Hak Ja Han's New/Ancient Principle of Creation

We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ.
2 Cor 10:5

When you enter your home, think to yourself, I am now walking into the Kingdom of Heaven." When you leave home and go out into the world, consider that you are going to expand the purpose of heaven. If you live every day like that, how can you possibly fall into hell? Heaven is determined by how you live. You don't need any special procedures or applications in order to enter heaven. You will find yourself in the same place as you were on earth. If you were in heaven on earth, you will be elevated into heaven in spirit world. But if you were in hell on

earth, that is where you will go.

SMM, Wake Up, America! June 12, 1988

Hello,

Next weekend is Memorial Day when we pray for those who died to preserve our freedoms. Pray for one another and for goal to have 12 new blessed couples by the next True God's Day.

Andrew Tate, the influential Romanian kick boxer and media personality, brags about having sex with countless women. He's influential with millions of men and boys. It would be good if celebrities like him could understand their responsibility as Godly husbands and fathers.

Alpha males have been driven out of the churches. Sadly, most men are no longer a buttress against a corrupt culture. Mainline churches are afraid to confront transgenderism. While the churches decline in Europe, Islam is growing. Women and children will suffer the most from the absence of strong, Christian men.

In America, there is still a Protestant remnant, with patriots willing to fight tyrants. Next Sunday, 3,000 patriot bikers will be doing a 65-mile run on Memorial Day that includes the breathtaking views in Smoky Mountains National Park. Amazingly, it ends at Veterans Overlook in Clinch Mountain which is just 2.5 miles from Chung Pyung in Thornhill, TN! It's wonderful that the Rod of Iron Riders will be able to connect with 3,000 patriot riders by joining this run early next Sunday!

[Sanctuary Service 5/21/2023](#)

As expressed in his most recent rap song, when Hyung Jin Nim was young he felt a temptation to take his own life, which of course is a massive sin. Young people think that ending their lives will make a big change, and bring repentance and unity. They are deluded by the devil. Another form of self-worship. A way of putting yourself in the center of the universe.

The Left glorifies suicide and euthanasia, but calls us a cult? When his brother Young Jin who was just one year older took his life it was devastating. He took a year off to help Hyung Jin Nim get A's in school. He also helped him to train in martial arts.

Young Jin Nim was Kook Jin Nim's favorite younger brother. Hyung Jin Nim became closer to Kook Jin Nim after his passing. Many young people are just in their own minds, but that shocking death brought Hyung Jin Nim back to reality.

That is why Jesus taught us to pray and to not lose heart. The unjust judge described in Luke 18 doesn't care about God, justice or the people. A judge who doesn't fear God can become a good Nazi, just carrying out the will of the State.

Blessing Highlights

We need leaders who aren't afraid to speak out. As shown in the Principle, God will divide corrupt organizations into Cain and Abel sides. Look at the example of the FBI whistleblowers who are calling for the reform or abolition of the FBI and CIA which have abused their powers.

Then there is the parable of the Pharisee and the Tax Collector in Luke 18:9-14. One was self-righteous while the other knew he was a sinner.

The rhetoric of the current regime in the White House is to eradicate white, heterosexual, Christian gun-owners. That is why the 2nd Amendment is so important.

The inner circle in the Family Fed around Hak Ja Han are hiding, but leaking what she has been saying. She is the biggest robber, stealing True Father's authority.

In Christian jurisprudence, the intention is important. Parents also need to discern the motivation of their children. They are not perfect. That is why training is so important.

The mob demanded that Jesus be executed. Jesus taught us to long for justice. That God will give justice who cry to Him day and night.

After being appointed, Hyung Jin N said that even though I was pure until marriage and done all the

required things, not to drink, etc., "I am still a sinner." For instance, I ignored and resented God at different times in my life. The church leaders didn't like hearing him say that. The Bible says our righteousness is like dirty rags.

It's important to have moral humility. We need Christ to become good. It is his righteousness that we wear. Put on the garment of Christ, which prevents the Pharisaic culture from taking hold.

We should have the mindset that I am chosen by God, but I'm not perfect. I must keep running after His will. Keep training so that we don't make emotional decisions.

We pray for America to come back to that awareness. Freedom is not free. These are the last days of Satan's kingdoms, which is being exposed, but these are also the early days of God's unfolding kingdom. His lineage, constitution, kingship lines are being established on earth. Do not despair. You are not perfect, but still stand against evil.

Hak Ja Han's New/Ancient Principle of Creation

On 5/18/23, after going around Chung Pyung Lake with about 70 important executives on a cruise ship, here is what Hak Ja Han said at a luncheon at the Cheon Jeong Won restaurant after giving different directions:

"Another thing to emphasize is that, it is important to look for and raise up the second and third generations. We need to educate them on the essence of the Creator, the Heavenly Parents, and what the mission of True Parents is. **From now on, what you must educate is the Principle of Creation, but not the Principle of Creation as explained in the Divine Principle.**

The essence of the Creator is the Heavenly Parents. **The source of life is born through the mother. [You are born] 99.999% from the mother and 0.001% from male. It is the same with the Heavenly Parents.** Until now, He has been introduced as the Heavenly Father.

In the Exposition of the Divine Principle, He is the neutralised subject of the dual characteristics. This is wrong. We have to fix that. We must teach what is the Principle of Creation, what is the mission of True Parents, and what is the responsibility of True Parents. **In the future, education should be centered on the Word in the Cheon Il Guk era rather than in the Old Testament era, the New Testament era, the Completed Testament era.** Do you understand?

The age has come when we live with our Heavenly Parents. Should you ignore that? In that sense, seniors and those in charge should undergo retraining. That's why we can say that *the providence of CheonShimWon is important. It has become the root of faith.* You have to experience yourself, the unshakable roots of faith. Do you understand? You are going to do that, aren't you?"

