### Woke Hanism Contradicts Divine Principle!

O Lord, how many are my foes! Many are rising against me; many are saying of my soul, "There is no salvation for him in God." But you, O Lord, are a shield about me, my glory, and the lifter of my head. I cried aloud to the Lord, and he answered me from his holy hill. I lay down and slept; I woke again, for the Lord sustained me. I will not be afraid of many thousands of people who have set themselves against me all around. Arise, O Lord! Save me, O my God! For you strike all my enemies on the cheek; you break the teeth of the wicked. Salvation belongs to the Lord; your blessing be on your people! **Psalm 3**

*The chosen people are indispensable to God's dispensation... What is modern Christianity throughout the world? It is the gathering of the people prepared for the ultimate day of the Lord of the Second Advent. However, Christians today feel that the Messiah is coming only to fulfill their own desires, to liberate them and give them happiness and a place in heaven. They do not think in terms of the Messiah coming to fulfill the original ideal and will of God...If the Messiah comes only to fulfill the wishes of the Christians today then there will be no kingdom. In fact, there would be no value in his coming. SMM, "The Spirit World and Physical World," February 6, 1977*

Hello,

Gregg Noll started the service by speaking about the birth of Sun Eun Moon to Shinpal and Soyoung! This is the 9th grand-daughter in the 2nd King and Queen's lineage.

He also encouraged teens and young adults to sign up for the Sanctuary Kingdom Academy. He also recommended [The Tragic Betrayal of Hak Ja Han book](#) by Melik Patitchian, which can be downloaded.

He then show a video of Highlights of 2nd King/ Queen's visit to Japan and Blessing and then a video of Hyung Jin Nim's talk to the Rally in Tokyo attended by 1,500 brothers and sisters. Here are some limited notes from this talk.

A blind person cannot save a blind person. People think they are perfect. As one example, he spoke about elder Buddhist leaders giving punishment to young monks who themselves do sexual abuse. Without knowing God, we will not be confident in our relationships.

[2nd King's Speech Highlights in Japan Translated](#)

It's due to God's love that we are saved. We deserve to be punished, but Christ suffered in our place. True Father was tortured and died 3 times as a result of the airplane torture. But he was revived after each time.

When a man wants to commit suicide, material things will never cure the pain inside. We see the highest rates of suicide and loneliness in our affluent modern society.

When people visit Chung Pyung in Tennessee, they ask where is the King's palace? Then they are pointed to his tiny home trailer.

The biggest temptation for a woman is a man who has a lot of money. True Father knew before he passed on that he had a son who would not betray him, that the tradition would be passed on.

Without a relationship with True Father you have nothing. We need to teach the importance of protecting your sexual organ. It's important to provide a positive environment for your children and to evangelize them. Doing Hoon Dok Hae and attending ceremonies are not enough. Most important is our relationship with God.

### [True Mother Hyun Shil Kang Biography](#)

Explain to your children that you are a sinner who tells lies, etc. Sinners should be punished. Jesus and True Father received the punishments which we should have gotten.

When he was appointed, he led bowing conditions, meditation, HDK, visits to poor families until late night, but he and Yeonah Nim still spent time with each of their children. They practice giving appreciation for each other. That is why all of his children could follow. He praised the grandmother who did physical training even in her 90s.

Hyung Jin Nim remembered when Father spoke for 22.5 hours straight. We should not be divided. We all love True Father. We should be one team.

Islamic culture is getting stronger, which is a big problem. All of Africa is under attack by jihadists, who kill Christian men and kidnap Christian girls and women. But feminism wants to make men weak. Donald Trump is trying to revive America and the world. Iran could launch a war with nuclear weapons. That's why it's important to elect Trump.

### **Woke Hanism Contradicts Divine Principle!**

by Peter Daly

FFWPU lecturer Robert Kittel gave a presentation explaining Hak Ja Han's new '[Only Begotten Daughter](#)' theology. He said that in the Divine Principle, the Tree of Life means Perfect Adam, and so the Tree of the Knowledge of Good and Evil means Perfect Eve. He said that when he joined the church in 1975 he was taught wrongly that the Tree of Knowledge of Good and Evil means immature Eve before the Fall.

His claim is wrong according to the Divine Principle because, throughout all the time when Father was alive, the Tree of Knowledge of Good and Evil was always understood to be immature Eve before the Fall, 'Good and Evil' indicating the two possible ways she could have gone.

In any case, the Tree of Life only meant Adam in perfection and we know he never reached perfection, so clearly the Tree of Knowledge of Good and Evil standing next to the Tree of Life meant immature Eve. If it was perfect Eve, as Robert Kittel states, then how could a perfect woman fall?

