The two shall become one flesh

Husbands, love your wives, as Christ loved the church and gave himself up for her, that he might sanctify her, having cleansed her by the washing of water with the word, so that he might present the church to himself in splendor, without spot or wrinkle or any such thing, that she might be holy and without blemish. In the same way husbands should love their wives as their own bodies. He who loves his wife loves himself. For no one ever hated his own flesh, but nourishes and cherishes it, just as Christ does the church, because we are members of his body. "Therefore a man shall leave his father and mother and hold fast to his wife, and the two shall become one flesh." This mystery is profound, and I am saying that it refers to Christ and the church. However, let each one of you love his wife as himself, and let the wife see that she respects her husband. Ephesians 5:25-33

What is the central theme of human life? It is true love. Human history has been the struggle of God to restore His rightful ownership over all things. Satan claimed ownership of all things by claiming dominion over human love. Until now, God could not claim true ownership over all things and this has been the worst tragedy for humanity. The turning point for human history is the day of hope when the Messiah comes, endowed with the power to restore the world with true love. In that way he will return true ownership of the world back to God, once and for all.

Hello,

Hyung Jin Nim started his sermon by pointing out that despite the disappointing midterm elections, there are states that are serious about defending children. He praised [legislation in Tennessee that bans "gender-affirming" child mutilation surgery](#) and a new [law that bans drag queen performances](#), which are really the grooming of children, [in public spaces](#), such as schools or libraries.

He also expressed gratitude for the amazing Republican victories in Congressional races in the "blue" state of New York. Even though there was not a Red Wave in this election cycle, we focus on God's will to be fulfilled.

Micah 4:5, which states "For all the peoples walk each in the name of its god,

but we will walk in the name of the Lord our God forever and ever," contradicts the idea that the returning Jesus will impose his will on all. God is the source of liberty. As clarified in the [CIG Constitution](#), in Cheon Il Guk, aka Kingdom of God or the Heavenly Nation, the dominant culture will be Judeo-Christian, but there will continue to be freedom of religion.

He referred to [Joe Rogan's discussion with Matt Walsh about their differing views on gay marriage](#). Matt Walsh explained that a man-woman union is different from other unions. It is productive in a way that other unions are not. Natural marriage is most conducive to healthy outcomes for the children. It should have an aspect of eternity. That is why Jesus called those who divorce their wives an adulterer.

The nature and capacity of a woman are obviously different from men in certain areas. She can get pregnant, and breastfeed babies. Modern culture devalues this, but it is a precious gift not to be despised.

Dating and premarital sex should obviously not be part of Christian culture, which has always taught youth to save their purity for marriage. Even one extra sex partner before marriage, increases divorce risk by 50%. Sex is like a fire that should be kept in the fireplace.

In the USA, Chinese-owned Tiktok allows videos of sexual "twerking," transgenderism and other fallen behaviors, but youth using Tiktok in China are only able to see images of patriotic Chinese citizens, who are studying, working hard, and ready to defend their nation. It's clear that the Chinese Communists intend to sexualize America's youth in order to weaken the nation they see as their greatest enemy.

The fallen culture says to give your 20s to your career, partying, etc. but it's better to invest your young adult life in your spouse and children. If your husband is not yet a "10 out of 10," pray for and encourage him! He spoke about a young minister's wife who gave her husband a list of mistakes he'd made. Instead, she should have pointed out the good things he did. Scripture demands that wives respect their husbands, and that husbands love their wives (Ephesians 5:22-33).

Political satanism has an agenda to undermine marriages. True Father spoke about gays living separately. Within one generation it would decline and end.

Christians should not be afraid of competition. It's good to train children to challenge themselves and become strong.

Cheon Il Guk does have government, but it is under limits. God did not eradicate the Archangel, but did

put chains or limits on him. The CIG Constitution does not allow for a federal Department of Education. Power is decentralized. Citizens have right to self-defense.

Good marriages give children confidence that they can have a good marriage, too. The core of marriage is sacrificial love. Make good habits to bring into your marriage.

In the CIG constitution, you cannot force people to believe something. There is freedom of religion and speech. In a free society, you can share ideas and information, which benefits the search for truth and leads to prosperity and the development of society.

Christianity has a long tradition of engaging with skeptics and with "scientism," a belief that "experts" can be trusted absolutely. Many abuses have been done in the name of "science." God will not take away free will because without that love cannot exist.

May God bless you and your families!

Sincerely,

Richard

The Gospel Family Anthology

The Gospel Family Anthology is serious reading for all seeking the truth about the Second Coming of Christ.

Book One. From the Cross to the Crown and Beyond

An 'out-of-the-box' look at Christianity that remains absolutely bible based.

Have you ever asked yourself why Jesus died for our spiritual Salvation, but the world is still so corrupt?

Why did he say in **John 16:13** "But when He, the spirit of truth comes, He will guide you into all the truth. He will not speak on His own; he will speak only what He hears, and He will tell you what is yet to come."

Why in **John 16:25** "Though I have been speaking figuratively, a time is coming when I will no longer use this kind of language but will tell you plainly of the Father."

Did Jesus come back again? We say YES with a new name.

You can recognize Him not just by his words, but by what He has already done for mankind! For you and me.

May Heaven illuminate your Awareness.

