Greetings!

2014 promises to be a good year at Barrytown College of UTS!

In the last week, we received 13 new applications and confirmations for students desiring to become part of the Fall, 2014 entering class. That's one third of our target goal of 40 new students!

Several new transfer students will also join us at the end of January when the Spring 2014 semester starts. Spring courses being offered include:

- * Theories and Principles of Management
- * Social Media and Its Impact
- * Great Minds of East and West II
- * Fundamentals of Digital Video Production and Editing
- * English Composition II
- * World Literature I
- * Applied Ethics
- * Korean I
- * Public Speaking
- * World Religions II: Abrahamic Religions

We deeply appreciate the generous donations that have come in during the past two weeks. Most of these have been to our scholarship funds for international students or the David S.C. Kim Principle Leadership scholarship. If you have not had a chance to give, you still have time to do so before the end of 2014! Go to Barrytown College Giving to see a list of scholarships or Barrytown Renovations that could use your support!

Also, a reminder for teen or young adult filmmakers about the *2014 Barrytown College Video competition* whose theme this year is "GIVING." The top prizes will be \$2,000, \$1,000, and \$500. For applicants to Barrytown College, prize-winners can receive an additional \$1,000 scholarship to the school, which has an active Media Arts

program. Genres may be fiction/narrative, documentary/ interview, or animation. For more information, visit 2014 Barrytown College Video Contest.
