servants and beat one, killed another, and stoned another. Again he sent other servants, more than the first. And they did the same to them. Finally he sent his son to them, saying, "They will respect my son." But when the tenants saw the son, they said to themselves, "This is the heir. Come, let us kill him and have his inheritance.' And they took him and threw him out of the vineyard and killed him. When therefore the owner of the vineyard comes, what will he do to those tenants?" They said to him, "He will put those wretches to a miserable death and let out the vineyard to other tenants who will give him the fruits in their seasons."

Jesus said to them, "Have you never read in the Scriptures: "The stone that the builders rejected has become the cornerstone; this was the Lord's doing, and it is marvelous in our eyes'? Therefore I tell you, the kingdom of God will be taken away from you and given to a people producing its fruits. And the one who falls on this stone will be broken to pieces; and when it falls on anyone, it will crush him." When the chief priests and the Pharisees heard his parables, they perceived that he was speaking about them. And although they were seeking to arrest him, they feared the crowds, because they held him to be a prophet. Matt 21:33-47

No matter how difficult it seems, when you are absolutely centered upon God and humanity nothing can block you. Any opponent will be shattered in any confrontation. I know this through my own experience. SMM, God's Will and Christmas 12/25/76

Hello,

It's so incredible to be back in America. Traveling to other countries can make us realize how many freedoms we have here, that we take for granted! We are sitting on the precipice of the death of our Republic. Since we have eternal life in Christ we are not only focused on current events, but we also need to be aware.

In the Korea tour in June, the Family Fed and the Kwak group were mostly quiet, just watching what we were doing. They forget that I did not choose to be True Father's heir. It was Father's choice. The wealth and power meant nothing to me compared to the love between the Father and the son. That is the critical relationship which is the foundation for the Kingdom. The last service lasted 8.5 hours. Such a powerful spirit that day, so much joy and peace!

During the more recent Japan tour, it was different. There were Family Fed teams that took turns disrupting the service and filming the "violence." Hyung Jin Nim asked them, "why are you so scared that I have come to speak here in Japan? We have no wealth and no power." They are afraid people would be able to see for themselves what the Han mother has been doing. The owl statues placed at the entrance to the Chung Pyung grounds in Korea represent worship of knowledge. Satan promises you secret knowledge to give you power to control others. They also represent Moloch, the pagan god who demanded child sacrifice. Not a very good choice!

But let us also reflect on what we can be grateful for! Through the work of our Father in Heaven, freedom-loving leaders like former White House advisor Sebastian Gorka are coming to speak at the Rod of Iron Freedom Festival.

#### **Unification Sanctuary Service 7/31/2022**

At the 2nd event in Japan, 150 Family Fed disruptors came. After 15 minutes they stood up and started shouting. Hyung Jin Nim asked, "why are you following the Han mother, who is commanding you to worship her? You are not fighting me, you're fighting Father!" After that event, they warned FFWPU members not to go to the third event in Osaka. They warned that young people especially may be confused (by hearing the truth). They did, however, send a few staff members to see who did choose to come.

Like in Jesus' parable of the tenants in Matthew 21, they are there to kill the son.

In the 4th event, a Christian pastor came and was moved to give a \$400 donation. One of the FFWPU staff said, "I'm coming back to True Father's authority." At the next event, 6 from the Family Fed came back to TF's authority. When asked why, they said, "I felt True Father's presence."

Then the Abe assassination took place. When you leave God's will and protection, you are going out to demon territory and you will be destroyed. Some tried to accuse Sanctuary Church, but there was no evidence the shooter had any connection to Sanctuary. The Japanese media showed that the shooter did a drive-by shooting at the Nara Family Fed church the night before his attack on PM Shinzo Abe.

There were some threats against Sanctuary Church. In Japan you are completely defenseless, since you are not able to own a firearm. Even the leftist media reported that Hyung Jin Nim was crowned by True Father, and also that he has no control over the resources that Father developed during his lifetime.

Now the "hammer of judgment" is falling on the FFWPU with many government investigations. In Revelation 19 it states that "righteous and true are his judgments."

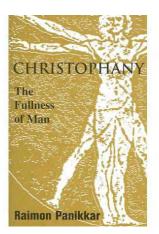

Hyung Jin Nim warned them for 7 years that a worldwide judgment was coming. At the time, it seemed that everything was fine. But Hyung Jin Nim knew that if Divine Principle is true and True Father is who he says he is, there would be a severe judgment for such a grand failure in the central providential family.