- Han Hak Ja, May 18, 2023

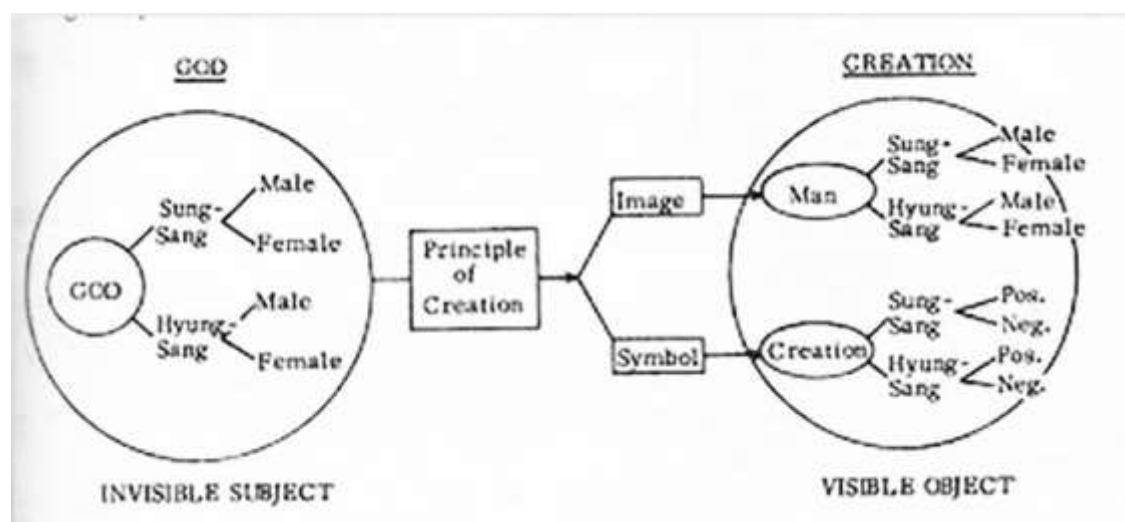

Commentary on HJH's NEW/ANCIENT Principle of Creation

In this brief statement to 70 top leaders, Hak Ja Han calls for radical changes to Unification teachings. In the 4th paragraph, Hak Ja Han critiques the Divine Principle's teaching that God is the (harmonized) "neutralized subject of dual characteristics" referring in this context to God having equalized masculine and feminine qualities. She asserts, "**this is wrong. We have to fix that.**"

Since Genesis declares that we are made in the image of God, it is natural to ask what is wrong with the teaching that God is the harmonized/neutralized subject of dual characteristics? In the 3rd paragraph, she states that babies are born from their mothers, with 99.999% coming from their mothers and .001% from their fathers. She then makes the fascinating claim that "**it is the same with the Heavenly Parents,**" apparently meaning that God's nature is *predominantly* (99.999%) female?

She instructs, "in the future, **education should be centered on the Word in the Cheon Il Guk era,**" meaning the words of Hak Ja Han, "**rather than** in the Old Testament era (Hebrew Bible), the New Testament era (Jesus and apostles including St. Paul), the Completed Testament era (Sun Myung Moon)."

She concludes by saying that "seniors and those in charge **should undergo retraining**" because "the providence of CheonShimWon (initiated by Hak Ja Han) is important. It has become the root of faith." To paraphrase, seniors and leaders need to undergo retraining because they have believed the words of True Father Sun Myung Moon, but instead they need to believe the new root, the words coming from her.

This talk to elite Family Fed leaders by Hak Ja Han aligns with assertions she made in her March 25-26, 2019 legal deposition where she stated *under oath* that any decisions made by Sun Myung Moon not approved by her were invalid www.sanctuary-pa.org/apologetics/hak-ja-hans-beliefs-as-revealed-under-oath. It also aligns with a workshop to FFWPU leaders last year by Rev. Myungdae Kim (Vice President of the Retired Pastors Association) where he stated that 90% of what True Father Sun Myung Moon taught was false. www.sanctuary-pa.org/apologetics/declaration-of-faith It also aligns with talks given by Kim Jin-chun in five major regions of Korea from March 21 to April 7 and again on April 17, 2022 at the Han Mother's direction to 500 Family Fed representatives from all over the world. These talks by Kim Jin-chun were denounced by 36 couple elder Rev. Young Hwi Kim on June 25, 2022, in which he cried out that the talk by Kim Jin-Chun:

is a satanic act to divide the two and tear True Parents to pieces. Is this the filial piety to liberate Father? On the one hand, she has been humiliating and downgrading Father by summoning him to the priesthood and putting a dirty coat of paint on his lofty phase and image of a stern saint, while on the other hand, she has been claiming that all the fulfillments of Providence were possible not because of Father with his tail but because Mother completed her personality as a perfect Snow White. He has a long and loud speech on the theory of the Immaculate Conception (of the Only Begotten Daughter), which has no root and no basis. How is this possible? If the father is downgraded, will the mother be elevated and perfected at the height of her power? www.sanctuary-pa.org/apologetics/36-blessed-couples-alarmed-over-obd-theology

It is evident that Hak Ja Han and her Family Fed representatives are aggressively asserting a new religion based on her claim to embody what she frames as God's predominantly (99.999%) feminine nature. I suppose this may be attractive to feminists who critique the male patriarchy, but all of us should be asking ourselves the question posed by Rev. Young Hwi Kim, "if the father is downgraded, will the mother be elevated and perfected at the height of her power?" Does tearing True Father down when he is not here to speak make us respect Hak Ha Han more?

Of course, religious teachings about a dimorphous but predominantly female goddess are not really new

at all (mythology.net/egyptian/egyptian-gods/astarte/). The Biblical revelation that God created through the Word (see previous email about the DNA "alphabet" in every cell of living things) was a **radical departure** from ancient Near East religions which taught that creation of the world came through sexual relations between male and female gods.

The Divine Principle and Unification Thought teach that the **dual characteristics of Internal Nature (Sung Sang), ie. intellect, emotion, will and heart, and External Form (Hyung Sang), ie. Universal Prime Energy are God's PRIMARY nature**. Masculinity and femininity are SECONDARY, not primary characteristics.

The Biblical/Principle understanding of the creation of the world is that it came through *the design and intention of the invisible God* as expressed through His Word, not through sexual interaction between male and female elements.

It is heartbreaking and mystifying to see these ongoing series of attacks on True Father and on the Divine Principle teaching itself. Unificationists can look forward with astonishment as FFWPU theologians re-write the Divine Principle centered on Hak Ja Han's, not True Father's, religious teachings. After all, she teaches a new/ancient religion different in significant ways from what Sun Myung Moon taught for more than 6 decades of his life.

