The Gates of Hell Shall Not Prevail Against Your Kingdom

"Where, O death, is your victory? Where, O death, is your sting?" The sting of death is sin, and the power of sin is the law. But thanks be to God! He gives us the victory through our Lord Jesus Christ. 1 Corinthians 15:55-57

"This holy army of saints is marshaled here on earth ... under the conduct of their **glorious Emperor, Christ** ... Thus, through **the Blood of that spotless Lamb**, and that Word of their testimony, they are more than conquerors, bruising the head of the Serpent; yea, through the power of His Word, they have power to cast down Satan like lightning; to tread upon serpents and scorpions; to cast down strongholds, and everything that exalteth itself against God. The gates of hell, and all the principalities and powers on earth shall not prevail against it." **Pilgrim Pastor John Robinson** (1576-1625)

"At this time, all the Unification members, representing all mankind, are making a new resolution to be more deeply loyal and pious in [this year], and to be more united in one heart and one will. Let them pledge to become brave soldiers on the advancing line of the salvation of mankind. Let them determine to become victorious in securing both today and tomorrow. Let them resolve to become unforgettable people in Your heart. Please receive the resolution they are making at this time. **SMM, Father's Prayer, January 1, 1983, (Midnight)**

Hello,

Last Sunday Hyung Jin Nim began his sermon in Newfoundland, PA by explaining that political satanism has its roots in the Fall of Man, in illicit sex. History is a war between Political Godism vs Political Satanism. In India, the Hindu caste system, which legitimized slavery, is supported by the political system. It was akin to segregation in the U.S. where Blacks and Whites could not use the same water fountain.

Evolutionists believe that passing on your genes is the only goal or purpose of life. Survival of the fittest means a cult of power that views people as animals acting according to their desires.

In the Hebrew Bible, God forbade taking booty in the war for yourself. It stopped the sex trafficking of children and led to the banishing of infanticide by Christians in the first century after Jesus' life and resurrection. However, the Christian kingdoms led to oppressive governments that were legitimized by the church. You could call it Christo-Fascism. It took centuries to establish freedoms of speech and of religion. The culture of the Lord of the Second Advent will continue to spread the culture of freedom and responsibility.

Podcaster Andrew Wilson, who has an Orthodox Church background, debates and eviscerates feminism. He asks where do rights come from? The epistemology of rights is important to understand. Who invented the microphone and the video camera filming you right now? The building and roads and plumbing you enjoy. Young men are becoming more conservative. Women remain leftist. The fruit of your decision-making is women getting beat up in the boxing ring by a man.

God gives us commands that establish our duties. Men have the duty to protect and preserve women and children. Women have the duty to marry and have children. Doing so maintains the civilization. Even if the marriage is not perfect, the children do better.

In a secular culture, rights are privileges without duties. It is a culture of seeking play, hedonism. Any culture that brings in corrupted Western values becomes poisoned.

God commands the roles of male and female. Careers alone will not fulfill women. You can include your children in cleanup "training." This builds skills and confidence rather than manipulation through tantrums. Do martial arts, hiking, skydiving, etc. training with their spouses and children. State 3 things you are grateful for.

Shingoong is doing these things with her daughter, Rachel. One-on-one time is important. Our fruit should be strong marriages. If you want an apple tree, you better water it!

The Sanctuary Church's Peace Militia is *very* different from the culture of a typical Catholic or Christian church. Trump being saved by God and returned to the White House was like a death and resurrection. In Butler, PA, the 8 shots were fired at him from 150 yards. It was a miracle he wasn't killed that also saved America. Together with Chris Darlington, Hyung Jin Nim was able to sing a blessing and anointing prayer at the "presidential palace" at Mar a Lago.

The red horse whose "rider was permitted to take peace from the earth, so that people should slay one another" in Revelation 6 represents China. Trump's tariffs are wrecking the Chinese economy, which has slowed drastically, creating a pressure cooker in China. Xi arrested a top general, who released a list of thousands of military leaders who have criticized Xi Xing Ping. The whole global order being restructured.

This happened within weeks of Hyung Jin Nim praying off the shore of China for its liberation. It will lead to the liberation of Father's hometown in North Korea. The Tongil mark represents the ideal family centered on God and the 12 gates of heaven.

Do 100 pushups for the downfall of the CCP. The prayers of the "micro" have power! Pray for Gregg Noll, who had a mini-stroke. The elderly should not live in fear. We should go to the spirit world standing and fighting for the Kingdom. It is in God's hands.

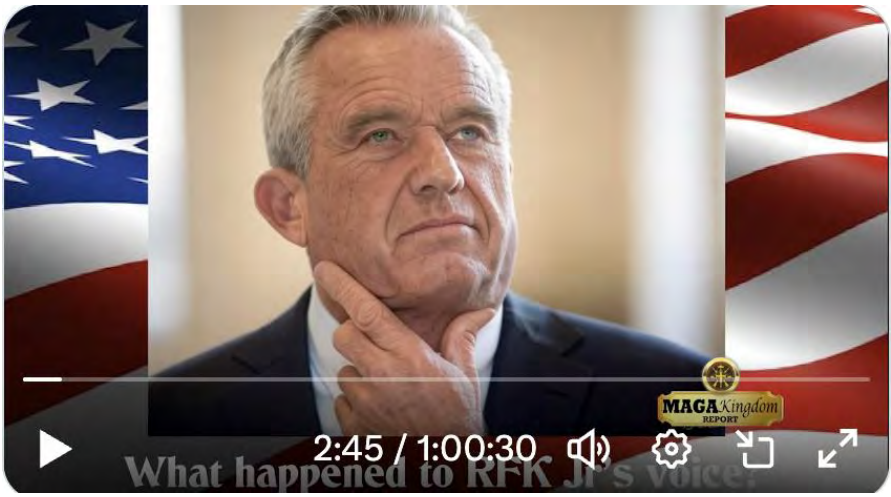

[King Bullethead "But I Got More"](#)

It was and is a battle between the Deep State and the MAGA patriots. USAID and Soros were funding the attacks and violence. J6ers were labeled as terrorists. Grandmas were arrested for defending the unborn. The CIA chief of counter-terrorism called J6ers "terrorists."

We were praying for 6 years for Trump. Father knew Communism so well since he was imprisoned and tortured by them.

Trump is making it okay to send your children to MMA (Mixed Martial Arts) training. It's a dangerous world. MMA fighters are great athletes who are extremely talented and disciplined. An important goal is to create a culture of strong, righteous men, who invest in their marriages and families. The media was trying to portray Sanctuary Church as "Isis Christians." King Bullethead made fun of that.

MKR #15 Make America HEALTHY Again!

The pilgrims celebrated Thanksgiving with shooting competitions. Peace Police Peace Militia = a Citizen police force for peace. According to Christian theology, justice is part of God's nature. Those who committed treason against America must be punished.

Keep your prayers up at this dangerous time. The Rod of Iron Freedom Festival is coming in October. Gen. Flynn will join us in Korea and Japan in August to push back against Communism. He is a tremendous hero and patriot. Falun Gong will join us. There are so many moving parts, but God is in control.

May God bless you and your families!

Sincerely,

Richard
