World Peace and Unification Sanctuary - USA

We Fight FROM the Victory, Not For It

Then he said to me, "This is the word of the Lord to Zerubbabel:

Not by might, nor by power, but by my Spirit, says the Lord of hosts. Who are you, O great mountain? Before Zerubbabel you shall become a plain. And he shall bring forward the top stone amid shouts of 'Grace, grace to it!'"
Zechariah 4:6-7

To what extent does God determine the fate of an individual? The fulfillment of God's Will through an individual absolutely requires that he complete his responsibility. Hence, even though God predestines someone for a particular mission, God's ninety five percent responsibility and the person's five percent responsibility must be accomplished together before the person can complete

his given mission and fulfill God's Will. If the person does not complete his responsibility, he cannot become the person God has purposed him to be.

Exposition of the Divine Principle, p. 158

Hello,

Hyung Jin Nim started the service by noting [Trevor Loudon's](#) comment at the Freedom Festival that Asia would have been swallowed up by Communists if Rev. Moon and Unificationists had not stood up and educated so many.

Hyung Jin Nim also said that former Prime Minister Abe was a martyr in the struggle against Communism. All the Conservatives in Japan should renew their commitment to stand up against the Communist party.

In the ancient world, it was common to worship a variety of gods represented by wooden or stone idols. In Japan, there was worship of "[Bake-danuki](#)" the racoon god who protects against earthquakes. A population that worships in this way is easier to control. Idol worship was a big deal in the ancient world. Christians debated whether to go to feasts where the food had been first offered to pagan gods.

Now we see censorship of legitimate scientists like [Dr. Peter McCullough](#) and [Dr. Robert Malone](#), and government propaganda or fake science about Covid 19. There are reports of [sharp increases of myocarditis and reproductive problems among young adults](#) who have been injected with the Covid vaccine and boosters.

The knowledge of God is important in our spiritual growth, but charitable love is essential. Loving God and loving our neighbor are key parts of the Peace Police Peace Militia culture. An important way to show love is to take time to be prepared to defend the weak and defenseless.

The ROI Freedom Festival encourages people to open carry their firearms in order to honor the culture of self-defense. As discussed in the Rod of Iron Kingdom book, [EACH DAY in the US there are 500 DEFENSIVE uses of firearms by civilians](#). Why does the Mainstream Media almost never report about that? We all know they are not committed to report objectively.

[Book of Life Registration Holy Blessing 10/14/2022](#)

150 FFWPU members came to Hyung Jin Nim's speech in Japan last summer. He told them, "you're not fighting me, you're fighting against True Father." The more truth is attacked, the deeper its roots become. Don't worship money or position. It's a sacrifice to train and prepare, but it's a way to show concern for others and invest in a safer society for all.

Many in our nation want to outsource our defense to "professionals," but you and I are the real "first-responders." In the beginning of our Republic, the people elected a local sheriff who could also be removed if his performance met with their disapproval, but increasingly we see the state police model adopted, where enforcement officials are appointed. In numerous cities, for political reasons police were instructed to not enforce laws against rioting, looting and destruction of property. As public safety is centralized, the sense of duty to protect your neighbor becomes more rare.

[Final ROI Freedom Festival Prayer by Pastor HJ Sean Moon](#)

Invest in your marriage and family, which are the crux of a healthy civilization. It is reassuring to children to know that parents' relationship is strong. Don't let your children manipulate or divide your couple.

As St. Paul taught, we are not just solitary islands. We set examples for others. Our freedom comes with responsibility. Our actions influence others.

John Adams, one of the Founding Fathers and 2nd President of the United States warned that an immoral people cannot govern themselves. Strong families are the foundation for the Rod of Iron Kingdom. Be grateful we are not yet in a Civil War.

[Senator Mastriano](#), who is running for Governor in Pennsylvania, has been fighting for election integrity and against lockdowns, but has received little support from the Republican establishment who are like professional TV wrestlers who only pretend to fight. Hyung Jin Nim will be returning to PA next week to support the effort. Regardless of the outcome of the coming elections, remember that God's Kingdom is built on moral victories.

Don't forget the victory of the 2nd Coming, the establishment of the Heavenly lineage and the unity of the 2 brothers. These are the victories already gained. The victory of the new kingship lines that have been established. The Kingdom is being established. Remember Jesus and True Father are victorious. The 3 Kingships of Cheon Il Guk are victorious. In the long-term, our God is victorious. Don't be paralyzed by fear. We fight **from the victory**, not just for the current moment.

2022 Rod of Iron Freedom Festival Founder's Address

Rev. HJ Sean Moon, October 8, 2022

Good morning patriots and Freedom loving people made in the image of God!!! We are honored and pleased to have you at the beautiful Kahr arms property celebrating America, the 2A and the culture of armed responsible citizenry. I also want to acknowledge the planning committee and all our friends, families and supporters who made this event possible. Every year we are joined with other freedom fighters from around the world who are fighting in their respective countries for a Second Amendment that we enjoy and often take for granted here in the US. Unfortunately, this year this administration has made it mandatory if you come legally to America to be forced to get a shot, even if the science and your beliefs are against it. Ironically, if you come in illegally you are not coerced to get jabbed and you are given all benefits of citizenry, including voting in some states, but I digress. If the right to keep and bear arms is a natural right, like our framers stated, then it is a human right and all human beings should have that right of self-defense against tyranny. Our church communities in Korea, Japan and around the world are here with us in spirit praying for America at this very hour joining us in our live broadcast.

