Health Lies in America

Some sat in darkness and in the shadow of death, prisoners in affliction and in irons, for they had rebelled against the words of God, and spurned the counsel of the Most High. So he bowed their hearts down with hard labor; they fell down, with none to help. Then they cried to the Lord in their trouble, and he delivered them from their distress. He brought them out of darkness and the shadow of death, and burst their bonds apart. Let them thank the Lord for his steadfast love, for his wondrous works to the children of man! For he shatters the doors of bronze and cuts in two the bars of iron. **Psalm 107:10-16**

This has been a detailed explanation of how to witness. Whenever I went to some village, I was always prepared to go out at any time with a hoe in my hands, or to become the friend of the most miserable person in the village. I was ready to talk all through the night at anytime that I felt it would do some good. The easiest way to love another is to care for him. That person may have never had a friend in all the world, but you can become his best friend. It is a rather simple rule, but this embraces everything.

You must take a humble position; one way of doing this is to regard everybody as your teacher. Then you can learn many things from other people which will in turn improve you.

It does not matter how many times another deceives you or betrays your expectations. Do not give up because you will not lose. I was actually betrayed many times and know that I will continue to be betrayed, but I am secure in my way and I go on. I have never found that my position gets worse; instead it is always improving. That is the heavenly standard.

SMM, How to Witness: To State Leaders, April 1, 1977

Hello,

Hyung Jin Nim announced that Sose the Ghost is to be blessed to Sunmee Montanaro! He grew up in the ganglands of NYC. His cousin was in the Crips. He was in and out of prison until his late 20s. The Motorcycle (MC) clubs, which included many ex-military, provided structure for him. He was impressed by the foot-striking ceremony at the Blessing ceremony last October. Such ceremonies lead to communal bonding.

Sose met us at a pro-Trump rally in DC. He was open to communicating with Hyung Jin Nim re 1% MC issues. Sunmee has an Esther-like mission. Because of Esther's faith and courage, the Jews were saved, and given the 2nd Amendment right.

He has gone through Divine Principle as well as Love and Respect training. He has even been teaching Divine Principle to other MC groups. We look forward to Sose and Sunmee's Blessing and what

Heavenly Father will do through them!

Real training starts after the Blessing. The first 3 years are usually very challenging, since the couple is coming from different family cultures and a history of living for themselves. Date training includes the 3 "Khamsas," where each one expresses 3 points of gratitude for one other.

He spoke about wearing the Bullet Crown at the NRA show. 7 years ago, people were giving perplexed stares. Now people were waving and saying hello to him. He was explaining that Asians need Christ and they need guns. The Chinese have been imprisoned for 77 years.

"Taiwan Lee's" wife was born deaf. She was going to commit suicide. A Unificationist ran up and stopped her and told her that God had a purpose for her life.

At a matching that Father conducted, she was hiding in a corner, but Father said "why didn't you stand up?" He said, "you can do it!" She was blessed to Mr. Lee and now she has been in Taiwan for 31 years.

Six of the 7 church elders in Taiwan who were teaching the OBD heresy, have died. Only "Taiwan Lee" rejected the OBD teaching. They are the only couple left.

To the Asian mind, it is hard to understand the idea of sovereignty and self-defense.

We were praying and shedding tears in the night sky for God to save America and Donald Trump. He has destroyed the money flow to China from the Mexican cartels selling fentanyl.

China has been subverting free trade rules by slapping "Made in Vietnam" labels on Chinese products. Singapore leader denounced Chinese bullying in trade over the past two decades. Xi Jinping banned purchases of Boeing planes, but other countries are buying them, including even Russia.

[MKR Special: HEALTH LIES in AMERICA](#)

He concluded his message by reading from Psalm 107:1-16 and praying for the God to use America for His purpose and to liberate those in bondage.

May God bless you and your families!

Sincerely,

Richard