Hak Ja Han just had to honor True Father's will and supported the sons anointed by him. But now we see a war in Europe, and a potential war in East Asia, with the alliance of nuclear-armed Russia and China against the USA. Not a very peaceful world situation...

Hyung Jin Nim had to take 5 imodium treatments for diarrhea. Since he was less than an hour from where Shinzo Abe was murdered, was his sickness a protection from potential assassination as well?

He, Yeonah Nim and others from America were urged to leave Japan, but he refused.

Then Hyung Jin Nim spoke about "Christophany" in the Bible. The <u>etymology</u> is from the Greek <u>Χριστός</u> (*Christos*) and the ending "-phany", coming from the Greek verb φαίνειν *phainein* "bring to light, cause to appear, show."

Certain early Christian writers identified the <u>Angel of the Lord</u> as a pre-incarnate Christ. For example, <u>Justin the Martyr</u> claimed that the Angel was the Logos. He writes that "He who is called God and appeared to the patriarchs is called both Angel and Lord ...The word of God, therefore, recorded by Moses, when referring to Jacob the grandson of Abraham, speaks thus" and that "neither Abraham, nor Isaac, nor Jacob, nor any other man saw the Father ... but saw Him who was according to His will His Son, being God, and the Angel because He ministered to His will". <u>Irenaeus</u> also held to this view; he wrote that "when the Son speaks to Moses, He says, 'I have come down to deliver this people'."

Towards the end of his life, True Father explained that he as the returning Christ comes from the God of Night and that the rest of humanity comes from the God of Day. So it seems that, at the end of his life, Father revealed a higher Christology. Hyung Jin Nim read the scripture in Philippians 2:5-6: *Have this mind among yourselves, which is yours in Christ Jesus, who, though he was in the form of God, did not count equality with God a thing to be grasped.* 

The Korean word for "form" is "ponche." We know from the Original Substance of the Divine Principle that "ponche" means the lineage and the seed of God. When Christ returns he establishes his kingship, based on his own lineage and the Constitution of Freedom and Responsibility.

Prepare for a time of hardship. Don't be a burden on others. Be an asset to the Kingdom. In your neighborhood you should be the King and Queen of love. Be a blessing to others, not a liability. When things go south, you will be the judge. Base that on people's actions, not just a humanistic perspective.

#### Hak Ja Han's Beliefs as Revealed UNDER OATH

#### by Jim Stephens

These points are revealed in her deposition **under oath** in the Family Federation lawsuit against Sanctuary Church regarding the Tongil mark (12 gates symbol).

#### 1. She has always had more authority in the church than True Father.

This is the most shocking of her statements to me, being in the church almost 49 years. She states that she has always had more authority than True Father and that he should never have done anything without her approval.

Even though she was there four times when True Father crowned Hyung Jin Sean Moon as his successor, she claims she never approved, so therefore the coronation is not valid. (Page 126, Lines 10-21, Page 127, Lines 5-15)

#### 2. There is no successor.

(1.) Even though Rev. Moon spoke for years about God wanting to create love, life, and lineage, and (2.) even though the Principle of Creation asserts God wanted to create His Lineage on earth, and even though (3.) Rev. Moon crowned Sean Moon as his successor on at least four occasions, still Hak Ja Han testifies under oath numerous times that there is "no successor." (Page 130, Line 25 and Page 131, Lines 1-13. Page 139, Lines 6-11. Page 149, Lines 20-25 and Page 150, Lines 1-10) She states in several parts of her testimony that there are no successors to True Parents, and Sean is not a successor to Rev. Moon. (Page 114, Lines 7-15)

#### 3. She and Jesus are the True Parents.

She identifies "True Parents" as the Only Begotten Daughter (herself) and the Only Begotten Son (Jesus). She leaves out True Father, Sun Myung Moon. (Page 17, Lines 10-20)

#### 4. True Father had Original Sin which she removed.

She states that Sun Myung Moon was born with Original Sin which needed to be removed. He could not have become the True Parent on his own. He had to meet her. When Sun Myung Moon met Jesus at 16, he was given a path of suffering and indemnity to qualify as the only begotten son so he could meet Hak Ja Han. After meeting her, Rev. Moon could ascend to the position of Only Begotten Son. (Page 98, Lines 21-25, Page 99, Lines 19. Page 100, Lines 22-25. Page 101, Lines 11-21, Page 102, Llines 1-8)