We celebrate freedom this day because in 1950 my Father, The Rev. Sun Myung Moon, who our tradition honors as the returning Jesus, was freed from a North Korean Communist death camp, by US armed forces, where he was imprisoned and scheduled for execution for preaching the Gospel. God sent good men with guns that stopped bad men with guns that led to my father's freedom which without, myself, my brother or our worldwide church community would not be here today.

This awareness of the deadly nature of Communism did not simply arise out of a reactionary response to Communist oppression. It stemmed from his immense biblical knowledge and prayer life. He always taught his church that Communism was Satanism and that Satan was using what seemed to be a political ideology to spread the Kingdom of Satan over this world.

Frankfurt School is formed in 1923

Georg Lukács was a founding member of the Frankfurt School, aka Institute of Social Research. The Frankfurt School was comprised primarily of European Marxists, who introduced and developed the ideology of Critical Theory.

As Critical Theorists, they argued that social problems stemmed from social structures and cultural assumptions rather than from individuals. They argued that ideology was the principal obstacle to human liberation in all forms of human endeavor.

“I Know Nothing About Parenting!”

Leader: **Shinman Moon**

Online Only

FNP - Thursday 7:00 pm EST

This class is for males, ages 18-30, preferably married.

In my class we will read and discuss ways to be better at the art of parenting.

We will be focusing on two books which are not only helpful, but essential for the journey of parenthood. Our goal as parents is to shepherd our child's heart and let them have a personal relationship with Christ. Though I am also still learning, I would like to share some of the knowledge that I have accrued. I hope that you can join me in this journey of becoming a better parent, one baby step at a time.

Pastor HJ Sean Moon

Rod of Iron Freedom Festival, Oct 9, 2022 - PA

Praise God everybody! We have done the Babylon Bonfire for three years and Roe v. Wade is now dead! (Applause) Hallelujah! Praise God Almighty! Now we will be reading the celebration from Revelation chapter 19 and onwards.

Revelation 19: 1-21

- 1 And after these things, I heard a great voice of much people in heaven, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our God:
- 2 For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand.
- 3 And again, they said, Alleluia! And her smoke rose up for ever and ever.
- 4 And the four and twenty elders and the four beasts fell down and worshipped God that sat on the throne, saying, Amen; Alleluia.
- 5 And a voice came out of the throne, saying, Praise our God, all ye his servants, and ye that fear him, both small and great.
- 6 And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth.
- 7 Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready.
- 8 And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints.
- 9 And he saith unto me, Write, Blessed are they, which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God.
- 10 And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellow servant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.
- 11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.
- 12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.
- 13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God.
- 14 And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.
- 15 And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.
- 16 And he hath on his vesture and on his thigh a name written, **King of Kings, And Lord of Lords.**
- 17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;
- 18 That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.
- 19 And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.
- 20 And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.
- 21 And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.

hand.

² And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years,

³ And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.

⁴ And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

⁵ But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection.

⁶ Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years.

Hallelujah! (Hallelujah!)

Pastor Sean Moon Reporting Prayer

Father God, we thank You for this beautiful, beautiful, day. We thank You for the Rod of Iron Freedom Festival. Freedom is not merely the ability to do whatever one pleases, but freedom is a covenant, a promise; it is a relationship with You in which we must be responsible for that freedom.

Dear God, for the last two days and the last three years in the Rod of Iron Freedom Festival with all the patriots that have gathered here, You have blessed us and blessed this place and blessed Your country, and we have blessed Your name; crying out to the heavens as we saw all matter of wickedness occurring in the midst of this country's stolen election, pandemic from China, energy infrastructure collapse, inflation. All these terrible things that are weakening the foundations of America as the world's superpower. And on the rise, the treacherous and evil red dragon China and now Russia allied together, ready and willing to use nuclear power against America, and threatening the world.

Dear God, we have prayed for the last three years, particularly that the Harlot of Babylon culture and the wickedness of the people across the earth being indoctrinated to kill their own children in the WOMB, to do infanticide, tearing them limb from limb in the barbaric practice of abortion, that this would be struck DOWN. Every year, patriots and believers have gathered here at this Babylon Bonfire PRAYING, praying, praying, and **pleading** with Heaven that the practice of infanticide in America would **cease** and be brought **down**; that the Harlot of Babylon culture of destroying the next generation in the womb, starting from the womb, would **stop** and be eliminated.

Dear God, you have **delivered** that tremendous victory this year, and we have seen the miracle and the prayers answered; the pleads and the tears that have been shed at this place answered. You have answered that prayer, dear God. You have begun the process to unravel the Harlot of Babylon culture; the culture of making the women in society become the murderers of their children; the culture of normalizing infanticide; the culture of husbands running away from their marriages and their children - all the products of the fallen Eve and the fallen Archangel.

Dear God, we have been praying on this hill for three years alighting this fire, praying for Babylon and that culture of evil to fall, and today we are **celebrating** the fall of Babylon (Applause) and the fall of that demonic culture, the fall of the murdering of children in the womb, the fall of the barbaric infanticide that covers the earth. You have begun the process of unraveling the satanic and demonic power, the stranglehold that has suffocated America and brought us into the depths of sin.

Dear God, it is a day of hope, and this bonfire represents now Your Holy Spirit; the power of the brushfires that are set in the hearts and minds of men in this animating contest of liberty, the gift that You have given to us from the Creator and that is held in the covenantal relationship between You and mankind.