Book Two. Jesus Has Come Again with a New Name: Revelation 3:12

Many people talk about the second coming of Christ as if it is in the future. We are saying it has already happened, coming like a thief in the night. The seed of the Kingdom of Heaven on earth has been sown, taken root and we have the chance to participate in its growth.

The new history of God will **begin with the arrival of the Lord.** Blessed are those who see him and accept him. It is the hope of Christianity to recognize, receive, and accept the Lord of the Second Advent. This chance has arrived for all of us.

Sun Myung Moon has been dogged by controversy all his life. Is it because, as the mainstream media insinuate, he is an evil mastermind that has gotten rich by hoodwinking young people into dedicating their lives to make money for him? Or is it because he is a champion of God and Satan's minions are seriously threatened by his work?

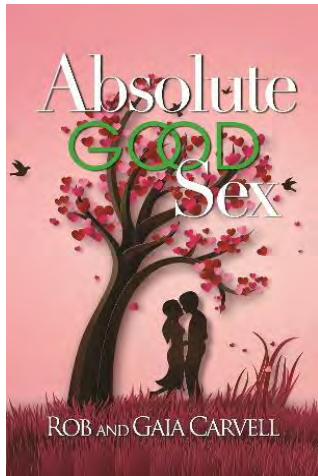

If it is the former, why do the media praise all the folk who do get rich and famous through dubious business practice and downright dishonesty whilst singling out Rev Moon for harassment. As we know, Jesus Himself was accused by the thought leaders of His day and murdered when convicted felons were set free.

If Rev Moon is who his followers say he is, then he is the greatest threat to the powers and principalities who rule this world, and they have every reason to try to turn the people of this world against him. At the same time, He brings the greatest chance of a world of peace and a world of love, in other words - the Kingdom of Heaven on earth.

I think it is advisable to delve deeper into the life of this man to find out.

Be Blessed. In Peace.

Book Three. Absolute Good Sex

A very inciteful and revealing book to direct or redirect our existence.

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to God's lineage.

When God first created human beings, He made Adam representing all men and Eve representing all women, with the intention that they become owners of true love.

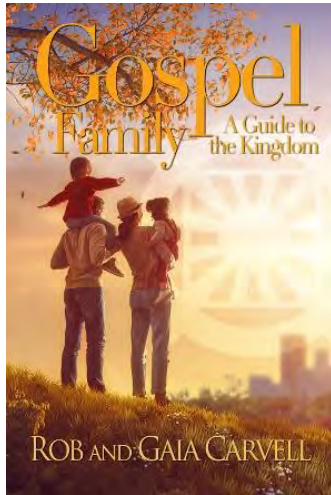

Then what was the quickest way for them to cultivate a character of true love? Simply put, it was to secure a parent-child relationship with God, whereby they could live in attendance of God as their Father and form a model family embodying God's ideal of peace.

They were to have followed the path of living as one family with God, experiencing joy eternally, creating a true love lineage, God's lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world. Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

A fundamental Secret reading that will better your Life.

Book Four. **Gospel Family, A Guide to the Kingdom**

This is a guide to family life in the new era of the Kingdom of Heaven on Earth and describes a lifestyle centered on it.

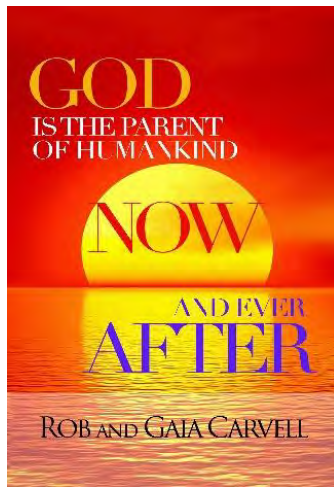

Christ, at His first coming, taught us to pray for God's Kingdom to come on earth as it is in Heaven. *At His second coming, He* has taught us practical ways to actualize this kingdom within our daily lives.

This book explains it in an easy to read, step by step way that is essential for all families wishing to participate in building the Kingdom. And it is God's blessing to human beings that they would establish the prototype of ideal families on earth returning eternal joy to God.

When we look around, we can see that the family has come under increasingly serious attack in today's world. There are many sides of this – the media promoting free sex and questionable relations; gender confusion; the public school system pushing a socialist doctrine instead of good education; moral and ethical decline and the sidelining of religious values. But the end of this world (the evil world) is at hand.

The new world of true love *is* happening. Join us in building it!

Book Five. God is the Parent of Mankind, Now and Ever After

One more inciteful book giving a heartfelt look across the veil into the world of spirit.

The crossroads of life do not appear over a long period of time but in a single moment. The relationship between a moment and a lifetime

People who ignore a moment fail to obtain something precious. They cannot become great people, nor inherit God's throne and crown.

God created Adam and Eve and installed them as the first ancestors of humankind to form the model family and establish the ideal of peace. He committed Himself completely to raising them as His son and daughter who were to be encapsulations of the entire cosmos, mediators between the spiritual and physical worlds, and lords of creation, and who would be joined with Him through true love, true life and true lineage.

The spirit world does actually exist. It is not a world that has been fantasized or imagined into existence. We do not have the right of choice concerning it. It is not a world we can go to if we please or refuse to go to if we would rather not.

Though it cannot be perceived by the eyes in our physical bodies, the spirit world is the automatic and inevitable extension of our lives on earth, humankind's eternal, original homeland, created by God.

A world where true love reigns supreme.