**5.** She believes she was born knowing the Divine Principle. She knew it from birth and did not have to go through a learning and growth period. She did not have to make any effort or sacrifice to gain this knowledge. Her course is contrary to Jesus and True Father's courses (and the Principle of Growth in Divine Principle). She says True Father had to suffer a great deal in order to meet her. She says he never educated her. (Page 105, Lines 9-25, Page 106, Lines 1-25, Page 107, Lines 1-2) True Father's mission was to find the word and write it down so he could qualify to meet her. (Page 109, Lines 11-22)

# **6.** She states under oath that True Father did not complete his mission on earth. (Page 109, Lines 9-14)

These points are revealed in her deposition under oath in the Family Federation lawsuit against Sanctuary Church regarding the Tongil mark (12 gates symbol).

1. She has always had more authority in the church than True Father.

This is the most shocking of her statements to me, being in the church almost 49 years. She states that she has always had more authority than True Father and that he should never have done anything without her approval.

Even though she was there four times when True Father crowned Hyung Jin Sean Moon as his successor, she claims she never approved, so therefore the coronation is not valid. (Page 126, Lines 10-21, Page 127, Lines 5-15)

2. There is no successor.

(1.) Even though Rev. Moon spoke for years about God wanting to create love, life, and lineage, and (2.) even though the Principle of Creation asserts God wanted to create His Lineage on earth, and even though (3.) Rev. Moon crowned Sean Moon as his successor on at least four occasions, still Hak Ja Han testifies under oath numerous times that there is "no successor." (Page 130, Line 25 and Page 131, Lines 1-13. Page 139, Lines 6-11. Page 149, Lines 20-25 and Page 150, Lines 1-10)

She states in several parts of her testimony that there are no successors to True Parents, and Sean is not a successor to Rev. Moon. (Page 114, Lines 7-15)

3. She and Jesus are the True Parents.

She identifies "True Parents" as the Only Begotten Daughter (herself) and the Only Begotten Son (Jesus). She leaves out True Father, Sun Myung Moon. (Page 17, Lines 10-20)

4. She is the sinless Only Begotten Daughter/Messiah.

She names herself the Only Begotten Daughter, the counterpart to the Only Begotten Son, Jesus. (Page 19, Line 25 and Page 20, Lines 1-3)

5. She was co-founder of the HSAUWC.

She claims the Unification Church was founded in 1960 by True Parents, as opposed to the establishment date of 1954 by True Father and his followers (when she was 11 years old). (Page 22, Lines 17-23. Page 23, Lines 12-17)

She says Sun Myung Moon may have started the Unification Church and was leading it prior to 1960 and he continued to do so until his death. However, the Unification Church did not really have "Founders" until she came. (Page 38, Lines 10-23. Page 39, Lines 5-25, Page 40, Line 1)

She first met True Father when she was about 11 years old. And she acknowledges that True Father was in control of the church. (Page 35, Lines 17-25 and Page 36, Lines 1-13. Page 40, Lines 2-17)

6. True Father had Original Sin which she removed.

She states that Sun Myung Moon was born with Original Sin which needed to be removed. He could not have become the True Parent on his own. He had to meet her. When Sun Myung Moon met Jesus at 16, he was given a path of suffering and indemnity to qualify as the only begotten son so he could meet Hak Ja Han. After meeting her, Rev. Moon could ascend to the position of Only Begotten Son. (Page 98, Lines 21-25, Page 99, Lines 19. Page 100, Lines 22-25. Page 101, Lines 11-21, Page 102, Llines 1-8)

7. True Father could only marry her to succeed in his mission.

Sun Myung Moon could only gain the position of the Only Begotten Son and True Parent by marrying her in 1960. (Page 19, Lines 4-23)

8. Sun Myung Moon could not fulfill his mission if he had married anyone else but Hak Ja Han. Restoration could only come through her. (Page 49, Lines 15-25)

9. She believes she was born knowing the Divine Principle. She knew it from birth and did not have to go through a learning and growth period. She did not have to make any effort or sacrifice to gain this knowledge. Her course is contrary to Jesus and True Father's courses (and the Principle of Growth in Divine Principle). She says True Father had to suffer a great deal in order to meet her. She says he never educated her. (Page 105, Lines 9-25, Page 106, Lines 1-25, Page 107, Lines 1-2) True Father's mission was to find the word and write it down so he could qualify to meet her. (Page 109, Lines 11-22)

