And that servant who knew his master's will but did not get ready or act according to his will, will receive a severe beating. But the one who did not know, and did what deserved a beating, will receive a light beating. Everyone to whom much was given, of him much will be required, and from him to whom they entrusted much, they will demand the more. Luke 12:47-53

It does not matter how many times another deceives you or betrays your expectations. Do not give up because you will not lose. I was actually betrayed many times and know that I will continue to be betrayed, but I am secure in my way and I go on. I have never found that my position gets worse; instead it is always improving. That is the heavenly standard. SMM, How to Witness: To State Leaders, April 1, 1977

Hello,

In an interview with Reuters news service, they called us a cult. Of course, the mainstream media also said MAGA is a cult. Actually, they were part of a Covid Cult that approved of government power to force compliance. Churches had to close, but [strip clubs remained open](#).

In poor nations the lockdowns caused starvation leading to [millions of deaths](#). The Completed Testament Age is the time of strong Christianity. Armed. It is a time to have children and to be armed, but we don't spread totalitarianism.

The West has abandoned hierarchy, but there is a natural hierarchy in marriage. Hak Ja Han vetoed her husband. If she were married to a well-known artist and changed his paintings, people would be enraged.

Only True Father can validate his successor. Now there is a worldwide judgment. Japanese members were caught bringing cash illegally to Korea. Church leaders loved their country club, not the Lord. He begged his mother not to go down this path. His critics see his mother on a stage and think they know her better

than he does. They never heard the private conversations. He heard all her arguments with True Father, who canceled the perfection level blessing.

She never claimed to be the Only Begotten Daughter while Father was alive. Her own demise has come within 10 years. Hyung Jin Nim's brothers and sisters acted out of emotion instead of through the perspective of the Divine Principle. He warned his mother that she would be judged. They went after True Father's lineage who committed no sin. It takes a certain "skill" to waste tens of billions. Now they are running out of money to bribe people with. The Family Fed is worshipping a goddess cult. It is becoming pagan. Eve is supposed to be obedient to Adam, who is the body of God.

As the returning Christ, True Father is different from us. We are sinners before God. We need to apologize and surrender to God and come under Father's authority. After he was driven out, Hyung Jin Nim started worshipping in his brother's summer house basement. He did not crown himself.

Here in the west women dominate their often-weak husbands. It's okay to criticize fathers, but unacceptable to criticize women. Men are belittled and mocked. They are taught that children are a burden. Feminism sees everything as an issue of power, but they often say nothing about the tyranny of the Communist hierarchy. They see no problem with imposing masks, vaccines and lockdowns. The west has become a "psy-op slave."

The Deep State promotes free sex in exchange for you obeying the government hierarchy. Their mindless compliance was proven when you wore 3 masks and stood in your 6 foot circle. Communism killed 100 million black and brown poor people, but the "woke" shed no tears for them.

You can't get rid of God's hierarchy. Men as the priest of the home takes responsibility and has the hardest job. You have to lead and provide. You have to be studying more about God's word in order to teach and evangelize your children. We should not be a cult that worships our own families. Rather we want to have families that submit to God.

[Sex Addict or 2nd Advent?](#)

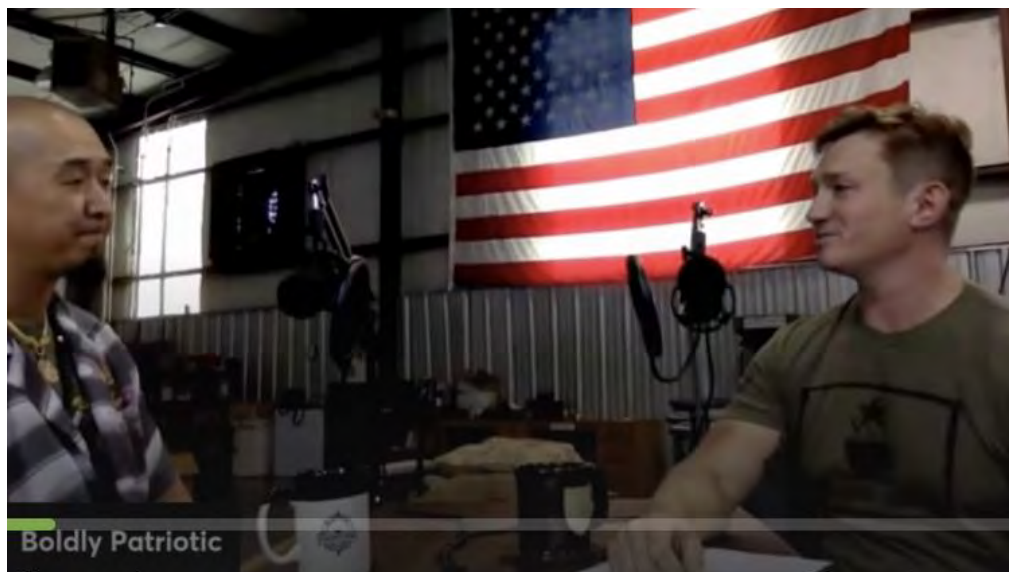

In America we have a "Victimocracy," a hierarchy of victims. Women used to be the victims, but now men claiming to be women are the new victims with more status and authority.

The local Republican party has been critical of Hyung Jin Nim being called a King, but he is right to say that True Father crowned him and now he is crowning others who have accepted Christ.

We should not be split into factions. Remember that we are on the same team. Hyung Jin Nim loves a high-level [UFC fighter Brice Mitchell](#) who is a strong Christian farmer [speaking out against government](#).

God's values must permeate all aspects of society, not just within 4 walls of churches. Christians must be active in politics.

Women need strong men to fight off evil. Surround yourself with strong Godly men. Respect men and support them to be good leaders of their homes. The Ten Commandments condemns covetousness of a man's wife or property. Communism and progressive government do not respect either one.

[Boldly Patriotic - Kimchi. Coffee. Cult Leader?](#)

We will fight the Communists hard. At the same time, we pray for them to repent and surrender to God. Pray for our enemies. We want their families to someday become blessed families.

By homeschooling you save your children from 30,000 hours of pro-gay, pro-transgender, and pro-socialist indoctrination. You don't need 8 hours per day of schooling. Most homeschoolers finish their studies in 3 hours a day. They also learn moral values. School socializing is really about relativizing.

In the South, children learn to respect their elders. They say "yes, sir" and "yes, mam." That's very important for life. Like they did in the past, calling your spouse "lord" or "lady" makes you think twice about arguing.

[Rev. Artur Pawlowski- THE BIG LIE!](#)

The Bible says to control your tongue. Men need to control their facial expressions to not speak with emotion and anger. Be careful not to bring in previous habits from growing in an abusive home.

Hyung Jin Nim practiced doing the tea ceremony for 20 years. When one of his kids was playing, his ball cracked the ceremonial teapot. Hyung Jin Nim did not get emotional. Instead, he calmly invited his son to get a rag to help clean up the broken porcelain together. They learned that Daddy is fair. He is proud of that.

Hyung Jin Nim then led us in contemplative prayer.

[Remnant Ministry \(Interview with Lt. Pete Chambers\)](#)

We have to challenge the "Anti-Hierarchy Cult of the West." One good example is a group called "[Dads on Duty](#)" who are Black adult men who hang out at local schools. In many instances, the fights in the school "magically" disappeared!

The upcoming election will be a life-and-death struggle to end the Marxist takeover of America. They will cheat, but more Blacks and Hispanics are supporting Trump. We have to pray and act together with patriots and people of faith who are waking up!

May God bless you and your families!

Sincerely,

Richard