These points are revealed in her deposition under oath in the Family Federation lawsuit against Sanctuary Church regarding the Tongil mark (12 gates symbol).

1. She has always had more authority in the church than True Father.

This is the most shocking of her statements to me, being in the church almost 49 years. She states that she has always had more authority than True Father and that he should never have done anything without her approval.

Even though she was there four times when True Father crowned Hyung Jin Sean Moon as his successor, she claims she never approved, so therefore the coronation is not valid. (Page 126, Lines 10-21, Page 127, Lines 5-15)

2. There is no successor.

(1.) Even though Rev. Moon spoke for years about God wanting to create love, life, and lineage, and (2.) even though the Principle of Creation asserts God wanted to create His Lineage on earth, and even though (3.) Rev. Moon crowned Sean Moon as his successor on at least four occasions, still Hak Ja Han testifies under oath numerous times that there is "no successor." (Page 130, Line 25 and Page 131, Lines 1-13. Page 139, Lines 6-11. Page 149, Lines 20-25 and Page 150, Lines 1-10)

She states in several parts of her testimony that there are no successors to True Parents, and Sean is not a successor to Rev. Moon. (Page 114, Lines 7-15)

3. She and Jesus are the True Parents.

She identifies "True Parents" as the Only Begotten Daughter (herself) and the Only Begotten Son (Jesus). She leaves out True Father, Sun Myung Moon. (Page 17, Lines 10-20)

4. She is the sinless Only Begotten Daughter/Messiah.

She names herself the Only Begotten Daughter, the counterpart to the Only Begotten Son, Jesus. (Page 19, Line 25 and Page 20, Lines 1-3)

5. She was co-founder of the HSAUWC.

She claims the Unification Church was founded in 1960 by True Parents, as opposed to the establishment date of 1954 by True Father and his followers (when she was 11 years old). (Page 22, Lines 17-23. Page 23, Lines 12-17)

She says Sun Myung Moon may have started the Unification Church and was leading it prior to 1960 and he continued to do so until his death. However, the Unification Church did not really have "Founders" until she came. (Page 38, Lines 10-23. Page 39, Lines 5-25, Page 40, Line 1)

She first met True Father when she was about 11 years old. And she acknowledges that True Father was in control of the church. (Page 35, Lines 17-25 and Page 36, Lines 1-13. Page 40, Lines 2-17)

6. True Father had Original Sin which she removed.

She states that Sun Myung Moon was born with Original Sin which needed to be removed. He could not have become the True Parent on his own. He had to meet her. When Sun Myung Moon met Jesus at 16, he was given a path of suffering and indemnity to qualify as the only begotten son so he could meet Hak Ja Han. After meeting her, Rev. Moon could ascend to the position of Only Begotten Son. (Page 98, Lines 21-25, Page 99, Lines 19. Page 100, Lines 22-25. Page 101, Lines 11-21, Page 102, Lines 1-8)

7. True Father could only marry her to succeed in his mission.

Sun Myung Moon could only gain the position of the Only Begotten Son and True Parent by marrying her in 1960. (Page 19, Lines 4-23)

8. Sun Myung Moon could not fulfill his mission if he had married anyone else but Hak Ja Han. Restoration could only come through her. (Page 49, Lines 15-25)

9. She believes she was born knowing the Divine Principle. She knew it from birth and did not have to go through a learning and growth period. She did not have to make any effort or sacrifice to gain this knowledge. Her course is contrary to Jesus and True Father's courses (and the Principle of Growth in Divine Principle). She says True Father had to suffer a great deal in order to meet her. She says he never educated her. (Page 105, Lines 9-25, Page 106, Lines 1-25, Page 107, Lines 1-2) True Father's mission was to find the word and write it down so he could qualify to meet her. (Page 109, Lines 11-22)

10. She states under oath that True Father did not complete his mission on earth. (Page 109, Lines 9-14)

11. She is equal to Sun Myung Moon "in every respect." (But she actually thinks she has higher authority than he does as seen elsewhere in her testimony.) (Page 113, Lines 10-13)

12. True Father crowning Hyung Jin Nim was not a true crowning. Even though True Father publicly crowned Sean Moon as his heir and representative while she was standing right next to him, she denies that is what he was doing. It was not really what Rev. Moon was proclaiming it was. She claims True Father's proclamation was not valid because it did not have her signature. (Page 115, Lines 1-25, Page 116, Line 1 and then Line 25, Page 117, Lines 1-2. Page 118, Lines 3-8)

13. Her opinion of Hyung Jin Moon was that he was "not adequate" ("immature") and he needed to "grow and learn." True Father had said that Sean Moon had the greatest faith of any Unificationist. He had also said that it didn't matter whether he appointed a handicapped child, that person would still be the heir and successor. It was totally his decision. That also discounts that True Father had placed Hyung Jin Nim in charge of every department in the Korean and International Churches. (Page 59, Lines 3-25, Page 60, Lines 1-9)

14. There cannot be a successor to True Father. She says that he didn't really appoint Hyung Jin Nim as his successor because she was

not in agreement. (Page 64, Lines 7-25, Page 65, Lines 1-6)

She says even though True Father publicly appointed his successor, he cannot do that. The members of the church somehow have to agree. And besides, none of her sons qualify. (Page 121, Lines 3-20)

Even though True Father testified to Sean Moon's faith, Hak Ja Han says he didn't really mean it. She refused to honor it. (Page 22, Lines 11-23. Page 123, Lines 13-23)

15. The Mother has more authority than the Father. True Father cannot decide his successor by himself without her consent. "The Mother has more authority." (Page 126, Lines 10-21. Page 127, Lines 7-15)

Conclusions: Don't believe me. Believe Hak Ja Han's own testimony under oath as to what she believes.

By her own words Hak Ja Han has betrayed her husband, the Returning Jesus, and claimed for herself the Second Coming title and authority as well as all the worldly treasure.

If you truly love her, you need to repudiate her so she can repent and come back to God during her physical lifetime. Those continuing to follow her bear responsibility for enabling her and will inevitably join her in her fate.

Take the time to do the research yourself and sincerely ask God about it. You owe it to yourself and your loved ones. Read her complete Deposition (linked below). It's all there in black and white.

