Recognize GOD as the SOURCE

And everyone who has left houses or brothers or sisters or father or mother or children or lands, for my name's sake, will receive a hundredfold and will inherit eternal life. Matthews 19:29

In order for you to belong to God's Kingdom, you need to offer Him everything you have: your assets representing the Old Testament, your children representing the New Testament and even yourselves before. Let Him choose to have ownership over you and let Him tell you, "Your family, belongings and children are mine," and then receive His acknowledgment that indeed they are. Next, He can claim "I have no more need of them!" and bequeath them all back to you through the True Parents.

Then your right of ownership over the spiritual and physical worlds can be determined, not the right of ownership of love, but the right of ownership over all things. Just as everything fell into fallen ownership through fallen love, the right of ownership over everything will be determined through original love. SMM, 121-254, 1982.10.27

Hello,

Rev. Ambrose Katundu, Sanctuary Coordinator in Connecticut gave the sermon on the topic, "From Possession to Bequest: Restoring God's Original Ownership." His wife, Grace read True Father's words on giving and the right of ownership. He said it's humbling to speak at the podium where the 2nd King poured out his heart and how much he loved True Father.

We are here to today to say that we are taking responsibility and be one with him and True Parents. True Father's words touched his heart. God created human beings because He wanted to have persons to love! The universe is so big, it would take billions of light-years to get to the end of the universe. The earth is a small planet in a small solar system in the Milky Way galaxy which is small compared to many others. What kind of power does God have to create that? We are a tiny dot, but He created and loves us.

So who has the ownership of the things of creation? The Creator, God. He tells us that if you have absolute faith in Me, you will also have ownership. The Heart of Divine Principle- God as Father, We as Children. Not as servants, but as the beloved sons and daughters of the Creator. What is the real determinant of value.

The Crisis of Ownership.

God lost the right of ownership to Satan, through the woman, Eve, and her husband, Adam. Humanity entered into a somber lineage of self-centered love. Satan has no respect for Jesus, Sun Myung Moon, or anyone following God. Satan said if you bow down to me, I will give you everything.

Jesus said you have nothing that I want. But Satan was lingering, waiting for a chance to invade. Judas betrayed for 30 pieces of silver. Jesus didn't run away from crucifixion. He had the power to do anything, heal the ear of the soldier that Peter cut. Our tendency is to return to our immediate circumstances. Like Peter who was walking on water, but then looked down and lost faith and began to sink and drown.

Jesus asked his 3 disciples to pray with him in the garden of Gethsemane, as a condition to continue.

The Burden of "Mine"

True restoration requires us to move beyond Fallen Ownership and return everything to its original Source. "in order for you to belong to God's Kingdom, you need to offer Him everything you have: your assets, your children, and even yourselves."

True Father thanked the grain of rice, thank you for sacrificing your life so that I can continue to do God's will.

The Three Levels of Offering

1. Assets- Old Testament returning our material foundation to God
2. Children- New Testament, witnessing, entrusting our lineage and future to God.
3. Yourselves- representing the Whole. Surrendering our identity, will and heart to His ownership.

True Father said don't stain lineage, hurt people's hearts, misuse public resources.

The Foundation for the Messiah is a lifelong effort until the Kingdom of God is established. The formula course is the grace of God. Even faith is the grace of God, who opened the way for us to trust Him.

Romans 12:1 "offer your bodies as a living sacrifice, holy and pleasing to God.

And everyone who has left houses or brothers or sisters or father or mother or children or lands, for my name's sake, will receive a hundredfold and will inherit eternal life. Matthews 19:29

If you give your life, you will gain everything back.

Recognize God as the Source

True Father tells us to let God choose His ownership over us:

"Your family, belongings and children are mine."

The tax collector called to Jesus to pay the tax. Jesus told disciples to go fish and the fish had a drachma, a golden coin.

The pharisees asked about paying taxes. Jesus said "give to Caesar what is Caesar's, and to God what belongs to God."

Only through acknowledging God's ownership is the connection to Satan finally severed and the original order restored.

But who am I, and what is my people, that we should be able thus to offer willingly? For all things come from you, and of your own have we given you.

1 Chronicles 29:14

The earth is the Lord's and the fullness thereof

the world and those who dwell therein, Psalm 24:1

The Fight Against NY Election Fraud

III. The Bequest

Are many Christians poor because if He gives us too much, they will abandon God? God bequeaths everything back to you through the True Parents. What was "fallen" is returned as a **blessed inheritance**.

The right of ownership over the spiritual and physical worlds is determined not by force, but by the power of **True Love**.

"Now if we are children, then we are heirs - heirs of God and co-heirs with Christ. Romans 8:17

"Seek ye first his kingdom and his righteousness, and all these things will be given to you as well."
Matthew 6:33

The formula is complete when sacrifice becomes the culture of our daily lives. When Rev. Katundu decided to buy land in Nigeria, Grace suddenly got a job and he had 2 good jobs.

Living as True Heirs- the price of victory is absolute faith, love and obedience.

May God bless you and your families!

Sincerely,

Richard