Dear God, we thank You today as we alight these flames. We thank You and we pray that this praise may be a pleasing aroma unto Heaven. We pray that the unraveling of Babylon may continue; all the wicked, "the principalities and powers, the rulers of this world, high wickedness in high places," all those things and all their machinations and plans are being unraveled NOW with Your power. Confusion in their encampments is beginning and being loosed right now. There's now utter chaos in the hearts and minds of those who are planning to destroy this world and to rule over it with socialism, communism, political Satanism; it is unraveling before their eyes. And upon this holy hill You have answered these prayers of the faithful, of Your people and of those who are grateful for the gift of liberty.

Dear God, be with America at this most critical time, a time when we stand on a razor's edge between totally extinguishing the flame and torch of liberty and the world falling into darkness and the rulership of tyrants and CCP and dictators and authoritarianism and totalitarianism. And on the other side of that razor's edge is a faithful people, a people that begin to remember their **identity**, a people that start to remember who they are and **whose** they are, a people that begin to reawaken to the covenantal relationship that America was founded upon; the Founding Framers **consecrating** this nation as was ISRAEL before You, to You and for Your good pleasure.

God, we have fallen away, astray from that purpose. We have fallen into hedonism, pleasure seeking, post-modernism. We have fallen into comfort and ABANDONED You and Your civilization, Your principles and Your words.

But dear God, there is a remnant. There is a remnant that exists here and across the world that desires for **Your** Will to be done, that desires for **Your** Kingdom to come and manifest itself in the hearts of your people, in our relationship between husband and wife and with our children and community. Dear God, You are calling America at this critical hour to remember who she is and WHOSE she is betrothed to.

Dear God, let EVERY man and woman who HEARS this prayer be filled with the Holy Spirit, be filled with the brushfires in their heart and in their mind, and let them realize that they have been **called** for such a time as this. That we will not revel in our glory or our victory or our name or our fame but we will revel in YOUR victory and **Your** glory for You have **already** defeated the grave; You have **already** conquered **death**. And as Your children, we stand in this **darkest** hour of the world with a light that shines bright from this hill and manifests in our heart; that shines bright in the darkness that seeks to envelop this world.

We stand here against ALL manner of Goliath, ALL manner of hordes of demons, ALL manner of hordes of the spiritual realm, and we stand in this epic and heroic contest with You; standing on this battlefield, knowing that we are armed with the FULL armor of God, the helmet of salvation, the breastplate of righteousness, the belt of truth, the sword of the spirit, the shield of faith, the feet sod with the preparation of the Gospel of peace.

Lord, you have **equipped** us for this hour. Let us **remember** who we are and let America remember who she is. Let this land cry out! All the patriots from the Founding Fathers to this day who SHED their **blood** for those Stars and Stripes, let them **stand** with us TODAY as the heavenly angelic realm, the Heavenly Host. For we are not in this battle alone, and we will be victorious because You dear God, are with us. (Amen!)

Dear God! We give You **praise** this day. We LIFT up Your name! We PRAISE You today because America **through** the small remnant, can remember who she is and stand with **courage** and STRENGTH to become once again the light **shining** on top of the hill which can be seen from the uttermost darkness of this world.

Let America RISE up to the honor of her Stars and Stripes and of all the blood that was **spilled** through the ages to keep her **free!** Let her remember that she is not free to just seek pleasure but that she is given **liberty** so as to proclaim and to pursue the **vocation** which God, You have given her! Let us stand bold at this hour! Let the sheep become lions standing with the Lion of Judah, for we stand with You, the Alpha and the Omega, the Beginning and the End, the King of Kings and Lord of Lords. We stand with YOU in this epic animating contest against Satan and the evil hordes and all of his hands and feet on this world.

WE are Your people dear God. You have never FORSAKEN us and You have told us that You would not forsake us. We have the victory. Satan has already been defeated and when the enemy looks the strongest, he is actually the weakest, for he is the father of **lies** and he is the master of illusion. But in reality, You reign victorious and You reign POWERFUL with all might and all-power and authority of the Heavens and the earth in Your hands. We stand with you Jehovah God, standing on the battle line at this incredible time.

Dear God, let us remember who we are and let us remember that America will rise at this critical hour. Let us pray for each and every one of the patriots around this country. Whether or not they know they're being prayed for, we are praying for them right now across this globe. That they would be touched and moved by the miraculous move of the Holy Spirit, a work that no agency can trace or track, a work that no man can stop, a work that NO elite or billionaire can PAY to remove! The move of the Holy Ghost is touching people right now. (Applause) Giving them **courage** and **strength** in every corner of this globe, making them awakened to the reality of **evil** and **repentance**, and coming **back** to You and relying on YOUR strength as we prepare to be standing with You against this evil that scourges this land and our world.

We will not live in fear for Your Word says that You have "not given us a spirit of fear but of **power** and of **love** and of a sound mind." Let those be the eternal strength and fortitude that will carry us forward into this dark age and bring **light**, bring **your word** and bring Your **power**, Your **love**, Your justice, Your benevolence, Your **fatherly love!**

Let us see **great** revival, **great** repentance and **all** peoples coming unto You, giving You **praise**, worshiping Your name, lifting You high, and as we **joyfully** praise You and as we are once again a people who are **brave** and are prepared, Let the evil scales fall from the people's eyes.

Let the evil with its stranglements and entanglements FALL! Let the chains that are holding people down FALL for "it is for freedom that Christ has set us free." This is what Your Word says. We have not been set free to be slaves again under the totalitarians and the tyrants. And dear God, this bonfire, let it be an offering of our spiritual resolve, our WILL to stand in the gap, to stand for righteousness and to stand for You at this most critical hour! (Hallelujah!)