10. She states under oath that True Father did not complete his mission on earth. (Page 109, Lines 9-14)

11. She is equal to Sun Myung Moon "in every respect." (But she actually thinks she has higher authority than he does as seen elsewhere in her testimony.) (Page 113, Lines 10-13)

12. True Father crowning Hyung Jin Nim was not a true crowning. Even though True Father publicly crowned Sean Moon as his heir and representative while she was standing right next to him, she denies that is what he was doing. It was not really what Rev. Moon was proclaiming it was. She claims True Father's proclamation was not valid because it did not have her signature. (Page 115, Lines 1-25, Page 116, Line 1 and then Line 25, Page 117, Lines 1-2. Page 118, Lines 3-8)

13. Her opinion of Hyung Jin Moon was that he was "not adequate" ("immature") and he needed to "grow and learn." True Father had said that Sean Moon had the greatest faith of any Unificationist. He had also said that it didn't matter whether he appointed a handicapped child, that person would still be the heir and successor. It was totally his decision. That also discounts that True Father had placed Hyung Jin Nim in charge of every department in the Korean and International Churches. (Page 59, Lines 3-25, Page 60, Lines 1-9)

14. There cannot be a successor to True Father. She says that he didn't really appoint Hyung Jin Nim as his successor because she was not in agreement. (Page 64, Lines 7-25, Page 65, Lines 1-6)

She says even though True Father publicly appointed his successor, he cannot do that. The members of the church somehow have to agree. And besides, none of her sons qualify. (Page 121, Lines 3-20)

Even though True Father testified to Sean Moon's faith, Hak Ja Han says he didn't really mean it. She refused to honor it. (Page 22, Lines 11-23. Page 123, Lines 13-23)

15. The Mother has more authority than the Father. True Father cannot decide his successor by himself without her consent. "The Mother has more authority." (Page 126, Lines 10-21. Page 127, Lines 7-15)

Conclusions: Don't believe me. Believe Hak Ja Han's own testimony under oath as to what she believes.

By her own words Hak Ja Han has betrayed her husband, the Returning Jesus, and claimed for herself the Second Coming title and authority as well as all the worldly treasure.

If you truly love her, you need to repudiate her so she can repent and come back to God during her physical lifetime. Those continuing to follow her bear responsibility for enabling her and will inevitably join her in her fate.

Take the time to do the research yourself and sincerely ask God about it. You owe it to yourself and your loved ones. Read her complete Deposition (linked below). It's all there in black and white.

I think you'll find, if you look at the E-mail chain, I did respond. I absolutely did respond. If you didn't get it, there's some technical problem.

And I asked you to let us know -- to your last E-mail I asked you to let us know. The reason was we wanted you to -we were going to suggest that -- you know, we were considering perhaps someone else could accept service rather than have you

# THE REAL ANTHONY FAUCI

William Brunhofer

William Brunhofer Published: July 8, 2022

By William Brunhofer Former Assistant Professor, Unification TheologicalSeminary Robert F. Kennedy, Jr. writes in the introduction to his richly documented and scientific critique of the state of Public Health in theUS, "**The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War onDemocracy and Public Health**:" "I wrote this book so that Americans can understand Dr. Fauci's pernicious role in allowing pharmaceutical companies to dominate our government and subvert our democracy, and to chronicle the key role Dr. Fauci has played in the current coup d'état against democracy."

"Liberal democracies collapsed worldwide," he says, as government regulators, social media, and mainstream media who once upon a time championed freedom of speech, healthcare, democracy, human rights, and evidence-based public policy, pivoted together to assault free speech and personal freedoms. And suddenly many trusted institutions joined hands to generate fear, push obedience and herd 7 billion people of the planet to "march to a single tune, culminating in mass public health experiments with novel, shoddily tested, and improperly licensed technology so risky that manufacturers refused to produce it unless every government on Earth shielded them from liability."

What he describes "can seem overwhelming and dispiriting," truly a forced-vaccine campaign and other cruel actions characterized by arbitrary decrees and science-free medicine. But citizens have a choice to say, no, Kennedy writes. It is not too late. They can fight for respect, a role to play and seat at the table for 'front-line doctors' and early treatment with medicines proven effective in stopping Covid in its tracks like hydroxychloroquine and ivermectin, which, if they had not been bashed and banished by hospitals and pharmacies across the US, may have likely saved tens of thousands and perhaps hundreds of thousands of lives based on performance worldwide; and exposing the well-established toxicity of drugs like remdesivir pushed by Fauci, hospital physicians, and Big Pharma.

