"I have also endeavored for this campus to be a place where students can develop deep personal faith and authentic spiritual communication with the spirit of God."

- Rev. Dr. Sun Myung Moon

Greetings!

I'd like to **thank the many brothers and sisters** who have sent thousands in donations to Barrytown College of UTS, especially to the Scholarship fund to help more students attend in the coming years. (If you haven't had a chance to give, but would like to do so, here is the link to donate online.)

I'd also like to thank those of you who have volunteered to let more 2nd Gen and other talented young adults know about this precious opportunity to study at a college with high academic AND moral standards. If you'd like to help with recruitment, please let us know and I will send you brochures and a promotional DVD.

True Father signing Barrytown College proposal in April 2012

As this is Finals week at the college, our students have been studying

hard! **One of the most popular courses is the Economics course taught by Dr. Mark Isaacs, professor of Economics and Social History**, who has a deep love for the CAUSA education materials and shares his insights about the founders of this country and the Judeo-Christian ideals upon which it is based, a theme that Father often spoke about. Our students are learning that the Principle is not only a religious theory, but has profound implications for the real world.