We give You praise dear God; we give You **honor**. Your people **love** You and your people **glorify** You. We **repent** of our sins; we lift Your name **high**, and we offer our **love** and our **praise** to You as a sweet aroma. Please receive it this day and pour out Your love upon America once again. (Shouting)

Let the people rise and stand to save this country and across the globe!

Let it create the domino effect that will make ALL the tyrannical forces crumble one by one as if watching an incredible epic film!

Let those miracles begin as **All** people stand **responsible** for the liberty that You have given them; **responsible** for the freedom, **responsible** for the vocation which they have been called to by YOU, Almighty God Let us have **great** victory and power at this time across the world!

Let it cascade from country to country!

Let people be **freed** even as the evil tries to envelope and engulf them. Only Your power and only Your **will**, will see us **through** the demonic horde and the darkness that Satan desires for this world!

As the last three years, we were **crying** out to You, dear God, on this hill **crying** out for the Babylon Harlot culture of killing children to be destroyed, You have **answered** that prayer **miraculously**. You have answered that prayer and **manifested** it in the most **powerful** nation in the world that has **left** Your **word**, and has been committing **child killing** for the past decades. But we have **repented** of our sin and we are now turning the **tide** around, dear God, by Your miraculous **grace**. (Hallelujah)

We thank You Lord, because You are **moving**. You are lifting people up; You are making normal people realize their calling at this epic time. You will **use** the normal men. You will **use** the Moses who had become a murderer to lead the people out of Egypt. You will USE the man that was sold into slavery, Joseph, who became second to the king of Egypt.

You will **use** the normal person who does not even believe that they have a **purpose** in this world. You will touch them and transform their hearts, and give them that vocation for, which they were called to **stand** up against unrighteousness, to STAND up against the wicked and to be **brave** and **courageous** in this **hour**.

Thank You for pouring out Your **bold** strength upon us today. Thank You for **receiving** the fire of the bonfires that we have lifted to Heaven for the last three years, and we thank You for this great **victory** today. We thank You for this great **victory!**

All the people that have come through here have been **praying** for America, **praying** for these Stars and Stripes, **praying** that we would once again become that honorable and righteous Judeo-Christian **culture** that **protects** Your covenant of marriage, that **protects** Your covenant of family, that **protects** the **principle** of loving God and loving our neighbor, that **protects** the principle of pursuing **righteousness** and punishing evil and doing good for Your name's sake.

Dear God, we are before You on our hands and knees as a country. We are repenting of all the sins that on our watch we have allowed to happen. All the souls that have been snuffed out, all the terrible things: the destruction of marriage, the destruction of our families, the destruction of Your values in America. We REPENT of those things; even if we were just tangentially quietly watching, our silence became surrender.

But dear God, today and through the power of that repentance and Your grace of **forgiveness**, we can receive a **New Life**, we can be made into new creatures by the move and the indwelling of the Holy Spirit and we can once **again** become America, once **again** become that "shining light on the hill"; once **again** become the country that had made a **covenantal** relationship with **you**, **consecrated** on the altar before Jehovah, Almighty God, the Creator of the universe. (Hallelujah)

This is Your nation, God!

This is not the Devil's place!

This is not the LGBTQ's place!

This is not the blue-haired crazy people's place!

This is Your country! These are YOUR Stars and Stripes!

You have a free market and sovereignty

You must not have any other God than me

You shall not kill

This is Your history!

America is not a nation of conquest; we have been a nation of **consecration!** We are not founded on conquest and conquering but we are founded on **covenant!**

Dear God, people are starting to wake up. Your people, Your faithful are starting to come back. Your people are starting to realize that we **need** You at this critical hour, and that only You can lead us **through**, only You can SEE us through the parting of the sea which is now on both sides of us. We stand in this miraculous moment, in this **epic** moment in time.

Dear God, there is no one here that has not been **chosen** by You to be here tonight. (Hallelujah!) We are in Your hands and we are Your hands and feet on this earth.

Let us be brave at this critical hour!

Let us be TRUE at this critical hour!

Let us not rely on ourselves, but Let us stand with You.

Let Your Holy Spirit fill us and **animate** us with **supernatural** power, **miraculous** power that goes beyond the will and mind of normal men. We are Your **children**, we are Your **people**, and we **love** You, we **worship** You, we LIFT You and we **stand** for YOU, (Yes! Father) even if it means to give our lives as all our predecessors have done.

Dear God, we as America love you. America **Loves You**; America is in a covenant with **You**, God. America has not **forgotten You**, God! America has not left **You** God, because You have not left America. And even though we may feel at times that we are alone and that all is lost, in the still small voice that dwells within our hearts we know that You are standing and You are pushing the evil hordes back and You are gaining the victory and You are winning the war against Satan, and that You have already conquered death and that You are holding up the people that have given their lives for this country and for these Stars and Stripes.

God, let us stand with You as You lift them up. Let us remember every ounce and drop of blood that was **spilled** and let us give You thanks because we are the inheritors of that legacy and we are the guard of this freedom; this fragile freedom that hangs in the balance at a time when we are now facing Armageddon and nuclear war. The Devil wishes for us to give up and to acquiesce and surrender and say, "Oh, I cannot do anything else." Or the Devil wishes for us to just say, "Please Jesus come quickly and save us from the mess that we've made!"

But

We know that You have made us Your **hands** and **feet** on this earth.

We know that You have called us to "**resist** the **devil** for he will flee" as Your Word says.

We know that You have called us and commanded us to **stand** up against **unrighteousness**.

We know that You stood with Daniel against King Nebuchadnezzar

We know that You stood with Shadrach, Meshach and Abednego and were the fourth man in the fiery furnace.