### **Lou Jasikof Interview "Kids for Cash"**

Whistleblower Lou Jasikof, publisher of the Independent Gazette, discusses the "Kids for Cash" and "Custody for Cash" corrupt judiciary scandals in Pennsylvania and a proposed bill to record video and audio in courtrooms and in judge chambers.

# Hak Ja Han's New Teaching Is False And Contradicts The Divine Principle!

By Peter Daly  
April 17, 2024

[Download This Document](#)

FFWPU lecturer Robert Kittel gave a presentation explaining Hak Ja Han's new 'Only Begotten Daughter' theology (<https://www.youtube.com/watch?v=KxedpTsoiss>). He said that in the Divine Principle, the Tree of Life means Perfect Adam, and so the Tree of the Knowledge of Good and Evil means Perfect Eve. He said that when he joined the church in 1975 he was taught wrongly that the Tree of Knowledge of Good and Evil means immature Eve before the Fall.

His claim is wrong according to the Divine Principle because, throughout all the time when Father was alive, the Tree of Knowledge of Good and Evil was always understood to be immature Eve before the Fall, 'Good and Evil' indicating the two possible ways she could have gone.

In any case, the Tree of Life only meant Adam in perfection and we know he never reached perfection, so clearly the Tree of Knowledge of Good and Evil standing next to the Tree of Life meant immature Eve. If it was perfect Eve, as Robert Kittel states, then how could a perfect woman fall?

Kittel then states that True Father found True Mother! This is incorrect because Father explained that Seon-gil Choi Father's first wife was originally meant to be True Mother. If Seon-gil Choi kept faith, Hak Ja Han would never be chosen to be True Mother. (Original *Cheon Seong Gyeong* page 1179).

He then states that he will not go into what Hak Ja Han says! Well, I find that quite amusing because he is supposedly explaining her teaching. This suggests she will not go into what Hak Ja Han says because what she says is too nonsensical and he would not be able to defend her words!

Then Kittel explains that God gave just one commandment to Adam, but he gave two commandments to Eve! The commandment to Adam: *Genesis 2:17* "God said, 'You must not eat from the tree of the knowledge of good and evil, for when you eat from it you will certainly die.'" The Commandment to Eve which Kittel says is God's second commandment given just to Eve: *Genesis 3:3* "God said, 'You must not eat fruit from the tree that is in the middle of the garden, and you must not touch it, or you will die.'"

There is no evidence that there was a second commandment, since it has always been believed and understood to be the same commandment given to both Adam and Eve. And the 'second commandment' was Eve's reply to the serpent in *Genesis 3:3*.

The reason Kittel does this is because he is trying to put the mother in the subject position of the lineage, he even calls the woman the tree of love. In this he is supporting Hak Ja Han's claim that the beginning of the lineage is not the father but the mother! (*3.16.2018*)

Kittel then quotes from Hak Ja Han's revised *Cheon Seong Gyeong*, the book that Father never authorized:

"The woman's love organ is the subject-partner of all subject-partners, for it controls the life of man." *Hak Ja Han's Cheon Seong Gyeong* page 1182

Is this in the Original *Cheon Seong Gyeong*? No, it isn't and nothing similar is in it. It's a nonsensical statement that Father would never say. We've seen that Hak Ja Han and the corrupt leaders have taken out Father's words that don't support Hak Ja Han's false teaching, such as the content from pages 1141, 1179, and 2530. In this, we see that they added false words and they claim it's Father's words!

He then quotes the Bible again:

*Genesis 2:18* "Then the Lord God said, 'It is not good that the man should be alone; I will make him a helper fit for him.'"

Kittel then explains, "the 'helper fit for him,' does not mean someone to cook his meals, wash his clothes, and sweep the floor, she is not an unpaid servant." He is clearly playing for a feminist audience who have a low opinion of men. Personally, I never understood 'a helper fit for him' meant an unpaid servant for the husband.

Robert Kittel is promoting Hak Ja Han as the central person and making her the center of the lineage and not Father. He said nothing about Father's words that state that the man is the center of the lineage because the man has the seed:

"The fruit of good and evil refers to Eve's sexual organ. It means that the seed varies according to the husband a woman has. If she meets a good man, she will bear good fruit, but if she meets an evil man, she will bear evil fruit. The principal palace where she can do this is her sexual organ. Isn't a woman a field? If a thief came and sowed his seed, a thief's child would emerge, but if a prince did that, a royal child would emerge."

Original *Cheon Seong Gyeong*, page 1776

Thank God for Hyung Jin Nim, Father's true heir and successor who created the Unification Sanctuary to protect and preserve True Father's words and traditions!
