### OBD: 95% of Father's Words NOT TRUE

*Righteous are you, O Lord, when I complain to you; yet I would plead my case before you. Why does the way of the wicked prosper? Why do all who are treacherous thrive? You plant them, and they take root; they grow and produce fruit; you are near in their mouth and far from their heart. But you, O Lord, know me; you see me, and test my heart toward you. Pull them out like sheep for the slaughter, and set them apart for the day of slaughter. How long will the land mourn and the grass of every field wither? For the evil of those who dwell in it the beasts and the birds are swept away, because they said, "He will not see our latter end." Jeremiah 12:1-4*

*Unless you have a foundation of gratitude, you have no way to link yourselves to God and the heavenly kingdom. The foundation of gratitude is the key upon which everything will blossom. SMM, The Engagement and Holy Wine Ceremonies, May 13, 1979*

Hello,

Hyung Jin Nim started his sermon by discussing his King Bullet Head music video called "Free China." He is not going through a midlife crisis. It's another way to talk about world events, need to defeat Satanism and spread the gospel to a younger audience. Shigeru was a music producer major in college and now able to use skills for God's purpose.

Satan always targets culture in order to lead people into fallen attitudes, values and behaviors.

Hyung Jin Nim avoided singing for many years because he wanted to focus on ministry and training. He had seen some of his siblings drawn into fallen culture through music. This is just one new aspect of ministry.

Jeremiah 12 speaks about the Israelites giving their allegiance to Baal, which included child sacrifice. The popular culture approves living for your own pleasure and emotions. Even though vast majority of women desire to get married, they waste their youth and think it won't affect their future lives and ability to have a strong marriage and family.

He praised the young queens who give their youth to raise children. When their children are in their teens, they will be able to unlock their epigenetics by mountain climbing, ocean diving, etc. together. The grandchildren probably won't care about whether grandma climbed the corporate ladder.

The result of free sex culture is unwanted babies who are then killed and offered to Baal. Many churches have been infiltrated. 50% of unborn babies are murdered by their African American mothers. The fire of sex should be kept in the fireplace of marriage.

Faithful people cry out to God when they see the evil prosper. Autopsies shown in *Died Suddenly* show 1-2 foot-long blood clots pulled out of the blood vessels of those who suddenly died as young or middle-aged adults.

In Jeremiah 12, the Lord tells him that worse things are coming. God's people have betrayed Him, so He has abandoned them.

Each tree has to be managed. Rosebushes bloom sideways if the branches are bent more than 45%. Similarly, families must be trained and shaped to defend liberty, and to love God and neighbor. Just as God created order out of chaos, man must implant God-centered love and heart to make a Godly vineyard. In the wilderness, the wild beasts, representing Satan, do whatever they want, preying on the innocent and the weak.

Jeremiah forecast God's judgement due to their rebellion. He was not a popular prophet, who preached prosperity. His own family hated him (verse 6). To regain God's protection, they must repent and turn back to His will. Then there will be a way out.

After 10 years, another FFWPU minister has repented and returned to True Father's authority. We should not hold grudges. We should forgive and welcome them. We were called all sorts of names and cursed, but we don't pay attention to haters. Let us just focus on doing God's will.

May God bless you and your families!

Sincerely,

Richard
