Go Anywhere, With Complete Freedom!

There were some present at that very time who told him about the Galileans whose blood Pilate had mingled with their sacrifices. And he answered them, "Do you think that these Galileans were worse sinners than all the other Galileans, because they suffered in this way? No, I tell you; but unless you repent, you will all likewise perish. Or those eighteen on whom the tower in Siloam fell and killed them: do you think that they were worse offenders than all the others who lived in Jerusalem? No, I tell you; but unless you repent, you will all likewise perish." Luke 13:1-5

No matter how giant a tuna you are, if Satan gets a hook in you, you are finished. We have to smooth over the satanic niches and create niches where God can hook us. My rule for that is to live for others, not myself. I want to use my things to make other people happy. Then I elevate my goal, so that I not only make other people happy, but other nations happy, and the entire world happy. In the meantime, I take the sacrificial position. That attitude is completely opposite the satanic position. Thus, only heavenly hooks can grab me.

When you create lots of heavenly pockets and God can hook you, even if you want to go in the other direction, God can pull you back. Then there is no way you can end up in the satanic camp! There is a struggle inside of us. Our mind is more susceptible to God's hooks, while the body is more vulnerable to Satan's hooks; there is a contradiction within us.

I don't know why, but Unification Church women are all beautiful, and you undoubtedly have a desire to have some handsome man hold your hands. But your hand should be ready to feel more joy in holding the hand of an old grandfather to comfort him. If you really feel joy in helping old people and in helping people of your parents' age, then when you are firmly holding their hands and you meet a handsome young man, he will already respect you. Without holding his hand you have won him already.

To make it more extreme, the white sisters should hold the hands of black grandparents. Then when Satan tries to hook you, your body is as slippery as an eel and you elude him. When you are totally immune to satanic elements, God allows you to go anywhere in the world, with complete freedom. SMM, Historical Children's Day, October 28, 1981

Hello,

Hyung Jin Nim started the service by encouraging the young couples who have started their new roles as parents. It's important to be parents who stand for justice and resist school indoctrination of their children. The western world has gone crazy in this area. For instance, [a school district in Australia allowed a young girl to identify as a "cat" at her school.](#)

He praised [Matt Walsh who led a rally against surgical mutilation of youth who think they are](#)

[transgender in Nashville](#). Tennessee will ban child mutilation surgery in the name of transgender "affirmation." One of the speakers was an 18-year-old girl who started to identify at age 13 as a boy, later taking hormone blockers and undergoing a double mastectomy, but later realized she had made a mistake. The doctors encouraged her to do undergo these "treatments." They are luring children in at a time when they are vulnerable and confused.

America's enemies are laughing while our country's youth are involved in such delusions. The silver lining is that many citizens are waking up again.

As reported in Luke 13, Pilate executed Galilean Jews while they were making sacrifices. Accorded to the syncretism practiced in the Roman Empire, they were allowed to worship their own gods as long as they subordinated to the Roman deities.

But God the Creator is subordinate to no one. Roman gods are akin to fallen angels practicing unrestricted lust, envy, gluttony, etc., the opposite to the core values of Christianity. The pagan culture seeks to groom and sexualize young girls instead of teaching self-control, self-reliance, developing skill sets where you get humbled and have to work hard to improve.

He praised the parents standing up to the fallen agenda, including pornographic books in school libraries. Watching pornography leads to lower standards and more free sex, which is why abortion mills are required. It is akin to the goddess cult which ends up selling young girls for temple prostitution. The worship of a goddess who is said to be a "perpetual virgin" even though she and her acolytes have sex with strangers is illogical.

Jesus said, "there is no one good but God." Don't compare yourself to thieves and murderers. Those who try to live by a strict moral code should not think they are perfect, when the standard for that is God, not other fallen people. True repentance or "metanoia" means to turn your focus away from self to God.

May God bless you and your families!

Sincerely,

Richard
