DISSENTERS against the GLOBALIST Agenda

And he brought me into the inner court of the house of the Lord. And behold, at the entrance of the temple of the Lord, between the porch and the altar, were about twenty-five men, with their backs to the temple of the Lord, and their faces toward the east, worshiping the sun toward the east. Then he said to me, "Have you seen this, O son of man? Is it too light a thing for the house of Judah to commit the abominations that they commit here, that they should fill the land with violence and provoke me still further to anger? Behold, they put the branch to their nose. Therefore I will act in wrath. My eye will not spare, nor will I have pity. And though they cry in my ears with a loud voice, I will not hear them."
Ezekiel 8:16-18

What does it mean for you to serve with all your heart, with your entire mind, and with all your devotion? It means to offer your life. Is there anything greater than that? To devote yourself with all your heart means giving up your life. To serve with all your mind and devotion means giving up your life. Isn't there a saying, "Sincerity moves heaven?" Is there a limit to sincerity, an end to one's devotion? Put your life on the line and offer devotion. God will recognize the person who is ready to sacrifice his life and offer a life of devotion. Hello,

Hyung Jin Nim spoke about the "Dear Father" and other King Bullethead videos. Was he deplatformed for teaching young people to save sex for marriage and to enjoy Absolute Sex with your spouse? Or was he banned for the woodchipper video which advocates punishing those who abuse children?

It's important to have discipline over emotions through mind-body unity centered on God. Faith without works is dead. To build the ROI Kingdom we must stop the sinning that is a threat to our families and children. That is why it's important to invest in your children individually. Each one is unique. That is the core of the Kingdom culture. Study the word together.

Tucker Carlson said the biggest threats to speech are coming from the private social media monopolies,

which are censoring views that dissent against the globalist agenda.

As stated in Genesis 3, the devil used sexual desire to entrap first ancestors. Anything that is worthwhile is not easy. You can rebuke him in the name of Jesus and express gratitude for challenges.

Children love seeing their parents being affectionate. Going through divorce is traumatic, like going through a war zone.

The [4 horsemen of chronic disease](#) are cancer, Alzheimers, diabetes, and cardo-vascular disease. Centennials and the elderly who have good health do exercise, weight training and have good relationships.

When you do things that are hard and that you hate, your brain grows. That is why Hyung Jin Nim often does ice plunging. He recommends podcasts on The Tenacious Brain by [Andrew Huberman](#).

The traditional approach of psychiatry is to focus on the 1% of population with mental disease, but Positive Psychology studies people who are healthy. They found that vigorous exercise 3 times per week is more powerful in healing depression than any psychotropic drug.

More media are coming to interview him in February and in March, from the UK, Germany and France. They could have chosen from millions of pastors in the world, but instead they are choosing True Father's Kingship line. Since the bridegroom is back, we are not just brides who are waiting. If Christianity unites with True Father's words and lineage, the satanic world is done. Since Cheon Il Guk (Kingdom of God) citizens are co-heirs, they are the biggest threat to the satanic world, and already been released.

Ezekiel 8 describes terrifying visions given during the Babylonian captivity. Angels are scary, not plumb babies. Seraphim are frightening. The guardians at the Northgate lured young men with images of fertile young girls. That is why the Mesopotamian Kings would take a temple priestess to engage in public ritual sex. Temple prostitution was rampant and sadly still exists today in the Yelema cult in India. Such exploitation shatters the child's soul and spirit, separating their mind from their body, and leading them to develop multiple personalities.

In the June rituals in the Akkadian culture, men would dress like women. There was worship of goddesses, of pleasure, of naked women. This was the opposite of the Biblical view, which worships God the Father.

It is not enough to speak vaguely about "sin." If you go to a doctor you don't want to be told that you are "sick." You want a specific diagnosis. It's politically incorrect to say that sexual sin will destroy you, but uncommitted sex has generational consequences.

Online LOVESMARTS Teen SEMINAR Intro

Sex in marriage is like a fire inside a furnace, which warms the whole house. In contrast free sex is like allowing a fire to jump all over your house. It must be contained in the proper place. The Bible glorifies an older woman, who has wisdom and diligence. Your youth and beauty should be invested in your marriage.

Hyung Jin Nim is 44. He has 7 grandchildren (plus one just born to his son, Shinman, and his wife, Dohee). Having grandchildren in your 40s should be normal. He is the richest man. His children have strong marriages and practice just parenting. It's important to practice patience with babies who are crying. As teenagers his children had 10 years of personal dating with mom and dad. They learned to express gratitude for each other in the restaurant. He and Yeonah Nim prayed for them right there in the dining area.

Many women in Korea and Japan have been entranced by Casanova boys and became dissatisfied with their husbands, even seeking adulterous relationships. There is no end to sexual perversions, ending with the abuse of children.

Be careful on what you click, which is another gateway or portal. The mass culture glorifies fornication, but we are taught to be pure. We have to stand up for MAGA, President Trump and Christian values. If the western world stopped fornication and focused on strong marriages and families, it would be transformed.