Declaration of Faith

By Shin Jae Park

December 11, 2022

I was still in school when I came to believe that Divine Principle was the only path to resolving the fundamental problems of life and the universe. I felt engulfed in infinite joy and blessing that I could meet the Returning Lord who came to the Korean Peninsula. I abandoned all earthly pursuits and embarked on the journey of faith. No matter how heavy my burdens became, I always felt blessed to be living during the same era as the Messiah, the Returning Lord, the True Parent of humanity. And to receive this blessing even though I could offer so little in return. This sums up the past 53 years of my life. However, I was deeply shaken and dumbfounded by news of the blasphemy and vandalism committed against True Father's messianic identity and status after his Cosmic Seonghwa. I spent the ten years since 2012 in shame and remorse with the heart of an unfilial son.

At the 10th anniversary of Father's Seonghwa, Jinchun Kim traveled around the country, lecturing in each district. From April 19 to 20, he educated 500 leaders from around the world in Cheongpyeong with blasphemous and anti-Providential rhetoric about Father. Hearing what he was teaching, I could no longer hold back or stay silent. On top of that, the presentation by Myeongdae Kim, vice president of the Retired Pastors Association, at Hwasung church on November 27 truly made us doubt what we were hearing. His words were anti-Principle and anti-Providential gibberish against Father. Kim disgraced Father using absurd logic he referred to as Heavenly secrets.

Who in the Unification family ever thought such things could happen? This tragedy calls for blood-vomiting lamentation. The real problem lies with the many leaders and senior pastors of the Family Federation. What's even more heinous is that well-meaning members are kept in darkness away from the Family Federation's anti-Principle and anti-Providential claims. Oh, True Parents of Heaven, Earth, and Humanity! You were anointed by Heaven and came to the Korean Peninsula as the savior and messiah of humanity, the Returning Lord, the Third Adam and the Tree of Life. The Christian foundation and the people in it whom God prepared for two thousand years failed to follow you due to ignorance and unfaithfulness. Because of this, you had to bear the cross alone, walk the wilderness course, and be imprisoned six times. Despite all the hardships, you kept rising again like a phoenix and ultimately laid the victorious foundation!

How could they denounce everything you accomplished? I am so sorry. I am very sorry. No words exist on earth to describe the kind of forgiveness that I must beg of you. There is not one person who could find their way back to your forgiveness if they ever tried to taint your messianic identity even once.

What would happen to the six thousand years of Restoration Providence for which God endured so many difficulties if someone could shake the identity and the status of the True Parent of Heaven, Earth, and Humanity who is the center and the core of the cosmos, the substantial God who is God's body and the horizontal God? What would happen to Heaven and Earth? What would happen to the future of the world, the country, people, family, and individuals? There can only be darkness.

The Family Federation has been on the wrong course for too long, and they have passed the point of no return. All their attempts to justify and excuse their anti-Principle and anti-Providential actions will be in vain. Fellow family members! Wake up from your sleep and discover the path to eternal life and salvation!

This is our heart as we officially announce that we are leaving the Family Federation, the dear organization that was a part of us during our entire lives.

My wife and I place our complete faith in the "Coronation for the Realm of Liberation for God, the King of Kings" held on January 15 and 31, 2009, and in the signed proclamation declaring Hyung Jin Moon as True Parent's heir and inheritor and all others as heretics and destroyers. A vivid image of this document and the declaration itself (YouTube) still exists. As husband and wife, we place our complete faith in the Eight Great Texts and the autobiography. We hereby proclaim we will serve the True Parent's representative, the inheritor, the successor, the three-generation kingship, and the realm of the royal family walking the difficult wilderness course for the past ten years. We will shake off the past depressing ten years that plagued our hearts and start a new beginning filled with hope. Aju!

가정연합 탈퇴 선언문

저는 학창시절에 원리를 듣고 인생과 우주의 근본문제를 해결할 수 있는 유일한 길로 믿고, 한반도에 강림하신 재림주님을 만난 무한한 감동과 은혜에 사로잡혀 세상적인 모든 뜻을 접고 신앙길로 접어들어 이름도 빛도 없이, 큰 실적도 없이 그저 인류의 메시아 재림주 참부모님을 모시고 동시대에 지상에 사는 그 자체만으로도 어떤 어려움 속에서도 늘 소망스럽고, 감사하고, 행복한 53년의 신앙생활이었습니다. 그러나 아버님 천주성화 이후 곧 들게 된 참아버님의 메시아적 정체성과 위상을 모독하고 훼손하는 소식을 접하면서 큰 충격을 안고 고민 속에 10년의 세월을 죄인 된 마음으로 불충과 불효의 세월을 보내왔습니다.

성화10주년이 되면서 김진춘의 지구별 순회교육에 이어, 4월 19일~20일에 걸쳐 500여명의 세계지도자들에게 김진춘(심리의 진실-김영희 저)이 청평에서 교육한 참아버님에 대한 모독과 비원리적이고 반 섭리적인 내용에 대해 더 이상 참을 수 없고 용납할 수 없는 사태에 직면하였으며, 이어 지난 11월 27일 김명대 원로회 부회장(유튜브 자료)이 화순교회에서 우리의 귀를 의심케 하는 한발 더 나아가 한늘의 천비라고 운운하면서 기막힌 잡설로 아버님을 모욕하는 비원리적, 반섭리적 사태가 발생하였습니다.

어찌 이런 일이 우리 통일가에서 발생하리라 일찍이 누가 꿈엔들 생각이나 했겠습니까? 참으로 피를 토하며 애곡할 상황입니다. 문제는 이런 상황을 묵과하고 동조하는 가정연합의 많은 지도자들과 원로목회자들이 있으며, 더욱 심각한 것은, 순진한 식구들만 이러한 가정연합의 비원리적이고 반 섭리적인 내용을 제대로 모른다는 사실입니다.

하늘의 인침을 받으시고, 인류의 메시아 구세주 재림주, 제3의 아담, 생명나무 참부모로 한반도에 오셔서 2천년 동안 준비해왔던 기독교제단과 인물들의 무지와 불신으로 그들이 참부모님을 따르지 않고, 모시지 못함으로 말미암아 홀로 십자가를 지고 광야로정을 거쳐 생사를 초월하는 여섯 차례의 옥고를 치르면서 천신만고 끝에 불사조와 같은 삶으로 승리적 기반을 이룩하신 수고하신 천지인참부모님!

