WHAT I SAW at the 2nd Coming! The Big Story

Then the angel showed me the river of the water of life, bright as crystal, flowing from the throne of God and of the Lamb through the middle of the street of the city; also, on either side of the river, the tree of life with its twelve kinds of fruit, yielding its fruit each month. The leaves of the tree were for the healing of the nations. No longer will there be anything accursed, but the throne of God and of the Lamb will be in it, and his servants will worship him. They will see his face, and his name will be on their foreheads. And night will be no more. They will need no light of lamp or sun, for the Lord God will be their light, and they will reign forever and ever. Revelation 22:1-5

Once I turned to look back, and God, who was following me, embraced me in tears. When I turned to say, "You are the center of my love; I submit to you; I will absolutely follow You," God embraced me again. How great it is to be in such a position! Just as God gave me His position, I must also give God's position to all of you. SMM, CSG Book 1, Ch. 4 True Father's Insights on God, p.158

Hello,

Hyung Jin Nim started the Sunday sermon by discussing how the 12 kinds of fruit that would heal the nations spoken about in Revelation 22 represent the blessed lineage at the time of the 2nd Coming. The whole of scripture is about the war on the blood lineage. The modern church has lost the understanding about the establishing of God's lineage. But the Jewish understanding about keeping the lineage was central for thousands of years. The line of David survived even when Athaliah had all the royal family of the house of Judah destroyed. (2 Chronicles 22:10)

In the New Testament era, the concept of the blessed lineage was lost when the Roman Catholic Church claimed to embody the Kingdom of Heaven. Many Protestant churches focus only on their own interpretations of Scripture so that each minister becomes his own pope.

It is so critical to be engrafted into the lineage of Christ, separating from the lineage of the Fall, which is physical, not just spiritual. God's lineage is at war with the elite, but you can see that the royal lineages from the fall are promoting Communism and Globalism. Blessed families should lead the effort to protect the realm of the Godly Kingdom, which is based on private, not government, ownership. The Blessed families resist the power of centralized governments through the rod of iron giving them the ability to protect themselves. True Father spoke about freedom highway through the Bering Strait bridge and

throughout the world. Citizens should have the right to travel freely throughout the world. As power becomes localized it takes power away from the apparatus of political satanism, which protects the power of the elites.

[Richie the Barber](#) used to be part of the Hollywood scene but ever since he got saved has been exposing their practices. A cabal controls the centralized military and police. The Peace Police Peace Militia is a great gift to resist that. The Han Mother's FFWPU embraces feminism but 99% of violence is by men. Since boys learn how to be Godly men from other men, not from women, how does tearing down male leadership bring peace?

The Cheon Il Guk constitution fosters the decentralized culture of protectors and explodes the sin-creating machine of centralized power. It brings healing to the nations. As Jesus said, love God, and love your neighbor. That is why training is so important. They are in the Smoky Mountains preparing for the 3 day, 37 mile hike in the Rocky Mountains at the end of the month. Hard training can help to make mind-body unity. You learn that you have to earn things. Salvation is a gift, but our 5% portion of responsibility is 100% of our effort. That is why True Father took us to the jungle in Jardim and to Alaska and why True Father had the Japanese sisters become boat captains. Such training builds strong citizens who are centered on God.

Our goal is to raise up young men and women who love God, creating lineage for the healing of the nations. The 2nd Amendment prevented the U.S. government from treating Americans the way the Australian and New Zealand governments did during the Covid 19 lockdowns. It is not an accident that the Nashville shooter chose to go to the school where firearms were banned.

Federal agencies use pornography to create a database and control the population. It is a weapon to blackmail citizens. Porn leads you to become demonic, treating others just as objects to be used for your own pleasure. We can defeat that with knowing the love of God. Because we are His sons and daughters, we have the power to reject porn, drugs and alcohol.

True Father went through 7 deaths and resurrections for us. Christ loved us when we were idiotic and selfish. That's why he and Kook Jin Nim did not fall with the harlot of Babylon. Say thank you for the hard training! *Aboji, kamsahamneda!*

Learn how to have dominion over yourself, over your emotions, and over creation. Even during the summer there is snow at the top of the Rocky Mountains. Remember True Father loves me! With God all things are possible. Your victory will make God smile.

May God bless you and your families!

Sincerely,

Richard
