The Weaponization of Sex

Because the king's order was urgent and the furnace overheated, the flame of the fire killed those men who took up Shadrach, Meshach, and Abednego. And these three men, Shadrach, Meshach, and Abednego, fell bound into the burning fiery furnace. Then King Nebuchadnezzar was astonished and rose up in haste. He declared to his counselors, "Did we not cast three men bound into the fire?" They answered and said to the king, "True, O king." He answered and said, "But I see four men unbound, walking in the midst of the fire, and they are not hurt; and the appearance of the fourth is like a son of the gods." Then Nebuchadnezzar came near to the door of the burning fiery furnace; he declared, "Shadrach, Meshach, and Abednego, servants of the Most High God, come out, and come here!" Then Shadrach, Meshach, and Abednego came out from the fire. Daniel 3:22-26

If you are a solid person with convictions such as these, then if Satan or even God spins you around, you will always come back to your original position. If you habitually act on your thinking then you will not be influenced by other forces, even if you have no food to eat. This is the kind of daily routine you have to adopt in order to become an unchangeable person.

SMM, God Depends on Us Alone, 6/1/77

Hello,

Hyung Jin Nim started his Sunday sermon by discussing how, at the end of True Father's life, he explained about the God of Night theology. He knew about the Han Mother's ongoing betrayal and wanted us to understand clearly about his mission as the returning Christ.

In the 10 years since Father's passing, Hak Ja Han predicted the advent of world peace had arrived, but then Covid 19 came, causing poverty and starvation in many nations. People scoffed when Hyung Jin Nim spoke about worldwide judgment, but we saw a devastating worldwide pandemic leading to lockdowns never seen before in history.

The intersection of money and power leads to abusive practices, including blackmailing of sexual acts recorded on video by intelligence agencies. It is connected with the Fall through the misuse of love and weaponization of sex. Father taught we must guard our holy place.

Last week we saw the raid on Trump's residence in Florida, allegedly for classified documents. The fact that there were no raids on Hilary's residence in Chappaqua, NY for destruction of 30,000 subpoenaed classified emails shows there is not equal justice in America.

We are entering a time of plagues, famine, and warfare. China shot 11 missiles near Taiwan and Japan. Some predict the likelihood of a world war, which would strengthen centralized government cartels, but there is also the possibility that divisions in China, the U.S. and other nations will lead to internal wars. We should pray that world wars can be avoided and for righteous people to resist tyranny in their nations.

In China the Communist Party sent tanks in front of banks to stop protests by people who were prevented from withdrawing their savings. It is not wise to trust "digital" money and investments, which can be frozen. Real assets are our own skills and relationships, as well as land, precious metals, and, yes, weapons to defend our freedoms.

The Founding Fathers in America were willing to risk their lives, their fortunes, and their sacred honor. We should worship the Giver of life, not just "life" or physical survival.

As discussed in the last week's sermon, Christ, as the full image of God in human form, appeared to Joshua, as recorded in Joshua 5, and to Jacob in Genesis 32:24-28 where he wrestled with a "man" all night, who gave him a new name which means "he who has striven with God and prevailed," and again in the time of Nebuchadnezzar, as indicated in Daniel 3:14-26.

Nebuchadnezzar demanded that all residents of Babylon worship the golden image he set up. Shadrach, Meshach, and Abednego, who were faithful Jews, refused. The three of them were cast into the blazing furnace, so hot that the prison guards taking them to the furnace died from the heat. When Nebuchadnezzar and his officers looked into the furnace, they saw 4 men loose, walking in the midst of the fire, and they have no hurt, and the form of the 4th is like the son of the gods.

Hak Ja Han's betrayal set off worldwide judgment. Pray for chaos to immobilize leaders of satanic nations including Communist China and for humanity to rise up against tyrannies around the world.

True Father's Seonghwa 10th Year Memorial

by Miho Panzer

True Father passed away 10 years ago, but I can still remember his mannerisms, his smile and even his scent when I served him and the True Family at East Garden from 1976 to 1987. I remember he would always go to bed after midnight and get up early before 3 or 4am to pray. Even when he was no longer awake, I could often hear him praying in his sleep. As many of us know, he worked night and day to accomplish God's will while he was alive here on earth and I believe he is a hundred times more active now that he is in the Spirit World.

The day before the Memorial at the Tennessee Chung Pyung we gathered at the Welcome Center. Many 2nd Gen, including Hyung Jin Nim's and Yeonah Nim's 2 youngest sons, Shinjoon and Shinduk, worked hard on the offering table all day and without complaint. I could see that under the 2nd King's hard training they had become strong. I felt a lot of hope to see them with such a sincere attitude.

We made towers of Father's favorite fruits and nuts. Since Father loved pine nuts, we made that the central tower. I remember when Father went to Danbury prison in 1984 we always brought him pine nuts and ginseng extract. This time we also made a tower of blueberries and cherries, since those were also favorites. Many of the young generation never saw Father even once, so I explained about Father's absolute faith and way of life.

Through the 2nd King hard training, I believe True Father is guiding them. Now is a challenging time in both Sanctuary and in the whole world, but the way that we respond is our treasure. Many new people are coming to learn about Father's teachings and about the 2nd coming of Christ. I could feel Father's spirit on Sunday morning and that he was happy with all of us working with the 2nd King and Queen! In the time remaining this year, let us give our very best!

May God bless you and your families!

Sincerely,

Richard