어찌 감히 참부모님의 그 위상을 이렇게 모독할 수 있겠습니까? 정말 송구합니다. 죄송합니다. 용서를 구할 단어를 지상 천지 그 어디에서도 찾을 수가 없습니다. 그 누구라도, 단 한번 만이라도 참부모님을 향해 메시아적인 정체성을 모독했다면 그에 해당하는 용서의 길은 없다고 생각합니다.

천주의 중심이요 핵이시며, 무형의 하나님의 체를 쓰신 실체 하나님이시요, 황적 하나님이신 천지인참부모님의 정체성과 위상이 흔들린다면 하나님의 수고하신 6천년의 복귀섭리역사는 어떻게 되겠습니까? 또한 이 천주가 어떻게 되며, 세계와 나라와 민족과 가정과 개인의 미래는 어떻게 되겠습니까? 암흑천지가 될 수 밖에 없을 것입니다.

이제 잘 못된 방향과 길을 이미 멀리 떠나 돌이킬 수 없는 가정연합은 그 비원리적이고 반 섭리적인 작태에 대해 어떤 변명도 합리화도 하나님과 천지인참부모님 앞에는 통하지 않을 것입니다. 식구님들이여! 속히 무지에서 깨어나 참된 영생과 구원의 길을 바르게 찾으십시오!

그리하여 저는 수많은 날들을 고민과 기도 가운데에 평생을 몸담았던 가정연합을 더 이상 함께 할 수 없는 입장을 분명하게 공식적으로 발표하며 탈퇴를 선언합니다.

2009년 1월 15일과 31일에 3차에 걸친 “만왕의 왕 하나님 해방권 대관식”과 2010년 4월 23일 하늘의 혈통을 중심하고 참부모님의 대신자 상속자는 문형진으로 명명하시고 그 외 사람은 이단자요 폭파자라고 사령장을 판에 기록하시고 서명하시어 선포하셨던 그 생생한 현장과 선포문(유튜브 자료)을 우리 부부는 절대 믿고, 인류를 위한 마지막 유언으로 남겨주신 8대 교재교본과 자서전을 절대로 믿고, 10년 동안 고난 어린 광야로정을 걷고 있는 참부모님의 대신자, 상속자, 후계자, 3대 왕권과 황족권을 모시고, 가슴 터지도록 암울했던 10년을 털고 일어나 천일국 창건을 위한 희망과 소망에 찬 새 출발을 하려고 합니다. 아주!

The following statement was written by Rev. Young Hwi Kim, one of the 36 Blessed Couples, on June 25, 2022. He comments on the content of a lecture tour by Kim Jin-Chun for Family Fed members in five major regions of Korea from March 21 to April 7 as directed in the Han Mother's "special order." The video is of Kim Jin-Chun lecturing at the Jeonju Church on March 22. For context of the below statement, the above video was presented to select Family Fed leaders.

Rev. Young Whi Kim's June 25, 2022 Statement

I heard that a man named Kim Jin-chun gave a lecture tour in five major regions from March 21 to April 7, 2022, at the special order of Mother Han. The participants included a pastor and his wife, public officials working for an institution, and former pastor members. The lecture was not open to the general church membership. Fortunately, I was able to catch a glimpse of the lecture that was given at Jeonju Church on March 22nd through a YouTube video. The video was taken down a few days later, but I am sure it is still there somewhere.

On April 17, ten days after the lecture tour, about 500 representatives from all over the world and leaders of domestic Korean Church Leaders who participated in the "10th Year of Heaven and Earth Leaders' Meeting," canceled all other scheduled events under Mother's special instructions and went to the "All-Night Seminar" for two days from April 19 to attend KimJin-chun's special lecture and receive education.

The theme of his education and prayer was "to take away the shameful tail attached to Father and free Father," and "to reveal the truth of Only Begotten Daughter and to explain the phase and value of the Immaculate Conception's "Only Begotten Daughter."

The content of Kim's lecture, which was closed to the public, was probably based on his lecture given during his tour of the five major regions but was probably more verbose than the original. Fortunately, however, the lecture is available to the public in the form of a 15-minute, firsthand account of what he intended to say in his lecture.

What was shocking was that Kim Jin-chun remained consistent throughout his presentation in his efforts to represent and convey Han mother's intentions. **There is no reason for me to go so far as to mention all the unprincipled, anti-Providential ramblings that he confessed in his personal confession of faith. When I heard and saw the recording, I could not suppress the harsh voice of True Father crying out inside me, which led me to write this statement.**

Of course, before I wrote this, I was told that on June 16th, Mission Director Yoon Young-Ho of the World Headquarters and Secretary General Chung Won-Joo of the President's Office invited members of the 36 families to have lunch together, at which time I expressed my opposition in a clear and decisive tone against the anti-providential, anti-principle content of Kim Jin-Chun's lectures and made a big deal out of such lectures by the church. I was very concerned about the serious after-effects this would have on the church.

In the content of Kim Jin-chun's lecture, **none of the references to True Parents are consistent with the principles and teachings revealed by True Father**, and the content is a distortion and manipulation of facts and truth. I do not feel it worthwhile to refute all of them, but I will mention only three or four that are the most serious distortions. Please note that the quoted text is from Kim Jin-chun's lecture, and the text in parentheses is my interpretation.

Kim Jin-choon: "It is really a pity that the position of the Father, who inherited the mission of the Second Coming Messiah, has to proceed according to the principle when the Mother sees it. Therefore, it is not the position of the Father to decide on the bride at the time of the 1960 Holy Matrimony in such a tail-wagging position."

(Young Hwi Kim : Kim Jin-choon is saying that Father, whom Jesus established as His successor, but not the Father whom God indemnified as the Second Coming Messiah, did not go in a way that suited the principle. Such an unprincipled "tail-wearing" Father was not qualified to choose and decide on the bride at the 1960 Holy Matrimony.)

Kim Jin Chun: "Until now we have thought that Father would choose a girl from among fallen women and that the Second Coming

Lord would educate the mother and re-create her for seven years. But when you look at what I have just said, you will realize that this is not true."