Dear Lord, we know that that fourth person stands with us at this critical hour. We are not alone! (Amen!) We are **surrounded** by your heavenly army, **surrounded** by your Heavenly Host and we will be **victorious** because Your Kingdom is coming quickly to this world. (Hallelujah)

Dear God, let us remember who we are at this critical hour! As Americans, let us love one another! Let us get back to those principles in saving this republic and letting this republic once again lead the world.

Dear God, the love in America for You is growing. The more the Communists and the political Satanists try to destroy America, the more the love for You, God and Jesus Christ shall swell within the hearts and minds of men and women and children and families and neighborhoods and towns and cities. The more oppression and the more totalitarianism these wicked powers continue to use unabashed with great injustice, the **more** the **love** for You, the MORE the **gratitude** for You, the MORE the **yearning** for You shall **swell** within those beating hearts that are beating and sustained by Your grace alone every moment of every hour. And it is in great moments of peril when we hear that heartbeat which is sustained by You that we remember we are alive not because we are great but because You are sustaining us in Your hands.

We are never alone and we will stand with You till the end, because we know that at the end there is a new beginning, the New Jerusalem and the New Heaven and Earth that will come to this earth and that will fill the earth with liberty and responsibility and coheirship and kingship and sovereignty standing with the King of Kings and Lord of Lords; the world coming under Your dominion where righteousness can burgeon and spread and EVIL comes to an end.

We are grateful for You, dear God. Thank You for all the folks and the patriots that are gathered at this Babylon Bonfire. We offer it all to You and we thank You for all the victories that You have shown us through Your miraculous power. We love You God, we are with you, God, and as You have never forsaken us, **we** shall never forsake You.

We give You the praise, glory and honor with **all** the kinship lines gathered here today with Your Three Generation Kingship, and in Your precious name we pray.

Amen! Amen! (Amen! Hallelujah! Applause)

The fourth annual celebration of the Rod of Iron Freedom Festival

**The fourth annual celebration of the Rod of Iron Freedom Festival 2022****Pastor Sean Moon**

Good morning, patriots and Freedom loving people made in the image of God!

We are honored and pleased to have you at the beautiful Kahr arms property celebrating America, the 2nd Amendment and the culture of armed responsible citizenry.

I also want to acknowledge the planning committee and all our friends, families and supporters who made this event possible. Every year we are joined with other freedom fighters from around the world who are fighting in their respective countries for a Second Amendment that we enjoy and often take for granted here in the US.

Unfortunately, this year this administration has made it mandatory if you come legally to America to be forced to get a shot, even if the science and your beliefs are against it. Ironically, if you come in illegally you are not coerced to get jabbed and you are given all benefits of citizenry, including voting in some states, but I digress.

If the right to keep and bear arms is a natural right, like our framers stated, then it is a human right and all human beings should have that right of self-defense against tyranny. Our church communities in Korea, Japan and around the world are here with us in spirit praying for America at this very hour joining us in our live broadcast.

We celebrate freedom this day because in 1950 my Father, the Rev. Sun Myung Moon, who our tradition honors as the returning Jesus, was freed from a North Korean Communist death camp by US armed forces, where he was imprisoned and scheduled for execution, for preaching the Gospel.

God sent good men with guns that stopped bad men with guns that led to my father's freedom, which without, myself and my brother or our worldwide church community would not be here today.

This awareness of the deadly nature of Communism did not simply arise out of a reactionary response to Communist oppression. It stemmed from his immense biblical knowledge and prayer life. He always taught his church that Communism was Satanism and that Satan was using what seemed to be a political ideology to spread the Kingdom of Satan over this world.

He exposed the fact that in Genesis chapter 3 Satan was the first sexual groomer and pedophile weaponizing sex to destroy Adam and Eve's future marriage and kingdom. Satan lured and groomed Eve to eat the forbidden fruit and lose her innocence, creating an illicit relationship with Satan and then seducing Adam to eat of the forbidden fruit losing his innocence and then the Bible says that they covered their lower parts, which was the place of their sin. Just as a child who steals a cookie from the cookie jar covers his mouth or hides his hands, Adam and Eve hid the place of sin and lost the innocence of their lower parts, which God preserved for the covenant of marriage and bearing children.

In the same way, Satan utilized this same strategy through Communism on the national level. Number one, Communism plants doubt of God's existence and severs humankind's inextricable royal link to God, and number two, communism promotes deviant sexual behavior to destroy the innocence of the people with the lower parts like Adam and Eve. The Communist party under Mao in China, funded the destruction of traditional marriage through bars and strip clubs. In Germany the Nazis created, the first Homosexual rights organization and groomed all soldiers into abominable practices. In America, the Communist forces funded "sexual liberation", LGBTQ rights, and drag queen shows now in public schools, to destroy the American Christian family, marriage and the young people's morals.

Through Communism Satan employs sexual liberation ideologies, homosexual agendas and immorality as the basis of collapsing marriage and pulling people away from a Holy God, reducing morality and virtue in the nation as a whole destroying the population's ability to discern between good and evil. If a nation's population becomes numb to evil, the evil will take over. If a nation falls into the lusts of the flesh, it will eventually end up preying on the children with sexual licentiousness and pedophilia, which is the root of Satan's religion.

There is a reason why the Satanic ideology of Marxism, has created socialist and communist regimes all over the world, that have had as their primary blackmailing apparatus, Jeff Epstein-like sex trafficking rings, providing young girls and boys to the political elite, entrapping them coercing these government officials to aid in the centralization of power to the blackmailers or lose their reputations and lives.