"TheReal Anthony Fauci" cannot be read without asking HOW did a Big Pharma , Media, and Government cabal get their hands on so much power using the name of "science" to initiate a grand antiscience and anti-truth campaign devastating human prospects for growth at every level? And this work, reveals a great worldwide battle of what we may rightly call, a battle of LastDays proportions between what is true and what is false. And how did the campaign with an aggressive and compliant media, designed to make this cabal, the depository of all scientific knowledge and all truth? In painstaking detail, Kennedy shows that an oligarchy of leaders in Pharma, Government andMedia execute their plan to centralize power and create a New World Order, the Gates/Fauci Globalist Dream.

Kennedy then goes on to painstakingly detail Fauci's exploits as head of the NIAID for more than 40 years looking at how tragically he has mismanaged the CV19pandemic using as his template, one he developed in the mid-eighties during the so-called HIV pandemic. Using his chosen treatment drug of choice, the "toxic concoction" known as AZT, Fauci pioneered and perfected the retinue of corrupt, deceitful, and bullying practices and strategies, "he would call upon again and again of his career while ignoring the explosion of allergies and other chronic diseases afflicting more than 50% of Americans today."

And this template Fauci used as he led the "NIAID's barbaric and illegal experiments on orphaned children in New York at Staten Island, Massachusetts, and LA, , as well as impoverished American Indians and Blacks in the Caribbean, and beyond the US to the African continent upon Black children in Cameroon. Thus, he continued the long train of abuses begun by the Public Health Service, the predecessor of the Health and Human Services Agency (HHS) and "repugnant experiments on vulnerable subjects, targeting imprisoned convicts, institutionalized adults with intellectual disabilities, and orphaned children.

As of 2017there were 69 mandated doses of 16 vaccines for America's children none of which has ever been tested for safety against placebos prior to licensing,"according to Kennedy in his complaint to HHS, prompting a White House refereed meeting with Fauci and two other Public Health government agency leaders, who insisted these vaccines had been all safety tested. Ten months following this meeting and after a FOIA lawsuit, Fauci admitted that none of the mandated childhood vaccines had been safety tested. So, no one knows the risks of these vaccines, yet they were dumped upon those populations of the world least able to defend themselves from this abuse.

Citing that, despite experience with deadly infectious disease epidemics during theRevolutionary War, the Founders decided not to include a "pandemic exception to the United States Constitution." Yet, this latest Covid19 world-wide outbreak was used as a pretext for a host of new exceptions to our constitution. How was that possible? First, the use of the well-established "medical-industrial complex" aided by the willing and prepared mass-media companies, and further enabled by "captured regulators" among other state and federal government leadership up into theExecutive Branch. And next, create a "new reality" that the Covid19 outbreak is a "fight to the death" creating a crisis promoted to scare the public into moving like a herd of cattle accustomed and trained to go wherever they are told without any further need for facts or reason. COVID becomes the rationale to explain everything. And any dissent, disagreement or suggestion of alternative approaches was punished, censored, cancelled as a 'threat' to the lives of every group, society, and human existence itself.

During these two years of COVID19 negatively dominating much of the lives and livelihoods of the citizens of the planet, remarkably, the Director of CDC, Dr. Fauci who directs NIAID, and the WHO have acknowledged that the "vaccines" cannot stop transmission. Indeed, three weeks after documented reports from around the world that up to 60% of deaths reputed to be from Covid infection were from among the vaccinated, thePresident of the United States told Americans that those who had died were all"fully immunized." Then, stunningly, hesitated that vaccines can be taken with "certainty" that the

vaccinate d are "protected from COVID and cannot pass it to you." And just as surprisingly, not one reporter challenged this clear and public contradiction and lie to the people.

But we have a choice, says RFK, Jr. It is up to the citizens of this and every other country. Ordinary people "can rescue us from tyranny." We can say NO to forced testing, vaccinations, masks, and that if we call upon "our moral courage, we can stop this march towards a global police state." "We can no longer 'trust the experts' or follow their warped version of science … or participate in forced medical procedures."