Young Hwi Kim: (This is an "open mouth" remark, following the reference in the paragraph above. So, although Father was "not qualified" to choose a 17-year-old woman named Han Hak-ja as the bride of the Second Coming Messiah in 1960, the historical fact is that the Holy Wedding Ceremony was held in that way. He also professes that the history of the Providence of Restoration through Indemnity, which proclaimed God's Day on January 1, 1968, after a seven-year course of consummating Eve, or the Bride, after the Holy Marriage, was completely nonsense and invalid.)

How do you take the fact that such a lecture was officially enforced as an education at the World Leaders' Assembly? It is a tragic and disastrous act, as if they were trying to support Mother while denigrating and slandering Father but at same time kicking in an own-goal to ruin Mother's existence. In a word, **this must be a satanic act that destroys the ideal of True Parents.** At this point, I cannot confirm if this is the will of the Mother as stated by Kim Jin chun, but since it came from his mouth, he will surely be held accountable for his words.

Receiving the will of God who has been proceeding with the creation-fall-restoration providence according to the Principle, True Father, Sun Myung Moon, the Second Coming of Messiah and the Bridegroom, has gone beyond and clarified the cross of indemnity for the salvation of mankind, which is unspeakable and tragic, and has been living in the history of providence! **We, the 36 Blessed Families, who have participated in this providence since its pioneering period and are living witnesses who have seen and heard the truth, will never tolerate such actions that seek to annihilate True Parents' Holy Matrimony.** I will only mention a few words about such unprincipled anti-providential rebellion, without daring to quote from the Principle, the Word, and the Bible again.

Following the fall of Eve, who created a reciprocal relationship to the unprincipled love with Archangel Lucifer, and after the fall of Adam by a temptation of fallen Eve, when human beings were subjected to Satan's unprincipled dominion, God proceeded with a salvation providence, or restoration providence. The restoration providence is a re-creation providence to separate from Satan and bring Satan to his knees. The re-creation is developed as a restoration through paying indemnity conditions based on the order and principles of the Creation. In other words, it is the process of re-creating Adam and Eve, the first ancestors of mankind who had fallen and had original sin, as the original human beings before the Fall. The Bible records that when God created human beings, He first created the male subject, Adam, then established him as the head of all things and gave them a name (Gen. 2:19), and then took a rib from his body and created Eve to be an object to help Adam.

Because of the fall of Adam and Eve, who were in such a fundamental relationship of the Principle of Creation, God first developed the process of establishing the perfect man, Adam, without original sin through the bloodline restoration providence that restored (re-created) Adam. Then, after the 4,000-year Providence of restoration, Jesus came as the Messiah. Jesus (Adam) was to restore (re-create) Eve (the Bride -the spouse) and establish the position of True Parents. Eve, the spouse of Jesus, would be qualified as the Bride whom Jesus could choose from among the women of his time, as long as she had absolute faith, absolute love, and absolute obedience to Jesus and could become one with him. This is the qualification and condition for being the Bride of the Messiah!

The story of an "only begotten daughter" born without original sin through the providence of the restoration of the lineage, like Jesus, is an unprincipled misconception that is found in neither the Principle of Creation nor the Principle of Restoration. Therefore, there is no mention anywhere in the Bible of the coming of an "only begotten daughter."

Since Eve was corrupted by the unprincipled false love of the archangel, she will be cleansed of her original sin and restored as a bride recreated at the top of the growth stage when she comes into the position to receive the true love of the perfected Adam-Messiah in principle. After the Holy Matrimony, the bride will be united in absolute obedience, absolute love, and absolute faith toward Jesus and will go through the perfection period and eventually regain the position of True Mother. This is the framework of God's history of providence through the Principle of Creation, the Fall, and the Principle of Restoration as revealed by True Father. *Kim Jin-chun is destroying this principle.*

In order to accomplish this, the Second Coming Bridegroom and Lord will choose the bride and re-create her according to the same formula and principles of the providence of restoration as Jesus did, and establish the position of True Parents. Therefore, the Second Coming Lord is in charge of searching for and re-creating the Bride from among the women of His time, and there are no qualifications or conditions for the women in the position of the Bride to do so. For this reason, when True Parents chose the bride at the time of the Holy Marriage, there was a procedure for the candidates to confirm and pledge their absolute faith, absolute love, and absolute obedience to the Second Coming Lord, True Father, to the very end, no matter what difficulties may come their way.

There is an abundance of True Father's words on this subject, but I will quote just one.

"What kind of Jesus, then, is born this way? God created the heavens and the earth in six days. For five days He created all things, and on the sixth day He created Adam. This Adam-like person is Jesus. Thus, Jesus is the second Adam, or the later Adam. He is the true Adam who has not fallen. Since God created Adam in the beginning and Eve centering on that Adam, He should have established the later Eve centering on this later Adam, but He did not. Who should establish Eve? Adam must establish. When Eve falls, Adam must seek out and establish the Eve he lost because he failed to fulfill his responsibility. The principle of paying indemnity is unforgiving. That is why it was vaguely said, "I am the Bridegroom and you are the Bride." "God has dressed the whole world as a bride throughout the 4,000 years of history. Therefore, it was Jesus' mission to choose a mother in the history of the universe and welcome her as the Bride, thereby restoring a new family, a new tribe, a new nation, a new country, and a new world centering on this father and mother, and to bring about the Kingdom of Heaven."

The Selected Words of Jesus, Vol. 17, pp. 190-191, "Complete Restoration," December 18, 1966, Former Headquarter Church

What is the aforementioned lecture by Kim Jin-chun if not a wicked theory that denies the above quotation from Father's word "Complete Restoration" and tries to destroy the True Parents without any basis or root?

Kim Jin-chun: "The most important thing that Jesus was trying to do was to meet with the only begotten daughter, because the most important thing that Jesus could not do was to meet with the only begotten daughter and have the Marriage Supper of the Lamb. but if you look at it from that dimension, the essence of the only begotten daughter, the essential role and ideal of the Mother and its value, I really wish Father had done a little better back then, and I am a little disappointed about that. I wish the father had been a little better at that time."