Once the political elite are captured, they are used to create unconstitutional laws, targeting all their opposition, eventually making legal precedence for genocide and democide. These types of Centralized governments collectively have killed and murdered over 220 million of their own citizens in the 20th century alone. The blood of those people are screaming for liberty and freedom, cries out from the earth till this day, and we must never, never forget the truth of Marxism/socialism/communism as political Satanism.

As a survivor of Communism, True Father discovered these secrets through intense study of the Holy Bible and went on to found of the Washington Times, Tiempos Del mundo, Saegae Ilbo, Sekkai Nippon, etc, and built a worldwide network of faith communities, business and media organizations to fight the encroachment of leftism/Communism around the world. Our True Father taught us to vigorously protect God's gift of liberty, to always be willing to die to fight Communism and socialism, which he defined as political Satanism, and to build Godly marriages and family building a world of capable armed and trained citizens, known as the Peace Militia, whose motto is "Love God, Love your neighbor."

If we look at our world today, we have seen unprecedented big government overreach in the last few years. Worldwide communist style lockdowns, for a virus with a 99.7% survival rate, have caused massive starvation and desperation in the third world causing massive migration to the first world. In the last 3 years, the promised 2 weeks to "stop the curve" metastasized into worldwide travel lockdowns and even military in some countries being deployed to force vaccinate the population enriching Pfizer and big pharma to the tune of over 80 billion dollars in 2021 alone. In Nazi style coercion, people were being violently assaulted on the beach for not wearing masks in Australia, and our southern border has been wide open with tens of thousands pouring into our country illegally every single day. We see the true two-faced hypocrisy of the leftist mob shouting for compassion for illegals when they flood your area, but when 50 illegal immigrants were sent to Martha's Vineyard, they were rapidly deported by the Army within 2 days flat.

In addition, the world is on a collision course with Thermal Nuclear war as the big tech giants and corporate monopolies have captured the West and its political class, thrusting us into direct conflict with Putin and China, who are public about their strategic partnership.

Meanwhile, stateside the US government is buying potassium iodide and the Department of Human Health and Services has just announced that it bought 300M\$ worth of Radiation sickness pills. Unlike the west, Both Russia and China have a military doctrine that believes they will win a nuclear battle with the United States with preemptive nuclear strikes on our triad system and military bases, taking out our ability to respond. Russia has displayed these Satan 2 nuclear missiles, carrying 15 nuclear warheads and capable of reaching London in 3 minutes and NY in 15 minutes. Russia and China are determined to become the new global leaders even if it means destroying the West, which is unfortunately destroying herself from within and of course, this is by design.

To make matters worse in the West, we have become the first civilization in the history of the world, where the political and academic elite, who claim to be rational and scientific, are attesting that a man can become pregnant and bear children. At the same time, boys can use girl's Locke rooms and if the girls complain, they are punished.

Our military is, as we speak giving sensitivity and gender studies training so as not to trigger anyone and our soldiers are being humiliated, being forced to wear red high heels for inclusivity practice. Meanwhile in China, the 100 million-man army is being indoctrinated with slogans like "Death to America," and "America, the great white devil will die."

With China as a major importer of food, supplies, meds, and all other manner regularly used items in America, China could further exterminate our supply chain as we already face automobile shortages, fossil fuel and gas shortages and massive spending by this usurpatious administration, and we are sitting on the greatest economic bubble in world history, which could lead to the collapse of the dollar.

At the same time, nuclear sabre rattling and flexing has reached a new level of aggression, as the West and this usurpatious administration is not interested in de-escalating tensions with Russia, and is sending billions of dollars to Ukraine, when that money could be used to put armed security officers in each school around the country to stop psychotic Satan worshippers, from killing innocent children. It could be used to provide more resources for women to put a child up for adoption instead of tearing it limb from limb in the barbaric practice of abortion-infanticide. That money could be used to close the final sections of the southern border, or that money could be used to help turn on the pipelines that would make America the world's largest Energy producer.

But the political elite, the Left and the RINO, are hell bent on bankrupting this country while padding their pockets with insider trading and pay for play deals with the Chinese and Saudis.

Meanwhile, the normal citizen must deal with increasing taxation and inflation, where common goods like food and gas are skyrocketing, due to the supply chain breakdown with Ukraine grain supply, which effects farmers prices on feed, which makes it unprofitable to raise meat, which leads to selling off the animals, which leads to massive shortages as they all flee from raising livestock. Some farmers estimate that within a year we could see beef prices reach astronomical numbers, like 50\$ / lbs! If this happens, Americans will be raising their own cows but the department of Agriculture will come armed to put an end to such dangerous shenanigans as they did with the Hamish farmers selling raw milk.

This is the reason why True Father created a worldwide anti-communist movement educating the youth around the world about the evils of communism and centralized government, because centralized government will reach into every conceivable facet of your life if unchecked! He not only started the Washington Times, he started The Collegiate Association for the Research of Principles, Youth Federation for World Peace, VOC or Victory of Communism, newspapers and media across the globe, to educate the public about the deceptive tactics of leftists, communists, and those who strive for power through the apparatus of government or namely the 666 anti-Christ Beast.

He married hundreds of thousands of people across the world, in the famous mass weddings, to create God centered families that would fight against communism and preserve God's gifts of liberty and human rights. He invested billions of dollars in fighting communism and thus was labeled a "cult-leader," "radical" and "extremist by the fake news media. The very same labels the radical left is using to call Trump supporters and conservatives today.