And what else can be done? Critics propose that citizens insist Congress act to reform and restructure the national Public Health bureaucracy rewriting the legislation which has created these many agencies. If we have learned anything, they say, it is that Public Health in the United States cannot be placed in the hands of any single individual, likeAnthony Fauci, agency or group of Federal agencies ,nor the Chief Executive. It must be decentralized and placed where it belongs in this Republic, in the hands of the people and states with theFederal government providing support and coordination in national emergencies. No power to declare 'national emergency' must ever be unilaterally possessed by the FederalGovernment. Only our representatives gathered in emergency sessions, can endorse, and then regularly debate and monitor any sustained states of emergency.

And let us further, it is proposed, ensure that all the Federal agency leadership at FDA,NIH, CDC, NIAID, and other Public Health agencies here in the US, some which possess worldwide prominence and influence, will be peer reviewed annually. And that a committee of established and respected epidemiologists outside the FederalPublic Health system, of front-line physicians and other qualified leaders from related fields, will be established to review and approve these peer reviews to ensure that Public Health leaders placed in positions of public trust, pass a test of commitment to do no harm; and will serve the American people, not corporate or national party interests or agendas. It is not too late.

# **Divine Principle Education Mission in India**

#### Campaign Created by: Anslie Abraham

The funds from this campaign will be received by Anslie Abraham.

Raised : **USD \$ 825** 

Goal : USD \$10,000

#### ...

Our Goal is Peace through Unification of all religions"

"Exposition of Divine Principle" is an eye-opening educational scripture of our times. It explains why Evil rules if God is Good, Omnipotent, Omniscient and Omnipresent. Also if God is self-sufficient and has no need of anything then why did He create this universe. What is His "Goal" as the creator of the universe. It also addresses questions such as the meaning of history and the various Scriptures and the Bible, giving clear understanding of the mission of Jesus, etc. etc. Hence, its contents are purely scriptural, ethical and educational. It would surely help people to understand, respect all religions and work for the unification of religions.

I am originally from India, now living in USA. I have translated the "Exposition of Divine Principle" from English to Hindi language for Hindi speaking audiences in India. The whole world knows about India as being a Spiritual nation with three thousand years of spiritual traditions. Hence the publication of the Exposition of Divine Principle in Hindi language would certainly be of great value to Indian People.

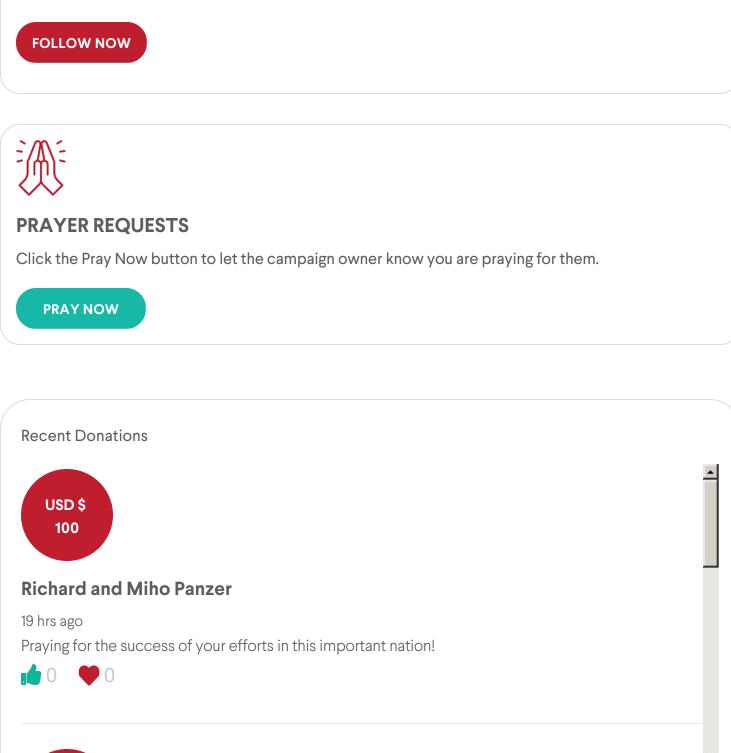

We are also planning to open a spiritual center in the city of Nadiad Gujarat India for people who are seeking to know the ultimate reality under the guidance of Rev. Shri Darshak Patel. We are more than optimistic that our endeavors in this direction will help bring peace in human society.

We appeal all people to donate wholeheartedly for this great cause.