Young Hwi Kim: (Kim Jin-chun's paragraph is a long-winded way of saying something that doesn't quite fit together. However, if you listen to his entire lecture, you will realize that Father was born with original sin and had to visit Bride Han Hak-ja who came as an only begotten daughter without original sin, to make amends for all his wrongs, and that he was not allowed to marry other women before his holy marriage, but because he neglected to do so, he went up to North Korea and was sentenced to Heungnam Prison as a punishment for his prodigality. He is spouting out a story that makes one choke with astonishment. It is hard to believe that such a distortion of providential facts and truth could be used to educate the leaders of the world, but it is true.)

I would like to mention here the fictitious nature of the so-called "only begotten daughter" especially Kim Jin-chun's "Only Begotten Daughter" theory of her first coming without original sin. In the Bible, Jesus is described as the only begotten Son only once in John 3:16. There is no mention of an only-begotten daughter. In the case of Jesus, the only-begotten Son, it means "God's only begotten son, born as Adam, the original sinless creature. The reason there is no mention of an only begotten daughter in the Bible is because there is no (need for) the only begotten daughter, born as Eve without original sin, who is to become a mate, spouse of the only begotten Son, Jesus.

However, when the Second Coming of the Lord, the Bridegroom, comes, this person, like Jesus, will become God's only begotten Son who has paid for original sin. Therefore, when He returns and receives Eve as His bride, His chosen Eve will be cleansed of her original sin, and she will be positioned as the bride in the position of only begotten daughter, and she will be positioned as the wife of the Second Coming Lord, and as the True Mother of humankind, she will become a couple with the Second Coming Messiah and become the True Parents of humankind. *Therefore, the only begotten daughter who has been cleansed of her original sin by the Second Coming of the Lord can be used as a relative concept of the spouse of the Second Coming of the Lord.*

Therefore, around the time of True Parents' Holy Matrimony, the Wedding Feast of the Lamb, True Father made several references to the appearance of an only begotten daughter, but he never meant the "begotten daughter who is born without original sin."

Nevertheless, Kim Jin-chun suddenly pulls out the concept of the first-born daughter of the third generation, which has no biblical, providential, or principled basis, and applies it to her, and says such bizarre things as the "Immaculate Conception, and the first coming of the Goddess of Mercy." **What is this if not the detonator to destroy the Principle and blow up True Parents? We cannot just keep looking at such actions, but we must protect the Principle, the Word, and True Parents.**

Kim Jin-chun: *"I heard how it would fit the principle that Father, who is in the position of the Second Coming and who has a tail, would be honored by Mother, who is in the position of the Bride, who has completed her individuality and the First Coming without a tail. In principle, from the heavenly perspective, why should the mother offer such reverence to the Father for about 40-50 years when the mother was such a bride who had completed her individuality at her first coming, without Satan's conditions? No matter how many times she wanted to talk about it, she could not. This is a very internal story now."*

(Young Hwi Kim: This paragraph by Kim Jin-Chun is also appalling. Beyond his outburst about Father, it is an act of blasphemy and insult to Father, and an act that will divide the couple to the extreme. It is a satanic act to divide the two and tear True Parents to pieces. Is this the filial piety to liberate Father? On the one hand, she has been humiliating and downgrading Father by summoning him to the priesthood and putting a dirty coat of paint on his lofty phase and image of a stern saint, while on the other hand, she has been claiming that all the fulfillments of Providence were possible not because of Father with his tail but because Mother completed her personality as a perfect Snow White. He has a long and loud speech on the theory of the Immaculate Conception, which has no root and no basis. How is this possible? If the father is downgraded, will the mother be elevated and perfected at the height of her power? I will not mention this paragraph any further...)

Kim Jin-chun: *"We have to create one big family of mankind, and we have to quickly sort out the tails of True Parents, the tails that are not good, and the tails that Satan repents for. Especially, we must do it before the completion of Cheon Il Sung Daeon next year. She included such a story in her speech. Because of such a content, the content of the Father's Song Hwa before Foundation Day also has such a deep meaning. Heavenly Parent is the principle, and truly, there should be no conditions accused by Satan in front of Heavenly Parent. We must also understand the Heavenly Parent's standard for this Song Hwa. Such is the content."*

Young Hwi Kim: Furthermore, as shown in the above quotation, Father was wearing a "bad tail" that Satan accuses for this and that mistake, and he was not qualified to celebrate the Foundation Day on earth, so he even told the miserable "lie" that he was sanctified before Foundation Day. **Can you imagine that such an evaluation of the Father's life and such a voice of contempt, almost like a curse, could come from among us? This is clearly the whispering of the devil that has entered our midst, and we have no choice but to say that it is a rebellion against God's Kingdom.**

There are many other things that need to be pointed out and mentioned, but I would like to end this statement here. The person who praises and encourages such falsehoods and distortions as true and uses the name of Mother as a shield for his miscellaneous theories, is the president of the Heavenly Court of the first heavenly nation. How can a person who leads the way in destroying True Parents' ideals by being unprincipled and anti-Providence be the president of the Heavenly Court? Who would allow it?

I have heard that there are people around him who are plotting together with him, but I ask them not to leave the path of correct Principle and Providence. What and how is True Father preparing to do as he sees this situation in our church? Remember that there will be a day when the work of Father's Divine Spirit will blow like a typhoon. I ask you again to be mindful of the coming of the era of the Holy Spirit Federation of the world Association led by Father, and I wish you all good health and good fortune.

Hak Ja Han's NEW/ANCIENT Principle of Creation

On 5/18/23, after going around Cheong pyeong Lake with about 70 important executives on a cruise ship, here is what Hak Ja Han said at a luncheon at the Cheon Jeong Won restaurant after giving different directions:

"Another thing to emphasize is that, it is important to look for and raise up the second and third generations. We need to educate them on the essence of the Creator, the Heavenly Parents, and what the mission of TrueParents is. From now on, what you must educate is the Principle of Creation, *but not the Principle of Creation as explained in the Divine Principle*.

The essence of the Creator is the Heavenly Parents. **The source of life is born through the mother. [You are born] 99.999% from the mother and 0.001% from male. It is the same with the Heavenly Parents.** Until now, He has been introduced as the Heavenly Father.

In the Exposition of the Divine Principle, He is the neutralized subject of the dual characteristics. This is wrong. We have to fix that. We must teach what is the Principle of Creation, what is the mission of True Parents, and what is the responsibility of True Parents. **In the future, education should be centered on the Word in the Cheon Il Guk era rather than in the Old Testament era, the New Testament era the Completed Testament era.** Do you understand?