This usurpatious administration is claiming that the greatest threat to America is not ISIS, or the Taliban, or Russia, or Communist China. But freedom loving Americans, parents opposing CRT, citizens opposing drag queen story hour for minors or people opposing hypersexualizing our children in public school, have been designated the new "domestic, white supremacy, terrorists." This reckless and dangerous language identifies and green lights the deep state corrupt organizations to trace and track and frame honest, law abiding, hard-working, tax-paying citizens to become criminals and outlaws.

Meanwhile the deep state operatives continue to allow total lawlessness if it profits their power, sex trafficking across the southern border has grown into a multi-billion dollar enterprise, the Chinese Communist party is producing fentanyl and drug smuggling through our southern border to inebriate the American youth, no one who went to Epstein island to rape children has been put in prison, and as the FBI raids President Trump's personal home, Hunter Biden, a crack smoking, prostitute buying, chi-comm agent is still being protected by the FBI and other federal law enforcement agencies who are NOT enforcing the law equally.

Within a span of less than 3 years, the Tech giants, Central Banks, Mega corporations, media, Hollywood, DC bureaucrats, Soros, Bill Gates, Klaus Shwab and the Roschilds along with the CCP, have been able to decimate the world economy and are aiming to utterly **kill** America and eradicate Freedom from the face of the earth!

If the torch of liberty is snuffed out in America the world will enter a Kingdom of Hell on Earth. Dystopian, Kafkaesque 1984 like world that will enforce social credit scores, tracing and tracking of all citizens, centralized digital currency, climate change, carbon taxes, and totalitarian governments ruling over the people as evil gods who make laws for you but will not follow any laws themselves.

Their Satanic Cult of power and pedophilia, sex trafficking and infanticide will have utter control over every aspect of society and the most evil, vile and wicked, psychopath's will rule with despotism, cruelty and the crushing of every freedom protected by the Constitution and given to us by Almighty God! It is a bitter reality, which we can no longer ignore. One of the global leaders of globalism or international Communism, Bill Gates, who according to his divorced wife Melinda Gates had a disturbingly close relationship with Jeff Epstein the convicted pedophile, is stating that America will have a hung election and a **Civil War!** This is of course after the democrats and the rhinos, try to steal the midterms in a few weeks like they did in the 2020 election. If civil war erupts within America while Russia and China are readying for nuclear attacks, our world is in great peril. The end of civilization as we know it, is being delivered to us on the altar of globalism, and the **Great Reset** of the international Communists, like Klaus Shwab.

However, we know that in the last days there is a quickening and the suffering and tribulation of the end times marks the end of Satan's Kingdoms and the beginning of a new Heaven and a New Earth with God's Kingdom. The Kingdom of God is not a kingdom of centralized government but of co-heirs with Christ ruling the nations with Justice and Righteousness, punishing evil and protecting good.

Today's Freedom Festival, is named the Rod of Iron Freedom Festival because in the bible, the Rod of Iron symbolizes God's reign over evil and dominion of the Earth. When we look at the story of Genesis and Adam and Eve in the Garden of Eden, God commands A&E (or humanity), "be fruitful, multiply and have dominion [or subdue] the earth." We can see that God, the Creator of the entire universe, gave dominion and the blessing of dominion over the earth to his children Adam and Eve.

The powerful Archangel Lucifer, who aided God in the creation of the world, was not given this inheritance. Similarly, government is meant to be the servant of the people not the master. When government, who like Lucifer is to be the servant but becomes the master the people will have their inheritance, their freedom and their lives taken.

In the book of revelations, we see the final battle between good and evil. Believers in Christ are scorned, mocked, killed and beheaded as they are in Syria, Afghanistan and China as we speak. One-world government rules over the world as was proven by the world wide coordinated plandemic, where every country in the world simultaneously shut down small businesses, enriched the Amazons and Walmarts and tried to coerce the shot on every member of humanity enriching the globalist billionaires in power and in profits. However, in the word of God we see a hope and promise. A promise that when Christ returns, he will return with a new name Rev 3:12, and that he will give believers 2 accouterments that will be required in the last days.

The first accouterment is the crown, which symbolizes our sovereignty, our royal lineage and our inheritance that our Father in Heaven has promised. Psalm 2:8-9 states that "I shall give thee the nations for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel." Jesus states, in Rev 3:11, "Therefore, hold fast to which thou hast, let no man take thy crown." The world may recognize the queen of England or the kings of Europe, Africa and Asia, but it does not realize that you and I, whom they deem to be peasants and slaves, but who are co-heirs with Christ, the King of Kings (Rom

8:17), are the real kings and priests as well as the Creator of all! If we claim **our** kingship and **our** royal lineage, we are made to feel illegitimate, crazy and called members of a cult.

Only God gets to decide how his Kingdom will be ruled. As Rev. 2:26-7 states, "And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations and he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father." In Rev. 12:5 the bible states, "And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne." Again in Rev. 19:15 "And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God."

The rod of iron is the accouterment that Christ uses, demands and bestows upon the inheritors of His eternal Kingdom. As children of God, it is incumbent upon every believer, to embrace the shepherding rule of Christ and to have a crown of royalty and a rod of iron, the AR15, a foundation to the coat of arms of God's Kingdom. The wide ownership of and training with the rod of iron creates a culture where the citizens realize they are to be the last defense for their civilization and way of life. Gun ownership makes it possible for citizens to have a final means to resist tyranny coming from incompetent psychopaths and despots. This makes it essential to study and train together as a community and to learn the lessons of history, strategy, and resistance to tyrants as obedience to God.