The age has come when we live with our Heavenly Parents. Should you ignore that? In that sense, seniors and those in charge should under go retraining. That's why we can say that *the providence of Cheon Shim Won is important. It has become the root of faith.* You have to experience yourself, the unshakable roots of faith. Do you understand? You are going to do that, aren't you?" - Han Hak Ja, May 18, 2023

Commentary

In this brief statement to 70 top leaders, Hak Ja Han calls for radical changes to Unification teachings. In the 4th paragraph, Hak Ja Han critiques the Divine Principle's teaching that God is the (harmonized) "neutralized subject of dual characteristics" referring in this context to God having equalized masculine and feminine qualities. She asserts, "**this is wrong. We have to fix that.**"

Since Genesis declares that we are made in the image of God, it is natural to ask what is wrong with the teaching that God is the harmonized/neutralized subject of dual characteristics? In the 3rd paragraph, she states that babies are born from their mothers, with 99.999% coming from their mothers and .001% from their fathers. She then makes the fascinating claim that "**it is the same with the Heavenly Parents,**" apparently meaning that God's nature is *predominantly* (99.999%) female?

She instructs, "in the future, **education should be centered on the Word in the Cheon Il Guk era,**" meaning the words of Hak Ja Han, "**rather than** in the Old Testament era (Hebrew Bible), the New Testament era (Jesus and apostles including St. Paul), the Completed Testament era (Sun Myung Moon)."

She concludes by saying that "seniors and those in charge **should under go retraining**" because "the providence of Cheon Shim Won (initiated by Hak Ja Han) is important. It has become the root of faith." To paraphrase, seniors and leaders need to undergo retraining because they have believed the words of TrueFather Sun Myung Moon, but instead they need to believe the new root, the words coming from her.

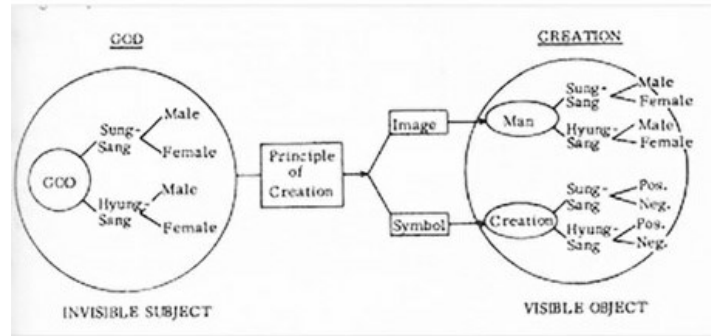

This talk to elite Family Fed leaders by Hak Ja Han aligns with assertions she made in her March 25-26, 2019 legal deposition where she stated *under oath* that any decisions made by Sun Myung Moon not approved by her were invalid. It also aligns with a workshop to FFWPU leaders last year by Rev. Myung dae Kim (Vice President of the Retired Pastors Association) where he stated that 90% of what True Father Sun Myung Moon taught was false. <https://www.sanctuary-pa.org/apologetics/declaration-of-faith> It also aligns with talks given by Kim Jin-chun in five major regions of Korea from March 21 to April 7 and again on April 17, 2022 at the Han Mother's direction to 500 Family Fed representatives from all over the world. These talks by Kim Jin-chun were denounced by 36 couple elder Rev. Young Hwi Kim on June 25, 2022, in which he cried out that the talk by Kim Jin-Chun:

is a satanic act to divide the two and tear True Parents to pieces. Is this the filial piety to liberate Father? On the one hand, she has been humiliating and downgrading Father by summoning him to the priesthood and putting a dirty coat of paint on his lofty phase and image of a stern saint, while on the other hand, she has been claiming that all the fulfillments of Providence were possible not because of Father with his tail but because Mother completed her personality as a perfect Snow White. He has a long and loud speech on the theory of the Immaculate Conception (of the Only Begotten Daughter), which has no root and no basis. How is this possible? If the father is downgraded, will the mother be elevated and perfected at the height of her power? <https://www.sanctuary-pa.org/apologetics/36-blessed-couples-alarmed-over-obd-theology>

It is evident that Hak Ja Han and her Family Fed representatives are aggressively asserting a new religion based on her claim to embody what she frames as God's predominantly (99.999%) feminine nature. I suppose this may be attractive to feminists who critique the male patriarchy, [1] but all of us should be asking ourselves the question posed by Rev. Young Hwi Kim, "if the father is downgraded, will the mother be elevated and perfected at the height of her power?" Does tearing True Father down when he is not here to speak make us respect Hak Ha Han more?

Of course, religious teachings about a dimorphous but predominantly female goddess are not really new at all (<https://mythology.net/egyptian/egyptian-gods/astarte/>). The Biblical revelation that God created through the Word (see previous email about the DNA "alphabet" in every cell of living things) was a **radical departure** from ancient Near East religions which taught that creation of the world came through sexual relations between male and female gods.

[1] Raising women up by tearing men down is a questionable strategy to make stronger families. For instance, in more than 40% of families in the USA, the problem is that there is no patriarchy at all, where the absence of fathers means that matriarchal families, often dependent on government, are the norm. Of course, the offspring in these fatherless families, especially the sons are much more likely to drop out of school, to be incarcerated for their crimes, and to live in poverty. How does minimizing the masculine nature of God help the children of fatherless families?

The Divine Principle and Unification Thought teach that the **dual characteristics of Internal Nature (Sung Sang), ie. intellect, emotion, will and heart, and External Form (Hyung Sang), ie. Universal Prime Energy** are God's **PRIMARY** nature. Masculinity and femininity are **SECONDARY**, not primary characteristics.

The Biblical/Principle understanding of the creation of the world is that it came through *the design and intention of the invisible God* as expressed through His Word, not through sexual interaction between male and female elements.

It is heartbreaking and mystifying to see these ongoing series of attacks on TrueFather and on the Divine Principle teaching itself. Unificationists can look forward with astonishment as FFWPU theologians re-write the Divine Principle centered on Hak Ja Han's, not True Father's, religious teachings. After all, she teaches a new/ancient religion different in significant ways from what Sun Myung Moon taught for more than 6 decades of his life.