When we think of the biblical God we may not think of arms and weapons. But Jehovah God himself, in Genesis is the creator of the first weapon in the bible as he arms the cherubim to defend the east side of the Garden of Eden from fallen man and their new master Lucifer. In John chapter 2 we see that Jesus Christ, God in the flesh is an assault weapons manufacture, as he "manufactures" the scourge (a nine tailed whip with blades on the end) for the express purpose of "assaulting" the money changers in the temple. In Luke chapter 22 Jesus, God in the flesh states to his disciples, "sell your cloak and buy a sword" (a military grade weapon which civilians could not own, telling his disciples to break unconstitutional unrighteous laws). This is the Jesus of the founding fathers and this is the Jesus that saved and secured America from tyranny.

Only when the good citizens of the world, as co-heirs in God's Kingdom control the power of the rod of iron, will the cancer of criminality, tyrannical governments and dictators cease to flourish and be "broken into shivers." Could China, Europe, Russia, Australia do what they are doing if all their citizens had the right to bear arms? Wolves fear the shepherd that carries the Rod of Iron. The simple act of owning a physical Rod of Iron puts fear into the predator class. But the sheep are comforted by its presence. As Psalm 23 states, "Though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."

When a good and free people with the Christian ethic of "Love God, Love thy neighbor," have the dominion of the use of force there is peace. When good, God fearing people can exercise their right to keep and bear arms freely, evil cannot prevail. When the power of the Rod of Iron is in the hands of the right people and not monopolized by government, or the 666 anti-Christ system, the people can flourish, prosper and protect one another, creating win-win enterprise and human flourishing. The kingdom of God is a Kingdom where the God of love, justice and mercy rules and shepherds the world with the reign of the Rod of Iron. This is not a tyrannical rule of Christ, as that would contradict the Word of God, which says that God is the same yesterday, today and forever.

The God of Adam and Eve gave humanity free will and respected their free will so much as to let them decide to hate and disobey God. God grieving, called his people to repent and to return to Him through the prophets of the Old Testament. God, so loved the world that he gave his only Begotten Son, Jesus Christ, "that whosoever believed on him would not perish and have eternal life" John 3:16. God so loves the world that when Christ's Kingdom comes, it will be ruled with him and his co-heirs with the rod of iron. In Matt 19, he says, "When the Son of man shall sit in the throne of his glory; **Ye also** shall sit upon twelve thrones, judging the twelve tribes of Israel."

In Rev 20:4, 6 he says that the co-heirs with Christ will "live and **rule** with Christ a 1000 years." In Matt 25, he states that the sheep and the goats will be divided and that the sheep will be given authority. God's Eternal Kingdom will **not** be a socialist welfare state for believers. God's Kingdom will be a Kingdom of Kings and Priests that **Co-Rule** with Christ, have authority and responsibilities given to them by Christ, and who will **Co-Reign** with Christ, with the **Rod of Iron**.

By decentralizing the power of the Rod of Iron to all the citizens of the Kingdom of God, God vanquishes evil and smites them into shivers by the collective power that is entrusted to us as His royal and divine children and as his co-inheritors. In Matt 25 the Bible states, "And he shall set the sheep on his right hand, but the goats on the left.

34 Then shall the King say unto them on his right hand, Come, ye blessed of my Father, **inherit the Kingdom** prepared for you from the foundation of the world."

Today we stand at a crossroads. Ahead of us is Thermal Nuclear Armageddon but also ahead of us is God's Kingdom of righteousness if we choose the right way. The balance of the world as we know it is in the hands of America and **We the People**. If we acquiesce to these tyrants in DC and fade quietly into the night, the torch of liberty will be extinguished. If we keep saying that God will handle it, and Jesus is coming back to sort out all the mess we have made, we are stomping on the graves of our founding fathers and all those who fought for this freedom.

Jesus is calling us to be his hands and feet to resist the hands and feet of Satan the adversary. Jesus is calling us to be brave and courageous at this critical hour as did every generation that had to face evil and tyranny. Jesus is calling us toward this tribulation, reminding us to have faith and an abundance of joy in Him. Jesus is calling us to Our Father who created the entire Universe and created time and space Himself. Jesus is calling us to put on the Armor of God and stand with him in this epic contest of liberty, setting the brush fires in the hearts and minds of men and protecting the vulnerable next generation of children from this evil that socialism/communism/political Satanism is bringing.

We implore the body of Christ and good citizens of this world to stop teaching the false doctrine of liberation theology, where a socialist "Castro-esque" Jesus will rule as a dictatorial tyrant centralizing all power to Himself. God is not like the dictators of political Satanism and the false monarchies of the past. The true King of Heaven and Earth, is calling us to be Co-Heirs and Co-inheritors and to stand with him to defend life, liberty, love and goodness by realizing our royal lineage to the King of Kings, Lord of Lords, and to accept the Rod of Iron as the protective accouterment that will defend the Kingdom of God, His people, His culture and His civilization.

Jesus is not the effeminate, castrated Jesus that we usually learn of in Sunday school. He is the perfect man, God himself in the flesh that as a loyal son and soldier who gave his life for you and me and we ask that you make him the Lord of your life and be forever transformed! For the bible says that Jesus Christ, who is the faithful witness and the first begotten of the dead and the prince of the kings of the earth, has loved us and washed us from our sins by his own blood and hath made us **Kings** and **Priests** unto God and to His Father.

To him be glory and dominion forever Amen!

Once again, we welcome you to the Rod of Iron Freedom Festival! God bless you; God bless America, and may God save America, using you and me, as His hands and feet!

Once again, we welcome you! God bless

God speed and may His Kingdom Come!
